B.A./M.S. in Anthropology

B.A. Requirements (Anthropological Perspectives)¹	
A	ONE (1) Anthropological area course focused on the peoples/cultures of a specific world region or area (e.g., Middle East, Oceania/Pacific, Southeast Asia, West Africa, &c) (4 cr.). Choose from: ANTH 251-273, 340-344, 367-370, 374-379. ²
B	FIVE (5) Upper-level (300/400) Anthropology courses (20 cr.). To concentrate in a particular subfield, you should take at least three courses from that subfield. ANTH 491 is not allowed; a maximum of 8 credits (total) is allowed of any combination of ANTH 393/493/497/499.
C	SIX (6) lower-level (100/200) Anthropology courses (24 cr.). Students should take three out of the four foundations courses (ANTH 166 [Sociocultural]; ANTH 114, 118 or 170 [Linguistic]; ANTH 168 [Biological]; ANTH 167 or 169 [Archaeology]); to concentrate in a specific subfield you must take the intro course for that subfield.
D	TWO (2) elective courses taken at the 300/400 level in Anthropology or other social sciences (8 cr.). ³

Benchmarks

- End of Junior year: 96 (min.) credits completed, including all (or almost all) Harpur GenEd and Writing requirements, and 32+ upper-level credits
- End of Senior year: 126 (min.) credits completed, including ANTH 501 (Fall term), and two additional 500-level courses; all three 500-level courses will be counted toward both undergraduate and graduate degrees

Major credits: 56
 BA degree credits: 126/+

M.S. in Biomedical Anthropology Requirements⁴	
A	The History of Anthropological Thought (4 cr.) ANTH 501
B	Human Skeletal Biology (4 cr.) ANTH 540 <u>OR</u> Stress Chronobiology ANTH 572J
C	Human Biological Variation (4 cr.) ANTH 543
D	Advanced Multivariate Statistics (4 cr.) ANTH 572S or other approved quantitative methods course
E	Laboratory Practicum (4 cr.) ANTH 572L
F	<u>ONE</u> of the following: Forensic Anthropology ANTH 544 <u>OR</u> Co-evolution of Human & Pathogens (ANTH 550) or other approved laboratory course
G	<u>ONE</u> of the following: Molecular Anthropology (ANTH 559) <u>OR</u> Anthropological Genetics (ANTH 547)
H	<u>ONE</u> of the following: International Health (ANTH 572K) <u>OR</u> Epidemiology (ANTH 572R)
I	Internship (1 cr.) ANTH 595
J	Elective courses (10 cr.) to be chosen in consultation with the student's advisor.

MS credits: 43
 BA/MS combined degrees: 156/+

¹ Only courses passed with a letter grade of C- or better and only one course taken under the Pass/Fail option may count towards the B.A. major requirements • No more than six courses from any one subfield (sociocultural, biological or linguistic anthropology or archaeology) may count towards major requirements • Anth 491 and 495 may not be counted toward B.A. major • No more than two cross-listed courses are allowed • Completion of this degree requires 56 credits, at least 28 credits of which must be taken in Anthropology at Binghamton University.

² Most semesters some topics courses (280x/380x/480x) will be offered that are designated as "area courses".

³ Social sciences include Economics, Geography, History, Linguistics, Political Science, and Sociology; social science courses in Africana Studies, Asian & Asian-American Studies, Environmental Studies, Latin American & Caribbean Area Studies, and Women's Studies may also be used.

⁴ All graduate courses for the M.S. must be passed with a grade of B- or better.
