

FLEISHMAN CENTER FOR CAREER AND PROFESSIONAL DEVELOPMENT

WHAT WE DO

- Connect students to **alumni, employers and opportunities**
- Develop **innovative programs** and tailored services to educate students on professional development and career-readiness skills
- Offer **high-impact opportunities** that apply and integrate classroom learning with out-of-classroom experiences
- Engage students through one-on-one **career consulting and workshops** to support students' career decision-making and goal-setting
- Work with **faculty champions** to promote career-readiness both in and out of the classroom

Students that interacted with the Fleishman Center used services an average of **3 TIMES PER YEAR.**
