SIGN UP FOR HOUSING

All freshmen must live in on-campus housing. Residential community assignments will be e-mailed to your BMail account before the first Orientation session at the end of June and then go out on a rolling basis. Your housing and room assignment will be e-mailed to you the first week in August.

Register online at reslife.binghamton.edu.

SEND FINAL TRANSCRIPTS

It’s very important Binghamton receives your final transcripts or you will not be able to register for future semester courses.

- **High-School Transcript**: ALL students (both freshmen and transfers) are required to mail to the Admissions Office an official, final high-school transcript, including graduation date and seal, stamp or signature.

- **College Transcript(s)**: Transfer students, and freshmen who have taken college courses, are required to mail to the Admissions Office an official transcript from every college or educational institution attended.

COMPLETE HEALTH FORMS

You must complete two online health forms (Medical History Form and Immunization Worksheet) prior to Orientation in order to be able to register for courses:

To access forms, go to the Decker Student Health Services Center’s website at binghamton.edu/health/new-students.html.

REGISTER FOR ORIENTATION

Orientation for fall 2015 students, which takes place in June and July, is a great way to meet new friends and get to know your way around campus. You will register for courses, meet with academic advisors, faculty and staff, and attend social events. Register online at orientation.binghamton.edu.

ACCEPT FINANCIAL AID

To accept or decline your loans, and ensure your account is properly credited, go to bubrain.binghamton.edu.

PAY YOUR BILL

Your fall 2015 bill notification will be sent to your BMail account at the beginning of August.
