SUNY TUITION WAIVER (B-140W)

PROGRAM INSTRUCTIONS & APPLICATION

UPDATED: December 2018

Tuition support programs provide reimbursement for all or part of an employee’s tuition cost. These programs usually restrict schools and/or courses covered. Some schools may defer payments for reimbursement program students. All of these programs require proof of successful completion of the course.

NOTE: To avoid late fees and class cancellation, applicants should pay tuition when due as reimbursement notification may be delayed depending on the timing of fund allocation. There is no guarantee funding will be available.

Tuition Waiver Program is an official “forgiveness” of part or all of the tuition (excluding fees) for a course taken at a State-operated campus. The program is available to all University and Research Foundation employees, and the percentage of tuition that can be waived is determined by the applicant’s percentage of full-time employment, the degree to which the course is job related, and the available funding. The applicant must be admitted (or readmitted) to a participating school on a matriculated or non-matriculated basis.

a. Complete all questions #1 through #12 in Part I of the Application for Tuition and Fee Assistance (Form B-140W). Be sure to sign and date the application. Your completed application must also be approved and signed by your supervisor in Part II, #13.

b. No more than two (2) credit hours per semester can be approved, based on available funding.

c. Indicate the cost of your tuition. Laboratory and/or instructional fees may be included. University fees, Student Activity fees, and other non-instructional fees cannot be covered by the Tuition Waiver.

d. The percentage of support requested should be no more than your percentage of full-time employment (i.e., if your FTE is 50 percent, you may apply for a 50 percent Tuition Waiver).

e. Forward the completed application to the Employee Benefits office no later than the end of the first week of classes. Precedence will be given to on-time application submissions. If there are changes to the information given in your application after you have submitted the form, please notify Luanne Stento at lstento@binghamton.edu or call 777-6950.

f. In addition, you must complete a payment form and pay all applicable fees at the Student Accounts office. Payment must be made by registration day. Payments made after registration day will be assessed a late payment fee. You will not be in registered status until you have completed all payment arrangements.

g. A new application must be submitted to HR for each semester you wish to apply for waiver.

If you need additional assistance or information, please contact Luanne Stento in Human Resources at (607) 777-6950 or via email lstento@binghamton.edu.
