To Whom It May Concern:

At this time, The State University of New York at Binghamton (also known as Binghamton University) is planning on transitioning back to in-person instruction for the Fall 2021 semester. It is anticipated that students who are in the United States will be enrolled in a full-time course load of in-person classes, to ensure that they are able to make progress toward their degree.

We are providing this letter to students who are applying for their student visa or seeking entry into the United States as evidence that they will be attending in-person. Students are expected to arrive to campus by August 17, 2021 to participate in orientation, and the first day of classes is scheduled to begin on August 24, 2021.

Thank you in advance for any and all assistance provided to our Binghamton University student.

Sincerely,
