Open Studio Night

Thursday, May 12, 5:00-8:00 p.m.
Fine Arts Building
Binghamton University

FIRST FLOOR

5:00-6:00 p.m.

Digital Media Center (FA152) demos:

- The World of UV Inkjet Printing demo will explore the versatility of UV inkjet printing and wide format printing. From Glass prints, fabric prints, and digital glass negatives, there are many new ways to think about inkjet printing.
- Lasers and Vectors demo examines possibilities of laser cutter. Different materials and techniques are introduced in production of designs and prototypes.

Sculpture Studio (FA 154): student classwork on display.*

SECOND FLOOR
