Please answer the following questions:

PERSONAL GOALS:
Why are you interested in being a research assistant in a lab?
Why are you interested in THIS LAB in particular?

What are your long-term career goals? What careers/jobs are you considering?
What career/jobs are you NOT considering?

Are you applying to other labs at this time? Or, planning on working in more than one lab next year?

Have you worked in other labs? Please list and describe.

INTERESTS:

What are/has been your favorite course at Binghamton and why?

What do you like about psychology?

WORKING STYLE:

How important are deadlines/due dates for helping you complete assignments?

Are you comfortable talking on the phone with people that you don't know?

Are you comfortable being in front of a group?

Please list any time constraints (e.g., other jobs, athletics, course overload)

Will you be able available 8-10 hours/ week?
Will you be available in the evenings?

Thank you for your interest in the Coles lab. We will review your application and may contact you for additional information. Please understand that we only have a limited number of positions available to undergraduates. If you are not selected, you are welcome to seek other research opportunities within the department.

If you have any other questions, please contact us at 777-5006
