List all graduate courses, and note whether they are double-counted as undergraduate courses. For each graduate course that is double-counted, note what undergraduate requirement it fulfills. If a graduate course replaces a specific undergraduate course, note that course. If a graduate course counts as an elective or upper-level elective for the major, note that. An individual program schedule should be created for each undergraduate track included in the proposed combined program. Add additional rows/pages as needed.

gradschool.binghamton.edu

Total number of credits used for the undergraduate degree: 126 credits

Total number of double-counted credits: Maximum of 18 credits

Total number of remaining graduate credits used for the graduate degree*: 24 credits

*Note: All combined undergraduate/graduate programs must have 126 undergraduate credits and at least 18 graduate credits that students will take as a graduate student. Please keep in mind that graduate residency is defined as courses for which the student receives a letter grade. Based on this requirement, the following courses do not count towards the graduate school residency requirement: College Teaching of the Discipline (591), Thesis (599), Predissertation (698), Dissertation (699), Continuous registration (700 level) and all other courses taken for an S/U grade.

To show feasibility of the proposed program, please fill out a sample schedule of all requirements needed to complete the program and submit the sample schedule with this form. Please fill out a separate schedule for each track, if applicable, to demonstrate all tracks are feasible.
