Getting Care

Get care when you are abroad: find providers and schedule appointments

1. Find a provider

Outside the U.S. you have access to care through the GeoBlue provider network. To find a contracted doctor or facility, visit the “Provider Finder” section in the Member Hub on www.geobluestudents.com or in the app. For optimal service, request Direct Pay at least 48 hours prior to your appointment to avoid paying out-of-pocket for medical care and submitting claims.*

Outside of the U.S. you are free to see any provider you choose without a reduction of benefits. If you see a non-contracted provider, you may have to pay out of pocket for treatment and submit a claim.

2. Schedule an appointment

To schedule an appointment, choose a participating provider or hospital through the Member Hub or app. Contact them directly using the information in their profile. After you make your appointment, contact us to provide the doctor’s office with the information required to arrange Direct Pay. For optimal service, request Direct Pay at least 48 hours prior to your appointment. This is necessary when scheduling follow-up appointments as well. In many countries providers require payment at the time of the visit unless Direct Pay has been arranged.

Contact us to arrange for Direct Pay:

- Use www.geobluestudents.com or the GeoBlue app
- Email globalhealth@geo-blue.com
- Call collect on +1.610.254.8771
- Call toll free inside the U.S. on 1.800.257.4823

3. Request Direct Pay

To avoid paying up front for medical care and submitting a claim, arrange for Direct Pay:*

- Use www.geobluestudents.com or the GeoBlue app to find a provider, view a profile and complete a request form
- Email globalhealth@geo-blue.com the name of your provider, the reason for your appointment and the date and time of your scheduled visit
- Call collect on +1.610.254.8771

For optimal service, request Direct Pay at least 48 hours prior to your appointment.

In the event of a medical emergency

You should go immediately to the nearest physician or hospital and then call the Medical Assistance phone number for 24/7 care located on the back of your ID card. We will then take the appropriate action to assist and monitor your medical care until the situation is resolved.

**Members are required to pay any applicable copayments, coinsurance or deductibles at the time of service.*

EMERGENCY MEDICAL EVACUATION BENEFIT

If a Covered Person is involved in an accident or suffers a sudden, unforeseen illness requiring emergency medical services during the Period of Coverage, while traveling outside of his/her home country, and adequate medical facilities are not available, the Administrator will coordinate and pay for a medically-supervised evacuation, up to the Maximum Limit shown in the Schedule of Benefits, to the nearest appropriate medical facility. This medically-supervised evacuation will be to the nearest medical facility only if the facility is capable of providing adequate care. The evacuation will only be performed if adequate care is not available locally and the Injury or Sickness requires immediate emergency medical treatment, without which there would be a significant risk of death or serious impairment. The determination of whether a medical condition constitutes an emergency and whether area facilities are capable of providing adequate medical care shall be made by physicians designated by the Administrator after consultation with the attending physician on the Covered Person's medical conditions. The decision of these designated physicians shall be conclusive in determining the need for medical evacuation services. Transportation shall not be considered medically necessary if the physician designated by the Administrator determines that the Covered Person can continue his/her trip or can use the original transportation arrangements that he/she purchased.

We will pay Reasonable Charges for escort services if the Covered Person is a minor or if the Covered Person is disabled during a trip and an escort is recommended in writing by the attending Physician and approved by the Insurer.

As part of a medical evacuation, Our Administrator shall also make all necessary arrangements for ground transportation to and from the hospital, as well as pre-admission arrangements, where possible, at the receiving hospital.

If following stabilization, when medically necessary and subject to the Administrator's prior approval, the Insurer will pay for a medically supervised return to the Covered Person's permanent residence or, if appropriate, to a health care facility nearer to their permanent residence or for one-way economy airfare to the Covered Person's point of origin, if necessary.

Transportation due to Felonious Assault: If You are the victim of a Felonious Assault during Your Period of Coverage and You no longer can complete Your trip or program, subject to verification by the Administrator, We will pay for You to return home from Your current location outside of the United States. Felonious Assault is an act of violence against You. Your return home will be via the most direct and economical means possible, less any refundable return ticket fees available to You.

Post Departure Trip Interruption: If, due to a covered Illness or Injury, which is so disabling as to cause a reasonable person to determine that they cannot continue their trip or if an academic program, cannot continue Your program, We will pay for Your return home from Your current location outside of the United States. Your return home will be via the most direct and economical means possible, less any refundable return ticket fees available to You.

Return of Dependent Children: If the Covered Person has minor children who are left unattended as a result of your injury, illness or medical evacuation, We or Our designee will arrange and pay for the cost of economy class one-way airfares for the transportation of such minor children to Your Home Country or Country of Assignment.

The combined benefit for all necessary Emergency Medical Evacuation services is listed in the Schedule of Benefits.

No more than one Emergency Medical Evacuation and/or repatriation is allowed for any single medical condition of a Covered Member during the Period of Coverage.

All services under this benefit must be approved and coordinated by Administrator designated physicians.

With respect to this provision only, the following is in lieu of the Certificate's Extension of Benefits provision: No benefits are payable for Covered Expenses incurred after the date the Covered Person's insurance under the Certificate terminates. However, if on the date of termination the Covered Person is Hospital Confined, then coverage under this benefit provision continues until the earlier of the date the Hospital Confinement ends or the end of the 31st day after the date of termination.

EMERGENCY FAMILY TRAVEL ARRANGEMENTS

If We determine that You are expected to require hospitalization in excess of 3 days at the location to which You are to be evacuated, an economy round-trip airfare will be provided to the place of hospitalization for an individual chosen by You. If Your Dependent Child is evacuated, one economy round-trip airfare will be provided to a parent or legal guardian regardless of the number of days that the Dependent child is hospitalized.

If We determine that You are expected to require hospitalization due to an Injury or Sickness for more than 3 days or are in critical condition while traveling outside of Your Home country, the Insurer will pay up to the maximum benefit as listed above for the cost of one economy round-trip air fare ticket to, and the hotel accommodations in, the location of Your hospital confinement for one person designated by You. Payment for meals, ground transportation and other incidentals are the responsibility of the family member or friend.

With respect to any one trip, this benefit is payable only once for that trip, regardless of the number of Covered Persons on that trip. The determination of whether the Covered Member will be hospitalized for more than 3 days or is in critical condition shall be made by the Administrator after consultation with the attending physician. No more than one (1) visit may be made during any Period of Coverage. No benefits are payable unless the trip is approved in advance by the Plan Administrator.

REPATRIATION OF MORTAL REMAINS BENEFIT

If a Covered Person dies while covered under this Policy, We will pay the necessary expenses actually incurred, up to the Maximum Limit shown in the Schedule of Benefits, for the preparation of the body for burial, or the cremation, and for the transportation of the remains to the Covered Person's Home Country. This benefit covers the legal minimum requirements for the transportation of the remains. It does not include the transportation of anyone accompanying the body, urns, caskets, coffins, visitation, burial or funeral expenses. Any expense for repatriation of remains requires approval in advance by Us or Our designee.

No benefit is payable if the death occurs after the Termination Date of the Policy. We will not pay any claims under this provision unless the expense has been approved by the Administrator before the body is prepared for transportation.
