

**Curriculum Vita
Albrecht W. Inhoff**

Aug, 2016

Department of Psychology
State University of New York at Binghamton
Binghamton, New York 13902-6000
Tel: 607-777-3958
email: inhoff@binhamton.edu

16 Wellington Drive
Endicott, New York 13760

Ph.D. in **Cognitive Psychology** (1983)
University of Massachusetts at Amherst (Faculty Mentor: Keith Rayner)

Post-doctoral training in **Cognitive Neuropsychology** at Good Samaritan Hospital
and Medical Center, Portland, Oregon and the University of Oregon (1983-1985;
Sponsor: Michael Posner)

RELEVANT WORK EXPERIENCE:

1995-present Professor, State University of New York

Summer 2016 Mercator Professor (German Science Foundation),
Summer 2015 Universitaet Wuppertal, Germany

Summer 2009 Visiting Professor; Universitaet Potsdam, Germany

Spring 2003 Visiting Professor, Technical University at Aachen, Germany

Spring 1996 Visiting Professor, Technical University at Aachen, Germany

Fall 1995 Visiting Professor, Hangzhou University, China

1990-1995 Associate Professor, State University of New York at Binghamton.

1988-1990 Assistant Professor; Department of Psychology, State University of New York at
Binghamton

1985-1987 Assistant Professor; Department of Psychology, University of New Hampshire

1983-1985 Post Doctoral Research Associate (with Michael Posner); Department of
Neurology; Good Samaritan Hospital and Medical Center; Portland, Oregon

1978-1983 Research Assistant (for Keith Rayner); Department of Psychology; University of
Massachusetts.

RESEARCH INTERESTS:

Perceptual processes during reading
Word recognition
Oculomotor control during reading
Eye-hand, eye-voice coordination
Neurological structures and cognitive processes

TEACHING INTERESTS:

Cognitive Psychology
Cognitive Neuropsychology
Attention & Consciousness
The Psychology of Reading
Psychology in the Visual Arts

EDITORIAL SERVICES:

Associate Editor: Perception & Psychophysics (2001-2003)
Journal of Eye Movement Research (2006-present)

Editorial Boards:

Jan 1989 to Dec 1994: Journal of Experimental Psychology: Learning, Memory, and Cognition.
Jan 2000 to Jan 2001: Perception & Psychophysics.
Jan 2003 to present: Journal of Experimental Psychology: Human Perception and Performance.

Ad hoc reviewer for the following peer-reviewed journals:

American Journal of Psychology; Applied Psycholinguistics; Behavior and Information Technology (BIT); Behavior Research Methods, Instruments, and Cognitive Psychology; Biological Psychology; Brain and Cognition; Brain and Language; British Journal of Experimental Psychology; Canadian Journal of Experimental Psychology; Cognitive Neuropsychology; Cognition; Cognition and Emotion; Consciousness and Cognition; Contemporary Psychology; Brain and Behavioral Science; Cortex; European Journal of Cognitive Psychology; Journal of Anxiety Disorders; Journal of Behavioral Decision Making; Journal of Clinical and Experimental Neuropsychology; Journal of Cognitive Neuroscience; Journal of Experimental Psychology: General; Journal of Experimental Psychology: Human Perception and Performance; Journal of Experimental Psychology: Learning, Memory and Cognition; Journal of Experimental Social Psychology; Journal of Literacy Research; Journal of Memory and Language; Journal of Morphology; Journal of Motor Behavior; Journal of Neurophysiology; Language and Cognitive Processes; Language and Speech; Medical Science Monitor; Memory; Memory & Cognition; Nature (Scientific Reports); Attention, Perception & Psychophysics; Psychological Bulletin; Psychology in the Public Interest; Psychological Research; Psychological Review; Psychological Science; Psychonomic Bulletin & Review; Psychophysiology; Public Library of Science (PLOS ONE); Quarterly Journal of Experimental Psychology (Human); Reading & Writing; Visual Cognition; Vision Research.

