Combined Undergraduate/Graduate Degree Program Proposal Form

Name of proposed program:

List all the existing registered undergraduate and graduate programs that will be part of the proposed combined program, as well as the associated SED codes and program tracks. Add additional pages, if needed.

Program	Program title	Award (BA, BS, MS)	Credit hours	SED program code	Major code
Program 1 (UG)					
UG track					
UG track

UG track					
Program 2 (GD)					

List all graduate courses, and note whether they are double-counted as undergraduate courses. For each graduate course that is double-counted, note what undergraduate requirement it fulfills. If a graduate course replaces a specific undergraduate course, note that course. If a graduate course counts as an elective or upper-level elective for the major, note that. An individual program schedule should be created for each undergraduate track included in the proposed combined program. Add additional rows/pages as needed.

Graduate course	Double counted (Y/N)	Undergraduate requirement fulfilled (Required major course, elective)	Credit hours	Graduate requirement fulfilled (Required, elective)

Total number of double-counted credits:

Total number of graduate credits*:

*Note: All combined undergraduate/graduate programs must have at least 18 graduate credits that students will take as a graduate student. Please keep in mind that residency is defined as courses for which the student receives a letter grade. Based on this requirement, the following courses do not count towards the graduate school residency requirement: College Teaching of the Discipline (591), Thesis (599), Predissertation (698), Dissertation (699), Continuous registration (700 level) and all other courses taken for an S/U grade.

To show feasibility of the proposed program, please fill out a sample schedule of all requirements needed to complete the program and submit the sample schedule with this form. Please fill out a separate schedule for each track, if applicable, to demonstrate all tracks are feasible.
