

How to Make

Your Own Origami Leaf

materials needed:

- 1 square sheet of colored paper
- glue
- scissors

step 1

Cut a square sheet in half along the diagonal to form a triangle.

step 2

Fold the tip back to form a small triangle about $\frac{1}{4}$ the size of the sheet.

step 3

Flip your sheet over and fold back so that the point of the small triangle touches the new fold.

step 4

Flip your sheet over again and fold back so that the bottom of the small triangle touches the new fold.

step 5

Repeat this process until you reach the end of the page.

step 6

Fold it in half.

step 7

Open up and glue the leaf together.

step 8

Cut the tip. Open up to form your leaf.