Grant agencies:

Member of the National Institute College of CSR (Committee for Scientific Review/NIH) referees, 2010-2012.

Member and Rapporteur of the European Research Council, ERSC, 2010-2013 (the grant agency of the 27 member states of the European Union)

Ad hoc Panel member:

NIH Language and Communication Study Section (LCOM), 2005, 2006

NIH Small Business: Science Education, Reading, Speech and Deafness (BBBP), 2006

NIH Perception and Cognition Study Section (PC), 2005, 2008

Deutsche Forschungsgemeinschaft (German Science Foundation) review panel; Fall 2005, Frankfurt, Germany: National Excellence Initiative on 'Brain, Cognition, and Language'.

Ad-hoc reviews for the following grant agencies: National Science Foundation; Israel Science Foundation (ISF); Bi-national US-Israel Science Foundation; Hong Kong Research Grant Council; Irish Research Council for Science, Engineering, & Technology (IRCSET); The Wellcome Trust (a UK Foundation); Liverhulme Trust (UK), Biotechnology and Biological Sciences Research Council (UK).

Other reviewing:

Eastern Psychological Association; Allyn and Bacon; Prentice Hall; Brooks Cole; Random House; and other publishers.

International Scientific Committee

Scientific Advisory Board; 16th European Conference on Eye Movements; Marseille, France, 2011.

Co-organizer (with Dr. Ralph Radach) of one of two special symposia at the 16th European conference on eye movements. The symposium honors Dr. Alan Kennedy's contribution to eye movement research.

7th International Conference on "The Cognitive Processing of Chinese and other Asian Languages. Hong Kong, December 14-16, 1995.

FELLOWSHIPS and AWARDS:

- | | |
|------|---|
| 2010 | Binghamton University Award for Faculty Excellence in Graduate Student Mentoring. |
| 2004 | State University of New York Chancellor's Award for Excellence in Research and Creative Activity. |
| 2003 | German Science Foundation Fellowship (Deutsche Forschungsgemeinschaft). Euro 65,000. 'Inner speech during reading'. To cover sabbatical salary, travel, and a graduate student assistantship. Technical University at Aachen (Germany). |

- 1996 Spring Semester. German Science Foundation Fellowship (ca. \$50,000.00). 'Parafoveal word processing during reading'. Sabbatical salary at the Technical University at Aachen.
- 1997 Spring Semester. Chinese State Education Commission Fellowship. 'Teaching and learning of cognitive psychology in China'. Hongzhou, China.
- 1983-1984 German Science Foundation Fellow IN 27/1-1; Salary for post-doctoral training and travel. 'Foveal and Parafoveal Cues in Reading'. Award ca. \$40,000.
- 1978-1979 German Academic Exchange Service Fellowship (Deutscher Akademischer Austauschdienst; full fellowship with travel, tuition, and subsistence); ca. \$35,000.
- 1977-78 Fulbright Research Fellowship (including travel, tuition, and subsistence). University of Rochester (to work with Ralph Norman Haber). Award value ca \$30,000.

EXTERNAL GRANTS (awards exceeding \$5,000 are listed):

- 2003-2007 National Institute of Health and Human Development Grant HD043405. "*Overt and Covert Selection during Reading*". Principal Investigator. Award \$418,270.00.
- 2000-2002 National Science Foundation Grant BCS 0002024. "*Use of Sound Codes during Reading*". (Cynthia Connine and Weimin Liu Co-PIs). Award \$154,400.00
- 1998-2001 National Science Foundation Grant SBR-9810169. "*Overt and Covert Selection during Reading*". Principal Investigator. Award \$247,500.00.
- 1994-1997 National Institute of Mental Health Grant MH5038701. "*Oculomotor Control during Reading*". Principal investigator. Award \$182,700.00
- 1990-1992 National Science Foundation Grant BNS-9010067. "*Integration of Text across Interword Saccades in Reading*". Principal Investigator. Award \$120,287.
- 1988-1991 National Institute of Child Health and Human Development Grant HD24796 on "*Manual and Oculomotor Control in Copy Typing*". Principal Investigator. Award \$127,572.
- 1989 National Institute of Health Grant HD26519. Small Instrumentation Program. Principal Investigator. Total award \$7,533.00.

