

Neyda V. Gilman

Curriculum Vitae

Binghamton University Libraries

Binghamton, NY 13902

ngilman@binghamton.edu

ORCID: orcid.org/0000-0003-0447-1443

Education

02/2013

Master of Library Science

University at Buffalo, Buffalo, NY

05/2006

Bachelor of Science, Medical Laboratory Science

University of Utah, Salt Lake City, UT

Professional Experience

Binghamton University Libraries, Binghamton, NY

Associate Librarian

Acting Sr. Director for Outreach, Engagement & Collections;

03/14/2024 – 09/18/2024

- Serve as first level administrative supervisor for ten library faculty
- Represent the Outreach, Engagement & Collections (OEC) unit

Assistant-Head of Sustainability and STEM Engagement;

06/2021 – Present

- Provide leadership for sustainability and STEM related projects that support and promote teaching and research and engage with the campus community
- Co-founded and co-manage the Sustainability Hub; Manage the Sustainability Hub budget
- Serve as first level administrative supervisor for three library faculty

Librarian for the Environmental Studies Department

10/2022 – Present

Librarian for Decker College of Nursing and Health Sciences (originally School of Nursing) & School of Pharmacy and Pharmaceutical Sciences

11/2016 – Present

- Assess, develop, and manage the relevant collections, subject guides, and general resources
- Established the collections, including electronic resources, for the newly created School of Pharmacy and Pharmaceutical Sciences (SOPPS), Masters of Public Health, and Occupational Therapy, Speech Language Pathology, and Physical Therapy departments.
- Provide individual research consultations by appointment and drop-in on two campuses, as well as by chat, email, and the phone
- Develop and provide specialized research and information literacy instruction sessions to undergraduate, graduate, and PhD students
- Provide research assistance to faculty and students, including developing and running systematic and scoping review searches, using a variety of databases and online resources
- Served as interim liaison to the department of Biological Sciences from July 2017 – June 2018

Colorado State University Libraries, Fort Collins, CO

Assistant Professor

09/2014 – 11/2016

Librarian for College of Agriculture and Department of Biochemistry & Molecular Biology

- Developed, led, and assisted with information literacy instruction sessions to undergraduate and graduate students; Created, updated, and maintained library guides using the LibGuides platform
- Provided face-to-face consultations and reference sessions by appointment and for drop-ins, as well as via phone, email, and chat
- Maintained the physical and electronic collection through Demand Driven Acquisition, development funds, and weeding and cut projects
- Found and chaired the Library Sustainability Committee

Syracuse University Libraries, Syracuse, NY

Resident Librarian

06/2013 – 08/2014

Learning Commons Librarian

- Provided research and reference assistance in the libraries, as well as the Life Sciences building, by phone, email, chat, and text
- Created subject guides for general and specific audiences including Consumer Health, and various science course guides
- Developed and taught undergraduate and graduate level information literacy sessions
- Assisted the Interim Head of Collections with Public Health and Wellness collection development
- Co-chaired the committee in charge of the Human Library event, an event where human “books” are “checked-out” in order to challenge prejudices and misunderstanding through communication
- Acted as member of Citations Team and as one of two point-people for questions regarding EndNote, a citation management program
- Assisted in the creation and execution of library displays, events, and outreach

University at Buffalo Libraries, Buffalo, NY

LIS Instructor Assistant (part-time)

02/2013 – 06/2013

- Organized and analyzed the responses to a survey of graduates from the University at Buffalo Master of Library and Information Studies program in order for the data to be reviewed by a task force
- Evaluated the Protégé ontology editor and the accompanying tutorials to determine if it was acceptable for use in a UB LIS taxonomy course

Health Sciences Library Graduate Reference Assistant (part-time)

01/2012 – 01/2013

- Provided research and reference assistance in person, by phone, email, chat, and text
- Assisted librarians with curriculum-integrated classes and led “No Experience EndNote” workshops for students, staff, and faculty
- Created a “Medicinal & Edible Plants” exhibit and supplementary web materials
- Assisted in the History of Medicine Collection with displays and collection development, wrote the Gift Book Policy, updated a health information guidebook, and created and maintained a wiki of free health related mobile apps

