How to Make Your Own Origami Butterfly

All you need is a square sheet of paper.

**step 1**
Fold your sheet in half in both directions along the dotted lines.

**step 2**
Lift up the corners of your square. Press down to form a triangle.

**step 3**
Fold the bottom edges of the triangle up to the center line.

**step 4**
Flip over and fold the top of the triangle down, so the point extends past the bottom edge.

Repeat on the other side.
**step 5**
Flatten two triangular edges of the butterfly.

**step 6**
Fold in a half along the highlighted crease.

**step 7**
Fold wings back along the highlighted crease.
