**CHAMBER MUSIC**
Qualified students may be placed in a variety of chamber music ensembles (trios, quartets, quintets, etc.) and receive faculty coaching and University credit. Rehearsals are arranged with a faculty coach.

**FACILITIES**

**CONCERTS AND CONCERT HALLS**
The department presents 80 to 100 concerts yearly, including solo, chamber and ensemble offerings by students, faculty and guest artists. Most of these events take place in the Anderson Center Concert Theater (1,200 seats), the Chamber Hall (475 seats), Casadesus Recital Hall (225 seats), and Fine Arts Room 21 (80 seats); many concerts are free for students.

**PRACTICE ROOMS**
Practice rooms equipped with Steinway pianos are located on the basement and first floor levels of the Fine Arts building. Most of these rooms are kept locked and are for use by any student who is receiving studio lessons and/or has been identified by a music faculty member as eligible for a key. A $20 non-refundable yearly fee for the use of practice rooms is due at the time a key is assigned by the music department secretary (FA 165). Checks are to be made payable to Binghamton University. (Six practice rooms remain open for use by all other university students.)

**INSTRUMENT LOCKERS**
Instrument lockers are available to music students only. Students must stop by FA 165, present campus I.D., and receive a locker for the semester. Students must provide a combination lock. There is no fee for instrument lockers.

**INSTRUMENT RENTALS**
A limited number of university instruments are available for rental to members of ensemble or studio programs. Students take responsibility for maintaining the instrument and pay a $10 annual fee for its use.

Auditions are required for admission to any of the performance activities listed below, and are open to all students regardless of major. Auditions take place during the first week of each term; they are informal and, while competitive in some cases, are meant to include as many students as possible.

Registration for all performance (MUSP) courses takes place during the second week of classes in FA 161. Pre-registration is not possible for MUSP courses.

AUDITION REQUIREMENTS

Information on auditions is posted in the Fine Arts building, opposite room 165; students are urged to sign up for an audition time as soon as possible. Students are informed about their placement into major ensembles and acceptance for studio lessons and/or chamber music prior to the second week of classes.

Auditions are held in FA 24 the first Monday evening of the semester.

The Music Department offers Bachelor of Arts and Bachelor of Music Programs as well as a music minor. The B.A. is primarily a liberal arts degree and requires 44 credits in music theory and history, as well as participation in studio lessons and performance. The B. Mus. is more performance-oriented and requires 86 credits of theory, history, studio lessons, performance, and two recitals.

Students who wish to become Bachelor of Arts majors or music minors must consult with Prof. Schleuse, the Undergraduate Director (FA 174), or email him at schleuse@binghamton.edu. You may also come to the Music Department office (FA 165) for further information.

Students interested in the B. Mus. degree should begin the theory sequence and consult with their studio instructors early in the freshman year. An audition, required for entry into the curriculum, normally takes place at the end of the freshman year.

For those who may major or minor in music, registration for the initial theory courses in the music major sequence is strongly advised; the prerequisite is the ability to read music in both treble and bass clefs and to sing in tune.

MUS 215 Theory I 4 cr.
MUS 216 Musician 1 cr.

Please note that MUS 215 and 216 must be taken concurrently. (Theory I is a prerequisite for all other courses in Music Theory, Music History and Ethnomusicology.)

Students who wish to receive advanced placement in music theory may take a placement examination (which includes both written work and dictation) at the beginning of the term. Check the bulletin board opposite FA 165 for details.

A limited number of scholarships ($500-$1200) are awarded through audition to entering freshmen Music majors. Interested students who have declared a major in Music should complete the application available at http://www.binghamton.edu/music/undergrad-forms.html and bring it to their audition during the first week of classes. Auditions for those selected as finalists will be held on Saturday, September 12, 2009.

The University Symphony Orchestra is a full symphonic ensemble composed of music majors, minors and dedicated non-majors. The 2009-10 season features the USO in performance with the world-famous Paul Taylor Dance Company; a December concert gala with BU faculty soloists; student winners of the Orchestra’s Concerto & Aria Competition; and a Spring Finale concert.
