SUBJECT: ENHANCE YOUR RETIREMENT INCOME IN 2023 – VOLUNTARY SAVINGS PLANS

The State University of New York (“SUNY”) provides employees with the opportunity to save additional monies for their retirement through the SUNY Voluntary Savings Plans. Participation in the SUNY Voluntary Savings Plan is a great way to build your retirement savings through pre-tax (Traditional) and/or post-tax (Roth) payroll deduction contributions.

Whether you wish to enroll in the plan for the first time, or you are already enrolled, but wish to change the amount of your deferral, you can accomplish your goal through the SUNY Retirement at Work online enrollment and management system at www.retirementatwork.org/suny.

ELIGIBILITY
All SUNY employees who receive compensation reportable on an IRS Form W-2 are eligible to participate in the plan. Please take a moment to review the plan materials at www.suny.edu/benefits/vsp/ before enrolling. Once you have enrolled via www.retirementatwork.org/suny, you will be able to review your account information and change the amount of your 403(b) contributions as often as once per pay period through this same system. Note the exact date your investment allocations will take effect may vary depending upon the policies of the Investment Provider management the investment option you choose for plan contributions.

In addition to the SUNY 403(b) plans offering both pre-tax (Traditional) and post-tax (Roth), the NYS Deferred Compensation Plan (NYSDCP – 457) also provides a way for you to contribute to a retirement account on both a pre-tax (Traditional) and post-tax (Roth) basis through payroll deduction.

HUMAN RESOURCES STRONGLY ENCOURAGES YOU TO TAKE ADVANTAGE OF THESE SAVINGS PLANS ALONG WITH THE FREE ONE-ON-ONE COUNSELING PROVIDED BY EACH OF THE VENDORS. SEE CONTACT INFORMATION BELOW TO SCHEDULE AN APPOINTMENT.

HOW MUCH CAN I CONTRIBUTE?
  • For 2023, you may contribute up to $22,500 per year.
  • If you are age 50 or older anytime in 2023 you can contribute an additional $7,500 to your tax-deferred
    account, for a maximum of $30,000.

Each participant only gets one limit for contributions to all 403(b) and one limit for all 457 plans, so if you are also
a participant in a 403(b) or 457 plan of another employer, your combined contributions to that plan and to the
SUNY Tax-Deferred Annuity Plan in 2022 are generally limited to $20,500. If you do participate in more than one
403(b) or 457 plan, you are responsible for tracking and reporting the amount of all of your contributions to the
plans so that the total amount of all your contributions to all plans does not exceed your limit in 2023.

SUNY employees are able to maximize contributions to both the SUNY Tax-Deferred Savings Plans 403(b)
and the NYS Deferred Compensation 457 Plan concurrently.

IMPORTANT UPDATE: If you elect to contribute a flat dollar amount that exceeds the amount available in
your NET pay, a partial deduction will be made equal to the amount of net pay available. This will result in
a $0 net pay check.

WHAT DO I NEED TO DO?

IF YOU ARE NEWLY ENROLLING in a New York State Deferred Compensation Plan, you will need to contact
NYSDCP directly.

If you are newly enrolling in a 403(b) plan or if you wish to make a change to your existing 403b account, you can
do so by using the SUNY Retirement at Work online enrollment & management system at
www.retirementatwork.org/suny. For assistance with the enrollment process, contact the SUNY Retirement at
Work customer service team at 866-271-0960 or contact Employee Benefits.

IF YOU ARE CURRENTLY ENROLLED and wish to contribute the SAME BI-WEEKLY amount in 2023, no action on
your part is necessary unless you are currently contributing additional monies under the Age 50 rule outlined
above. Please check your pay stub to be sure your current bi-weekly contribution (for 403(b) deductions
with any investment providers with whom you are investing) multiplied by the number of remaining pay
periods in the plan year does not exceed the allowable limit.

**PLEASE BE MINDFUL THAT ESPECIALLY IF YOU MADE A CHANGE MID-YEAR, YOU WILL NEED TO
MAKE SURE THAT YOUR CURRENT BIWEEKLY AMOUNT MULTIPLIED BY 26 IS THE CORRECT
ANNUAL AMOUNT YOU WANT DEFERRED FOR 2023. **

Employees who do not have computer access may contact the SUNY Retirement at Work customer service line at
866-271-0960. They will assist with establishing your user information. You will then need to set up a 403b
account directly with the applicable chosen vendor as listed above.

Please contact Employee Benefits if you have questions: Ext. 7-6950, Ext. 7-6618 or Ext. 7-2042.
