APPLICATION FOR MINOR IN GENERAL ENGINEERING

Please print

Name ___________________________________ Local Address: ________________________________________________________________

Student B-Number _____________________ Phone: _____________ Email: ________________________

TO THE STUDENT: There are specific policies and procedures which you must be aware of and agree to before completing this form. The completed form should be returned to Ms. Bobbi Libous, Engineering Design Division, LNG-110.

1. You are responsible for keeping the University informed about your graduation plans. You must file an “Application for Degree” in the semester you plan on graduating via BUBRAIN.

2. A minor is not required for graduation but must be dropped if you do not plan on completing it. The completed minor(s) will appear on your transcript when the degree is certified. Minors will not be added to a transcript once a degree is certified.

3. Cumulative GPA in courses taken for the minor must be 2.0 or above.

Major(s) ________________________________ Declared? □ Yes □ No (Must include a declared engineering major.)

List other minor(s) ________________________________

Before applying for a minor in General Engineering, you must have completed the following three courses. Your cumulative GPA in these three courses must be 2.7 or higher. Please indicate below when you took these courses and the grade you received. Please bring a DARS to have this form signed by the Director of the Engineering Design Division.

- MATH 224 (Differential Calculus) Semester Completed _____________ Grade ________
- MATH 225 (Integral Calculus) _____________________________________________ ________
- PHYS 131 General Physics I _______________________________________________ ________
- PHYS 132 General Physics II (recommended, calculus-based [L])
  (pre-req. PHYS 131, co-req. MATH 222 Calculus 2 or PHYS 122, algebra-based)  OR
  BIOL 117 Introduction to Organisnal Biology (pre-req. consent of instructor)

GPA in prerequisite courses: ________ (Must be 2.7 or higher.)
