

Volleyball Archive Information

The volleyball historical archive was compiled based on available statistics and records beginning with the 1981 season. No records or statistics are available from the 1971-80 seasons. A player's career totals were only calculated if their season totals were available from each season they played. The following describes what statistics are available for each individual category.

Matches Played

Not available 1981-1990; not listed 2000-2001

Games Played*

Not available 1981, 1983-1985, 1988, 1989

*In years that individual games played were not available, the following per-game statistics were not calculated: kills/game, assists/game, service aces/game, digs/game, blocks/game

Kills, Attack Errors, Total Attack Attempts, Attack Percentage

Available for all seasons

Assists

Not available 1981-1986, 1988

Service Aces

Available for all seasons

Service Errors

Not available in 1981

Receiving Errors

Not available 1981-1985, 1990

Digs

Not available in 1981

Solo Blocks, Block Assists

Not available 1981-1985 (total blocks are available for those seasons)

Total Blocks, Block Errors

Available for all seasons

Ball Handling Errors

Not available 1981-1990
