CONDITIONS OF LIFELONG LEARNER STATUS

I, the undersigned student, have been advised, and fully understand, that any credits taken beyond the Graduate School's 12-credit limit *may not*, at some later date, be counted toward earning a degree, should I later matriculate into a graduate degree program. I further understand that any credits beyond 8 *may not*, at some later date, be counted toward earning a certificate, should I later gain entry into a certificate program.

I acknowledge that the academic department to which I apply will determine whether non-degree credits will be applied toward a degree or certificate. I understand that non-matriculated credits will not be applied toward a degree or certificate once I have begun the degree or certificate program.

I understand that, should I later wish to matriculate into a graduate degree program, I must submit a regular graduate application, be formally accepted, and enroll in the Graduate School.
