

PRE-HEALTH PROFESSIONS SCHOLARSHIPS

Scholarships for current Juniors who will be Seniors in the next Academic Year.

Dr. Thomas C. '61 and Beverly Adler Brown '78 Scholarship:

Awarded to a full time seniors in Harpur College planning to apply to one of the following health professions (medicine, dentistry, optometry, podiatry, physical therapy, occupational therapy, or physician's assistant) for fall admission immediately after graduation. Eligibility: You must have a strong academic record and demonstrated financial need as verified by the Financial Aid and Student Records Office. Participation in athletics is also a consideration.

Dr. Dominick A. and Susan G. Artuso Scholarships:

Awarded to full time seniors in Harpur College planning to apply to medical school for fall admission immediately after graduation. Eligibility: You must have a gpa of 3.2 or higher and have demonstrated financial need as verified by the Financial Aid and Student Records Office. Preference will be given to those students whose academic record, extracurricular activities and demonstrated commitment to pre-medical studies make them most likely to be accepted to medical school. Several scholarships are awarded annually, which usually cover a significant amount of the recipient's expenses for senior year.

Beth F. ('78) and Dr. Anthony J. ('77) Terrana Pre-Dental Scholarship:

Awarded to a full time seniors in Harpur College planning to apply to dental school for fall admission immediately after graduation. Eligibility: You must have a strong academic record and demonstrated financial need as verified by the Financial Aid and Student Records Office. Two scholarships are typically awarded, which usually cover a significant amount of the recipient's expenses for senior year.

The Lawrence and Rita Davis Pre-Dental Scholarship:

Awarded to a full time senior in Harpur College planning to apply to dental school for fall admission immediately after graduation. Eligibility: You must have a gpa of 2.9 or higher and demonstrated financial need as verified by the Financial Aid and Student Records Office. Preference will be given to students with a record of community service, part time employment to support their education, or who are residents of the local area.

Scholarships for current Sophomores who will be Juniors in the next Academic Year

Edward Thorsen Memorial Scholarship:

Awarded to a junior in Harpur College planning to apply for fall admission to medical school immediately after graduation. Eligibility: You must have a gpa of 3.77 or higher. (Renewable)
