

A DAY IN THE LIFE OF A UROGYNECOLOGIST

DR. MICHAEL H. HEIT '84

FRIDAY, APRIL 8
3:30 PM | LECTURE HALL 9

Are you interested in a career in medicine?

Dr. Michael H. Heit '84, will discuss his path from Binghamton, through medical school to his current career as an OBGYN specializing in urogynecology and reconstructive pelvis surgery.

The Physician Alumni Lecture Series, *A Day in the Life*, gives students the opportunity to hear from alumni physicians representing a vast array of specialties. A question and answer session will follow the talk.

Alumnus Dr. Michael H. Heit, MD, PhD, FACOG, FACS graduated from Binghamton University in 1984 with a B.S. degree in biochemistry. He earned his medical degree from Saint Louis University School of Medicine and completed his fellowship training at Rush Presbyterian St. Luke's Medical Center in Chicago. He has a Masters of Science in Public Health and PhD in Epidemiology and Clinical Research from the University of Louisville. Dr. Heit is the Fellowship Director for Female Pelvic Medicine and Reconstructive Surgery and a clinical associate professor in the department of Obstetrics and Gynecology at Indiana University School of Medicine.
