We have eight peer advisors this semester!

Read more about their experiences and how they can best assist you below.

Alberto Torres

Psychology Peer Advisor

Hi! I'm Alberto, a senior psychology major. I'm a research assistant in one of the psychology labs and I would be more than happy to talk about my experience; I can also help with questions about scheduling, different career paths in psychology, the psychology major, and other general concerns.

Angela Li

Integrative Neuroscience Peer Advisor

Hi! My name is Angela Li and I'm a junior majoring in Integrative Neuroscience, minoring in Forensic Health, on the pre-medical track. I am currently working in a research lab specializing in genetics, so if you have any questions about how to get involved with research here on campus feel free to ask. I can also help with any questions about Integrative Neuroscience, Psychology, internships, and general questions about classes here on campus!

Elaine Yu

Psychology Peer Advisor

Hi! I'm Elaine, and I'm a sophomore majoring in Psychology with a Pre-Med concentration and I'm interested in the clinical fields of psychology. I'm happy to help with any questions about class registration, degree planning, research/internships, or any other general questions related to the Psychology or Integrative Neuroscience major so please don't hesitate to reach out!

Hetvi Trivedi

Integrative Neuroscience Peer Advisor

Hi! I'm Hetvi, and I'm a senior majoring in Integrative Neuroscience, minoring in Forensic Health, on the Pre-Medicine track. I am currently working in a research lab that focuses on chronic stress and neuropsychiatric disorders. I am more than happy to guide you to the resources that helped me get into research, and other great resources the university offers. I can also help with questions regarding different pre-health tracks, scheduling concerns for IN and Psychology majors, and any other general help you may need! Please let me know if my office hours do not work for you, and we can arrange something.

Yash Patel

Integrative Neuroscience Peer Advisor

I am a senior majoring in Integrative Neuroscience with a minor in Forensic Sciences. I'm also on the pre-med track. I conduct research on neural substrates that are involved in shaping neuropsychiatric disorders at The Karkhanis Lab.

I'm very excited to help fellow IN and PSYC majors. I provide guidance for scheduling for Integrative Neuroscience, declaring major, leaning how to navigate Degree Works, enrolling in a research lab (both on and off campus), EAP programs, the pre-med journey, and other academic inquiries.

Stephen Lee

Integrative Neuroscience Peer Advisor

Hi! My name is Stephen, and I'm a junior majoring in Integrative Neuroscience on the pre-med track. If you're looking to declare your major as Integrative Neuroscience, have any questions concerning degree planning, course registration, research opportunities, or other general questions, it'd be my pleasure to help you.
