Price: \$18.00**

**Cordless Headset (HDSETC):  
Price: \$185.00**

Cordless headset and charging stand.

**Shoretel IP420 Two-Line Desk Phone  
Price: \$117.18**

The Shoretel IP420 delivers features in a two line configuration. This phone has a lower speed data switch connection (10/100)

Features: Transfer, Conference, Hold, Redial (history), Voicemail, High contrast display

**No unauthorized equipment may be connected to the university telecommunications system.**

**Shoretel IP485G Eight-Line Desk Phone (485G)**

**Price: 265.98**

An eight-line phone with a crisp 480 x 272 pixels backlit color display offers an expanded directory with unlimited alphanumeric lookup with sort by first or last names. The redial / history key provides unlimited filter by first / last names and alphanumeric lookup. These features and the built-in visual voice mail application make this phone ideal for the advanced professional. Also includes six feature keys, five soft keys, a full-duplex speakerphone and integrated headset jack and a 10/100/1000 Ethernet switch for Gigabit speed.

Features: Transfer, Conference, Hold, History, Voicemail, Directory

**Shoretel IP655 Teleconference Desk Set (655)**

**Price: 464.38**

ShoreTel's conference room telephone, the IP655 provides 12-line appearances with a large backlit touch color display. Advanced microphone technology delivers superb speakerphone capability for offices and small and midsize conference rooms when used with the optional extension microphone accessories.

Features: Call History, Redial, Voicemail, Options/Applications, Directory

**Optional external microphones (2) \$100.00**

**Shoretel 24-Button Add on Box**  
**Price: \$216.38**

The ShoreTel IPBB24 programmable button box provides operators and assistants with at-a-glance presence information and fast, one-button feature access. The 24 buttons can be customized to suit the needs of different users. Self-labeling keys eliminate paper labels, saving time while ensuring the accuracy of configuration. The only IP-based device on the market, the BB24 includes an Ethernet switch and provides PoE power forwarding for one downstream device. Up to four devices can be associated with an IP Phone.

**Single Line Desk Set (2500D):**  
**Price: \$30.00**

Single line desk phone.

**Single Line Wall Phone (2500W):**  
**Price: \$30.00**

Single line wall phone.

**Panic Button (PANIC):**  
**Price: \$5.00/month + \$75 installation/button**

Panic Buttons in close proximity to each other **cannot** be grouped together. Each button must have separate installation and will require a \$75 installation charge.

**No unauthorized equipment may be connected to the university telecommunications system.**
