HOW TO CHECK THE STATUS OF YOUR HEALTH REQUIREMENTS

Follow these steps to check on the status of your health requirements:

1. Log on to “https://myhealth.binghamton.edu/

2. After logging in click on “messages” to take you to your inbox. You will see a message requiring attention regarding immunization status. Click on it and scroll to the end of the message.

3. If your immunization status reads “Verified” for all requirements, you have successfully completed all the health requirements and do not need to do more.

4. If your immunization status reads “Non-compliance: No Data” for Measles, Mumps, Rubella or Meningitis:
   - We either still need immunization information from you or your immunization information hasn’t been reviewed by a nurse (this takes up to 7 working days).
   - Either wait a few more days to see if you receive a “Verified” message or contact us to determine what is needed.
   - Non-compliance for immunization information will result in your inability to remain registered for classes this semester and to remain in on-campus housing.

5. If your immunization status reads “Non-compliance: No Data” for Tuberculosis Screening:
   - You either have not completed the Medical/Health History/Tuberculosis Questionnaire, it hasn’t been reviewed by a nurse yet (this may take up to 7 working days), or you need to get a test for tuberculosis.
   - Either wait a few more days to see if you receive a “Verified” message or contact us to determine what is needed.
   - Remaining non-compliant for the tuberculosis screening and/or testing will result in your inability to register for classes during the next semester.

6. If your immunization status reads “Non-compliance: No Data” for Menactra Meningitis Vaccine:
   - You either have not submitted your Meningococcal Meningitis Response Form, the nurse hasn’t reviewed the information you have sent (this may take up to 7 working days), or we require the date(s) of your meningococcal meningitis vaccine(s).
   - Either wait a few more days to see if you receive a “Verified” message or contact us to determine what is needed.
   - Non-compliance for the meningitis requirement will result in your inability to remain registered for classes this semester and to remain in on-campus housing.
