

I am a senior in the Accelerated Program. How do I apply to the Graduate School?

This is the link to the Graduate School's "How to Apply" web page:

<http://www2.binghamton.edu/grad-school/prospective-students/apply.html>

Part of the way down the page there is a link to "All other applicants".

When you click that, you will see the "Accelerated Degree Application" and the instructions.

There is a part in the instructions about what is required. You **do not need to submit** any of these:

GRE scores

TOEFL /IELTS scores

Personal Statement

Resume

Transcript

Letters of recommendation

If you are an international student, you will need to submit the financial information.

There are no additional requirements that our department needs.

After you submit your application and pay the application fee, your application will show in our electronic system. When the decision has been entered, you will receive an e-mail from the Graduate School to confirm that you will be continuing in the accelerated program.

Please see the other FAQs for Accelerated Students for more information.

The information about registering for courses is in the FAQ "I am an accelerated senior. I have submitted my application to Graduate School. How do I pay my application fee and what else do I need to know?"
