

Binghamton University
Louis Stokes Alliance for Minority Participation (LSAMP)
Summer Research Internship Program
Tuesday, May 31, 2016 – Sunday, July 24, 2016

FAQs

What is the LSAMP Summer Research Internship Program?

The LSAMP Summer Research Internship Program is a 8 week **paid** summer internship here at Binghamton University, during which you will work as a Research Assistant on a faculty-designed research project, at least 30 hours a week.

How many LSAMP Summer Research Internship positions are available?

There are 10 LSAMP Summer Research Internship positions available.

Who can apply to the LSAMP Summer Research Internship Program?

Any one who qualifies for LSAMP can apply to the LSAMP Summer Research Internship Program.

What are the qualifications for LSAMP?

To qualify for LSAMP you are/have:

- Pursuing a bachelor's degree in Science, Technology, Engineering, and/or Math (STEM).
- Interested in pursuing a graduate degree in Science, Technology, Engineering, and/or Math (STEM).
- A U.S. Citizen or a Permanent Resident.

LSAMP is funded to increase the number of underrepresented minorities (African-American, Latino, Native American, Alaskan Native, Hawaiian Native, and Native Pacific Islander) who pursue careers in science, technology, engineering and mathematics.

How do I apply to the LSAMP Summer Research Internship Program?

Complete the [LSAMP Summer Research Internship Application](#) online. If you are not currently an LSAMP student you will also need to complete the [LSAMP Application](#) online as well.

What is the application deadline?

LSAMP has rolling admissions and accepts applications year round. However, the Summer Research Internship has an early consideration application deadline of **Tuesday, March 15, 2016**, after that date applications will be accepted until all internship positions are filled.
