## PART II: FINANCIAL STATEMENTS

All F1 and J1 international applicants must document their ability to meet all educational and living expenses for the first year of intended study before the University can issue a Certificate of Visa Eligibility (form I-20 or DS-2019).

Please complete Part II completely and attach the appropriate documentation required.

All documentation must be dated within one year of the date of initial enrollment at Binghamton University. Funds should be cash assets such as cash in a savings account, stocks or bonds, short-term annuities or certificates of deposit with expiration date indicated. Cash assets must be verified by submitting bank statements or similar statements showing specific amounts. If funds are in a currency other than US dollars, we will do the conversion.

Current total costs to attend Binghamton University are \$45,700\* (as of July 2019, subject to change). This is an estimate of our annual education and living costs for international students. You must document financial support equal to or greater than this amount. This estimate is subject to change without notice, and usually increases each year. The State University of New York requires students on F-1 and J-1 visas to enroll in a health and accident insurance policy provided by the University.
