All you need is a square sheet of paper.

**step 1**
Fold your sheet in half along diagonal to form a triangle.

**step 2**
Lift up the sides of the triangle and fold to the center line, creating a square.

**step 3**
Fold the bottom triangular flaps up.

**step 4**
From the top of the center fold, bend back along the dotted line to form a triangular flap. Repeat on the left side.

**step 5**
First, fold up the bottom triangular flap along the first dotted line. Then fold along second dotted line to form the rim of your hat.

**step 6**
Tuck the other bottom flap inside to finish your hat.
How to Make Your Own Origami Fish

* All you need is a square sheet of paper and scissors.

step 1
Start at step 5 for the hat. Fold the bottom flap back.

step 2
Open up and flatten to form the body of the fish.

step 3
Fold a small triangle at the tail.

step 4
Cut along dotted lines.

step 5
Hold the small triangle and roll the paper flaps out to form the fish tail.
