ITS Research Computing Advisory Committee (Joint)

Charge:

1. To advise the Faculty Senate, the Provost and the Chief Information Officer on the research computing needs of the faculty, and on related matters of support, space, service and computing infra-structure.
2. To serve as a vehicle for communication between the faculty, ITS, and the administration regarding research computing.

Composition:

The ITS Research Computing Advisory Committee is a Joint Committee between the Provost and the Faculty Senate as described in Article IV, Title B. 2. of the Faculty Bylaws.

The ITS Research Computing Advisory Committee consists of 10 members total
- five faculty members drawn from various schools and the Library,
- two additional members selected by the Provost,
- the Associate Vice President and CIO of Information Technology Services,
- a graduate student,
- and an undergraduate student.

The committee would be co-chaired by the Associate Vice President and CIO of Information Technology Services and a faculty member selected by the Faculty Senate.

Additional non-voting members whose expertise would contribute to the committee's function may be added at the discretion of the committee co-chairs, subject to the approval of the Faculty Senate Executive Committee.