Researcher (part-time)

03/2012 – 01/2013

- Worked with School of Medicine and Biomedical Sciences faculty to research funding, general information, and potential speakers, guests, and partners for a workshop on creativity in science
- Researched the eagle-i network, a science resource discovery tool, for potential involvement by researchers at the University at Buffalo and cataloged example resources using eagle-i ontologies

Previous Employment

(2009 – 2011) Medical Technologist, Bassett Medical Center, Cooperstown, NY

(2008 – 2009) Medical Technologist, MolecularMD, Portland, OR

(2006 – 2008) Senior Medical Technologist, ARUP, Salt Lake City, UT

Online Guides

In addition to the subject specific library guides I created and manage, below are a couple specialized guides.

The Equitable Sustainability Literacy Guide: A Resource Guide for Environmental Justice & Activism. I was a project lead with Jennifer K. Embree overseeing three students. Grant funded project through the 2021 Carnegie Whitney Grant. <https://sites.google.com/binghamton.edu/eslg>

The Anti-Racism Research & Resource Guide. I was one of seven librarians to initially create, specifically being over the *Healthcare* and *Covid-19* pages. <https://libraryguides.binghamton.edu/antiracism/healthcare>

Presentations & Posters

International

Gilman, Neyda V. (2024, January 5). AACP Delegation and University of Havana meeting, Chair of morning session; Delegation representative from December 31, 2023 - January 6, 2024. Havana, Cuba

Gilman, Neyda V., and Jennifer Embree (2022, March 15-19). *The Library as a Sustainability Hub: Using Partnerships to Build a Sustainability Infrastructure on Campus* [Poster presentation]. International Congress of Medical Librarianship (ICML) and Association for Health Information and Libraries in Africa (AHILA) 2022 Congress, Online.

National

Gilman, Neyda V., Andrea Grassi, Manuel Martinex, Katrina Ortega, Sarah Rhodes, and Megan Zimmerman (2023, February 2). *Creating space and advocating for sustainability at your library* [Webinar]. American Library Association Sustainability Round Table, Online.

Brzozowski, Bonnie S., Betsy Evans, Neyda V. Gilman, Megan L. Zimmerman, and Julia E. Kress (2023, January 28). *Talking Climate: Resilient Communities Grantees Share their Stories* [Conference panel]. 2023 The Library Learning Experience (LLX), New Orleans, LA.

Embree, Jennifer, and Neyda V. Gilman (2021, October 12-14). *"Who's the Contact Person for That?": Creating Sustainability Hubs for More Effective Connection* [Conference presentation]. 2021 Global Conference on Sustainability in Higher Education (GCSHE), The Association for the Advancement of Sustainability in Higher Education (AASHE), Online.

Embree, Jennifer, and Neyda V. Gilman (2021, October 12-14). *Libraries and Information Centers as Sustainability Partners, Energizers, and Leaders* [Conference session]. 2021 Global Conference on Sustainability in Higher Education (GCSHE), The Association for the Advancement of Sustainability in Higher Education (AASHE), Online.

Huber, Aleshia, Jennifer Embree, and Neyda V. Gilman (2021, May). *Citizen Science Engagement in the Virtual Environment: Exploring the Rewards and Challenges of Hosting Science-related Wikipedia Edit-a-thons Online* [Poster presentation]. CitSci21, Citizen Science Association, Online.
<https://citizenscience.org/home/events/conferences/citscivirtual/>

Embree, Jennifer, and Neyda V. Gilman (2020, Oct 7-9). *Finding the Right Metrics: Creating a Workshop Series that Engages Researchers with Bibliometrics, Altmetrics, and Online Research Profiles* [Poster presentation]. 2020 Bibliometrics and Research Assessment Symposium, National Institutes of Health Library, Online. <https://www.nihlibrary.nih.gov/services/bibliometrics/bibSymp20>