Co-Pi and Grant Sponsorships

- 2008 Mentor: Vermont Genetic Network project "*Eye movements and ERP responses to threatening visual stimuli*". Award ca \$150,000 to Dr. Kevin Fleming at Norwich University.
- 2007 Co-mentor (with Dr. Meredith Coles). Pre-doctoral NIH Fellowship for Casey

Schofield, "Eye movements during face perception in patients with social phobias". This project (under the primary supervision of Dr. Coles) also received the 2007 APA distinguished dissertation award.

CONFERENCE PRESENTATIONS

Invited Addresses:

Keynote speaker at the Conference on the Reading of Chinese as a foreign language 'hanzi renzhi'. Sponsored by the Ministry of Education, Beijing, China, and the University of Mainz, Germany. Mainz, Aug. 2005.

Keynote speaker at the 11th European Conference on methodological issues in eye movement research. Turku, Finland, Aug., 2001

Symposium organizer:

European Conference for Eye Movements (2013). Special Symposium in Honor of George McConkie. Co-organizer: Ralph Radach.

European Conference for Eye Movements (2015). Special Symposium to Remember Keith Rayner. Co-organizer: Simon Liversedge.

Other:

Inhoff, A.W., Radach, R., & Vorstius (Aug, 2016). Parafoveal processing of linguistic information in children and adults. Meeting of the Experimental Psychology Society, Southampton, UK.

Friede, A., Vorstius, C., Inhoff, A.W., & Radach, R. (2015, August). Long range regressive saccades in developing readers. European Conference on Eye Movements, Vienna, Austria.

Gregg, J., Radach, R., & Inhoff, A.W (2015, August). Orthographic similarity and relative frequency influence competition during visual word identification. European Conference on Eye Movements, Vienna, Austria.

Inhoff, A.W. & Gregg, J. (2015, August). Information uptake during reading is effective but not always accurate. European Conference on Eye Movements, Vienna, Austria.

Radach, R., Reilly, R., Vorstius, C., & Inhoff, A.W. (2015, August). Acquisition of information to the left of fixation in reading. European Conference on Eye Movements, Vienna, Austria.

Radach, R., Vorstius, C., & Kregel, V. (2015, July). Parafoveal processing of orthographic and phonological information in reading: A comparison of adult readers and elementary school students. Society for the Scientific Study of Reading, Hapuna Beach, Hawaii.

Inhoff, A.W. & Gregg, J. (2014, November). Misperception of visual words. Meeting of the Psychonomics Society, Long Beach, CA.

Gregg, J. & Inhoff, A.W. (2014, November). Misidentification of orthographic neighbors during oral reading. Meeting of the Psychonomics Society, Long Beach, CA.

Inhoff, A.W., Schofield, C., & Coles, M. (November, 2013). Disengagement attention from emotion-expressing faces. 54th meeting of the Psychonomic Society, Toronto, Canada.

Gregg, J., & Inhoff, A.W. (November, 2013). Eye movements and misidentification of words during reading. 54th meeting of the Psychonomic Society, Toronto, Canada.

Inhoff, A.W., Seymour, B., Laubrock, J., & Cajar, A. (2011, November). Comprehending dialogue: The use of auditory and visual imagery during silent reading. Paper presented at the 52th Meeting of the Psychonomics Society, Seattle, Wa.

