Name of proposed program: BA in Economics BA/MA4+1

List all the existing registered undergraduate and graduate programs that will be part of the proposed combined program, as well as the associated SED codes and program tracks. Add additional pages, if needed.

Program	Program title	Award (BA, BS, MS)	Credit hours	SED program code	Major code
Program 1 (UG)	BA in Economics	BA	126	82407	322
Program 2 (GD)	MA in Economics	MA	32	10117	C2B

List all graduate courses, and note whether they are double-counted as undergraduate courses. For each graduate course that is double-counted, note what undergraduate requirement it fulfills. If a graduate course replaces a specific undergraduate course, note that course. If a graduate course counts as an elective or upper-level elective for the major, note that. An individual program schedule should be created for each undergraduate track included in the proposed combined program. Add additional rows/pages as needed.

Graduate course	Double counted (Y/N)	Undergraduate requirement fulfilled (Required major course, elective)	Credit hours	Graduate requirement fulfilled (Required, elective)
Econ 500	No		4	Required
Econ 501	No		4	Required

THE GRADUATE SCHOOL

Combined Undergraduate/Graduate Degree Program Proposal Form

Total number of credits used for the undergraduate degree: 44 credits (The BA major requires 11 courses taken, not credit total. The count of 44 is based on 4cr x 11 course.)

Total number of double-counted credits: 8 credits (These credits double count on the MA side, but not on the undergraduate side).

Total number of remaining graduate credits used for the graduate degree*: 32 credits for the MA (24 for 4+1 students).

*Note: All combined undergraduate/graduate programs must have 126 undergraduate credits and at least 18 graduate credits that students will take as a graduate student. Please keep in mind that graduate residency is defined as courses for which the student receives a letter grade. Based on this requirement, the following courses do not count towards the graduate school residency requirement: College Teaching of the Discipline (591), Thesis (599), Predissertation (698), Dissertation (699), Continuous registration (700 level) and all other courses taken for an S/U grade.

To show feasibility of the proposed program, please fill out a sample schedule of all requirements needed to complete the program and submit the sample schedule with this form. Please fill out a separate schedule for each track, if applicable, to demonstrate all tracks are feasible.
