APPLICATION FOR ACCELERATED* BS/MS

1. This form must be completed and given to your department secretary.
2. You will receive an e-mail with a decision. If accepted, your program code in Banner will be changed to your department's accelerated (BS/MS) code.
3. If admitted, please seek faculty advisement on your future course choices. All students enrolled in this option must still complete the accelerated graduate application in Banner. (See How to Apply on opposite side.) This program is designed to indicate the early interest of top students and allows for undergraduate registration in certain graduate courses.
4. The department retains a copy of this approved form for its records, gives the student a copy (upon request) and forwards the original to the Watson School Advising Office.