Schofield, C.A., Coles, M.E., & Inhoff, W.I. (2011, November). Difficulty disengaging attention in patients with social phobia: Evidence from eye-tracking. In C. Schofield (Chair) "Eye-tracking studies of attentional biases in social anxiety and depression." Symposium to be presented at the annual meeting of the Association for Behavioral and Cognitive Therapies, Toronto, Canada.

Inhoff, A.W., Seymour, B., & Weger, U. The spatial indexing of words. Presented at the 16th European conference on Eye movements (see Vitu, F., Castet, E., & Goffart, L. (Eds.) (2011). Abstracts of the 16th European Conference on Eye Movements, Marseille, 21 - 25 August 2011. *Journal of Eye Movement Research*, 4(3).

Inhoff, A.W., Seymour, B., Fleischer, J., & Fleming, M. (Oct., 2010). Are words spatially indexed during reading. Evidence from eye movement records. KogWis 2010. The 10th Biannual meeting of the German Society for Cognitive Science. Potsdam, Germany.

Schofield, C., Inhoff, A.W., & Coles, M. (2010, March.) Difficulty disengaging attention in patients with social phobia: Eye-tracking research. Anxiety Disorders Association of America, Baltimore, MD.

Inhoff, A.W. & Wang, C.A. (2009, August). Information acquisition after word skipping during reading. 15th European Conference on Eye Movements, Southampton, UK.

Glover, L., Radach, R., Vorstius, C., & Inhoff, A.W. (2009, August). Contextual constraint and N+2 preview benefits in reading. 15th European Conference on Eye Movements. Southampton, UK.

Seymour, B. & Inhoff, A.W. (2009, March). Saccade trajectory deviation in Van der Stigchel and Theeuwes (2007): General inhibition or Inhibition of return? Poster presented at the Eastern Psychological Association, Pittsburgh, PA

Radach, R., Glover, L., & Inhoff, A.W. (2008, July). Limited parallel word processing during reading. Talk presented at the XXIX International Congress of Psychology, Berlin, Germany.

Wang, C.A., Inhoff, A.W., Seymour, B., & Solomon, M. (2008, November). The influence of parafoveal word n-1 visibility on word n+1 recognition during reading. Poster presented at the 49th annual meeting of the Psychonomics Society, Chicago, IL.

Schofield, C.A., Inhoff, A.W. & Coles, M.E. (2008, July). Understanding attentional bias in social anxiety: Eye-tracking research. Presented at the annual conference of the Anxiety disorders Association of America.

Inhoff, A.W., Wang, C.A., Solomon, M., & Seymour, B. (2007, November). Is the processing of successive words strictly serial during reading. Poster presented at the 48th meeting of the Psychonomic Society, Long Beach, CA.

Inhoff, A.W., Solomon, M., Seymour, B. (2007, August). Does saccade targeting determine the acquisition of parafoveal word information. Paper presented at the 14th European Conference on Eye Movements. Potsdam/Berlin, Germany.

Weger, U., Pratt, J., & Inhoff, A.W., (2007, August). The accuracy and function of regressions during reading. Poster presented at the 14th European Conference on Eye Movements. Potsdam/Berlin, Germany.

Wang, J.-A., Tsai, T.-L., Inhoff, A.W., Lee, C.-W., Hung, D.-L., & Tseng, O.I.L. (2007, August). Parafoveal-on-foveal effects in Chinese reading: An eye-movement study. Poster presented at the 14th European Conference on Eye Movements. Potsdam/Berlin, Germany.

Inhoff, A.W., Solomon, M., & Radach, R. (2006, November). Parafoveal information use differs when reading silently and when reading out loud. Poster presented at the 47th meeting of the Psychonomic Society, Houston, TX.

Radach, R., Inhoff, A.W., Glover, L. & Vorstius, C. (2006, November). Task effects on parafoveal processing in continuous reading. Paper presented at the 47th meeting of the Psychonomic Society, Houston, TX.

Inhoff, A.W. & Solomon, M. (July, 2006). Time course of parafoveal information usage in reading. Symposium at the meeting of the Society for the Scientific Study of Reading, Vancouver, Canada.

