Cherry blossoms

Fold along the dotted lines.

Match your corner to the X.

Cut along the line.

First straight for the petal’s notch, then curved down for the petal’s edge.

Open it up!
Follow the pictures to refold the petals. All but one petal should be open and flat.

Fold down the side edge. Fold the other edge. Open it up!

Overlap petals in the same direction, like a pinwheel. Finished!
