East Gym Renovation

The $13.5 million project accomplished the following:

- A renovated and expanded Fit Space (to 10,000 square-feet)
- Three renovated multipurpose rooms for group fitness classes and club practices
- Two renovated classrooms
- A new, dedicated wellness services suite
- Renovated and relocated locker rooms
- Renovated Outdoor Pursuits rental center
- Improvements to the court area including a state-of-the-art gym floor
- Consolidated administrative offices
- Upgrades to central mechanical systems (HVAC, mechanical, electrical, plumbing, etc.)