Inhoff, A.W. Weger, U., Greenberg, S. & Radach, R. (2005, November). Intra-fixation position changes during eye fixations in reading and letter detection. Paper presented at the 46th meeting of the Psychonomic Society, Toronto, Canada.

Wu, C. & Inhoff, A.W. (2005, November). Repetition blindness in Chinese. Poster presented at the 46th meeting of the Psychonomic Society, Toronto, Canada.

Weger, U. & Inhoff, A.W. (2005, August). Individual differences in regressive eye movements. Paper presented at the 13th European Conference on Eye Movements, Bern, Switzerland.

Eiter, B. M. & Inhoff, A.W. (2004, November). The effect of spoken word context on visual word recognition. Poster presented at the 45th meeting of the Psychonomic Society, Minneapolis, Minnesota, USA.

Weger, U.W. & Inhoff, A.W. (2004, November). Semantic inhibition of return. Poster presented at the 45th meeting of the Psychonomic Society, Minneapolis, Minnesota, USA.

Meyer, Eric, C., Lenzenweger, Mark, F., and Inhoff, Albrecht (2004, October). Visual attention, oculomotor performance, and social cognition: A visual scanpath study of schizotypy and social anxiety. Poster presented at the annual meeting of the Society for Research in Psychopathology, Toronto, ON, Canada.

Inhoff, A.W., Weger, U., & Radach, R. (Feb. 2004). Directing regressions during reading. Presented at the L.O.V.E. [Lake Ontario Visionary Establishment] meeting. The 33rd Conference on Perception & Cognition. Niagara Falls, Canada.

Inhoff, A.W., Connine, C., Skelly, M., & Radach, R. (November, 2003). Use of a word's sound code after its identification during reading. Paper presented at the 44th annual meeting of the Psychonomics Society, Vancouver, Canada.

Radach, R., Heller, D., & Inhoff, A.W. (November, 2003). A comparison of silent and oral reading. Poster presented at the 44th annual meeting of the Psychonomics Society, Vancouver, Ca.

 University of North Carolina, Chapel Hill, NC
 University of Oregon, Eugene, OR
 University of Rochester, NY
 University of Texas, Austin, TX

University of Utah, Salt Lake City, UT
University of Wisconsin, Milwaukee, WI
University of Wyoming, Laramie

ADMINISTRATIVE SERVICE:

Department

Department Chair (Fall 2003 to Fall 2006)
Interim Department Chair (Dec. 1999 to July 2000)
Director of Graduate Studies (1996 to Jan 2000)
Cognitive/Experimental Area Coordinator (1989 to 1995 and 2007 to 2010)
Executive Committee of the Psychology Department (2000/01 and 2003-2010)
Chair and member of various faculty search committees
Member of three department chair search committees
Departmental-Future Planning Committee (2011/2012)
Graduate Committee (1996 to Jan 2000 and 2007 to 2010)
Human Research Participants Coordinator (2012/2013)
Merit Committee for faculty (1998; 2008; 2010, 2013)
Merit Committee for Staff Employees (1990)
Undergraduate Committee (2006/7; 2010)

University

Academic Honesty Committee (1996-1997)
All University Personnel Committee (2015)
Biomedical Research Grant Review Committee (1988-1989)
Computer Committee (1988-1990)
Distinguished Dissertation Award Committee (1986)
Distinguished Research Award Committee (1998)
Executive Committee of the Faculty Senate (2000-2002)
Faculty Senate (2009-2010)
Graduate Budget Advisory Committee (1993)
Graduate Studies Program Development (1986)
Grievance Committee (1995-2000)
Human Subjects Review Committee (1985; 2010-2013)
Research Semester Award Committee (1990)
Review of Laboratory Courses in the Natural Sciences (2013)
University Grievance Committee (1997-2000)
University Personnel Committee (2015/2016)
