J. Medically Necessary.
In general, We will not Cover any health care service, procedure, treatment, test, device or Prescription Drug that We determine is not Medically Necessary. If an External Appeal Agent certified by the State overturns Our denial, however, We will Cover the service, procedure, treatment, test, device or Prescription Drug for which coverage has been denied, to the extent that such service, procedure, treatment, test, device or Prescription Drug is otherwise Covered under the terms of this Certificate.

This service is especially helpful for minor illnesses, such as allergies, sore throat, earache, pink eye, etc. Based on the condition being treated, the doctor can also prescribe certain medications, saving you a trip to the doctor's office. Using HealthiestYou can save you money and time, while avoiding costly trips to a doctor’s office, urgent care facility, or emergency room. As a Member with StudentResources, there is no consultation fee for this service.* Every call with a HealthiestYou doctor is covered 100% during your policy period.

This service is meant to complement your Student Health Center. If possible, we encourage you to visit your SHC first before using this service.

HealthiestYou physicians are an independent network of doctors who advise, diagnose, and prescribe at their own discretion. HealthiestYou physicians provide cross coverage and operate subject to state regulations. Physicians in the independent network do not prescribe DEA controlled substances, non-therapeutic drugs and certain other drugs which may be harmful because of their potential for abuse. HealthiestYou does not guarantee that a prescription will be written. Services may vary by state.
*Available to Member students and their covered Dependents ages 18 and over. If you call prior to your effective date of your coverage under the insurance plan, you will be charged a $40 service fee before being connected to a board-certified physician.
