Remote Access to Licensed Medical Doctors with HealthiestYou

We’ve partnered with HealthiestYou to provide you with round-the-clock access to board-certified physicians. UHCSR member and non-member students can connect with a physician via phone and/or video chat* using this nationwide telehealth service. During a physician consult, you will be able to speak to a physician for diagnosis and treatment of many different acute illnesses.

Healthiest You also offers notifications via smart phone app - students may receive a notification when they arrive at an Emergency Room or Urgent Care Center. This notification will serve to remind you of your telehealth benefit that allows you to speak to a physician without having to sit in a waiting room.
