University Union Renovations
University Union Renovations

- This project involved renovations and additions to the north portion of the University Union and the food service area of UU West
  - UU north project added 9,000 square feet and houses several key student services such as the Center for Career and Professional Development, the Center for Civic Engagement, the Tutoring Center, the Educational Opportunity Program and TRiO
  - MarketPlace (former food court) project added 4,700 square feet and houses 12 food venues, convenience store with pre-packaged food and drinks, seating for more than 600 people, two lounge areas
  - Construction began in August, 2012 and was completed in January 2014
