

CURRICULUM VITAE

BRANDON E. GIBB, PH.D.

Department of Psychology
Binghamton University (SUNY)
Binghamton, NY 13902-6000
Phone: 607-777-2511
Fax: 607-777-3665
E-mail: bgibb@binghamton.edu
Web site: mood.binghamton.edu

POSITIONS

- | | |
|----------------|---|
| 2000 – 2002 | Predocloral Clinical Practicum, Beck Institute for Cognitive Therapy |
| 2003 – 2009 | Assistant Professor, Department of Psychology, Binghamton University |
| 2003 – Present | Director, Mood Disorders Institute, Binghamton University |
| 2003 – Present | Member, Center for Development and Behavioral Neuroscience, Binghamton University |
| 2009 – 2013 | Associate Professor, Department of Psychology, Binghamton University |
| 2012 – Present | Director of Clinical Training, Department of Psychology, Binghamton University |
| 2013 – Present | Professor, Department of Psychology, Binghamton University |
| 2014 – Present | Director, Center for Affective Science, Binghamton University |

EDUCATION AND TRAINING

- | | |
|------------|---|
| B.A. | Received June 1996, Cum Laude, with High Honors, with Honors in Psychology; Major: Psychology, Minor: Philosophy
University of Georgia, Athens, GA
<u>Major Advisor:</u> Steven R.H. Beach, Ph.D.
Honor's Thesis: <i>Factors influencing risk for suicidal behavior in a college population.</i> |
| M.A. | Received September 2000, Clinical Psychology
Temple University, Philadelphia, PA
<u>Major Advisor:</u> Lauren B. Alloy, Ph.D.
Master's Thesis: <i>Childhood maltreatment and college students' current suicidality: A test of the hopelessness theory.</i> |
| Ph.D. | Received August 2003, Clinical Psychology
Temple University, Philadelphia, PA
<u>Major Advisor:</u> Lauren B. Alloy, Ph.D.
Dissertation: <i>Development of negative attributional styles in fourth and fifth graders.</i> |
| Internship | Completed June 2003
Brown University Clinical Psychology Training Consortium, Providence, RI |

HONORS AND AWARDS

- 1995 Inducted into Psi Chi National Honorary Society in Psychology
- 1996 Inducted into Phi Beta Kappa Academic Honorary Society
- 1996 Inducted into Phi Kappa Phi Academic Honorary Society
- 2001 Dissertation Research Award, American Psychological Association
- 2001 Thomas F. Shipley Dissertation Prize, Temple University
- 2001 Dissertation Travel Award, Temple University
- 2005 Selected to participate in the Rochester Summer Institute in Suicide Prevention
- 2011 Selected to participate in the ERP Boot Camp at the University of California Davis Center for Mind and Brain
- 2013 Chancellor's Award for Excellence in Scholarship and Creative Activities, State University of New York
- 2016 Annual meeting Senior Research Award from the American Academy of Child and Adolescent Psychiatry
- 2016 Attended a 2-day investigator meeting at NIMH to discuss the current status and future of RDoC

GRANT SUPPORT

- 2001-2002 Principal Investigator: "Development of Negative Attributional Styles"
National Institute of Mental Health, F31 MH64301
Total costs: \$15,236
- 2002-2003 Principal Investigator: "Biopsychosocial Factors Associated with Depression and Suicide in Adult Psychiatric Inpatients"
Brown University Clinical Psychology Training Consortium, Internship Research Grant
Total costs: \$500
- 2004 Principal Investigator: "Cognitive Vulnerability-Stress Models of Depression"
Center for Developmental Psychobiology, Binghamton University, Pilot Grant
Total costs: \$4,500
- 2005-2007 Principal Investigator: "Mechanisms of Risk in Children of Depressed Mothers"
National Institute of Child Health and Human Development, R03 HD048664
Total costs: \$148,732
- 2009-2015 Principal Investigator: "Pathways to Depression in Children of Depressed Mothers"
National Institute of Child Health and Human Development, R01 HD057066
Total costs: \$2,061,875
- 2012 Principal Investigator: "Electrophysiological Indices of Biased Attention in Children of Depressed Mothers" (Administrative supplement to R01 HD057066)
National Institute of Child Health and Human Development, 3 R01 HD057066-03S1
Total costs: \$89,882

GRANT SUPPORT (cont.)

- 2012-2017 Principal Investigator: “Children’s Attentional Biases: A Key Component of Negative Valence Systems”
National Institute of Mental Health, R01 MH098060-01
Total costs: \$2,945,834
- 2014 Principal Investigator: Administrative supplement to R01 MH098060-01 (banking of data from parent project in RDoC-db)
National Institute of Mental Health, 3 R01 MH098060-03-S1
Total costs: \$88,183
- 2014-2015 Co-Investigator: “A Machine Learning-Based Approach for Optimizing the Discovery of Brain-Based Risk Markers for Psychiatric Illness” (PI: Miskovic)
Binghamton University Interdisciplinary Collaborative Grant
Total costs: \$20,000
- 2015-2016 Co-Investigator: “Neural Predictors of Cognitive Behavioral Signs of Mood Dysregulation” (PI: Hirshfeld-Becker)
Harvard Catalyst Grant
Total costs: \$72,092
- 2015-2017 Principal Investigator: Administrative supplement to R01 MH098060-01
National Institute of Mental Health, 3 R01 MH098060-04-S1
Total costs: \$108,500
- 2015-2017 Co-Investigator: “The Impact of Anxiety on Neurobehavioral Correlates of Conditioned Fear Generalization” (PI: Miskovic)
National Institute of Mental Health, 1 R03 MH105716
Total costs: \$141,800

GRANTS – CONSULTANT / MENTOR

- 2010-2012 Sponsor: “Risk for Adolescent Depression: Gender Differences and Contagion in Peer Networks” (PI: Stone)
National Institute of Mental Health, F31 MH093019
- 2010-2012 Consultant: “Genetic, Cognitive, and Interpersonal Vulnerabilities to Depression in Youth” (PI: Young)
National Institute of Mental Health, R01 MH077178
- 2012-2014 Co-Sponsor: “DPADY: Developmental Pathways from Anxiety to Depression in Youth” (PI: Cohen [Rutgers University])
National Institute of Mental Health, F31 MH096430
- 2012-2014 Consultant: “Biased Attention to Emotional Faces as an Endophenotype for Depression in Youth” (PI: Jenness [University of Denver])
National Institute of Mental Health, F31 MH097367

PROFESSIONAL MEMBERSHIPS

American Association of Suicidology
Anxiety and Depression Association of America
Association for Psychological Science
Society of Biological Psychiatry
Society for Psychophysiological Research
Society for Research in Child Development
Society for a Science of Clinical Psychology (APA Division 12, Section 3)

PROFESSIONAL SERVICE

2009, 2010	Program Committee, Association for Behavioral and Cognitive Therapy
2010	Program Committee, World Congress of Behavioral and Cognitive Therapy
2012	Division 12 Program Co-Chair, American Psychological Association convention (organized 84 hours of programming for the 2012 convention)
2014-Present	Scientific Council, Anxiety and Depression Association of America
2014-Present	Reviewer of submissions to annual Anxiety and Depression Association of America conference

GRANT REVIEWS

2004, 2005, 2013	Ad hoc member, Child Psychopathology and Developmental Disabilities (CPDD) Study Section, National Institutes of Health
2006, 2008	Ontario Mental Health Foundation
2007	Israel Science Foundation
2009	Canada Foundation for Innovation
2011	Neurological Foundation of New Zealand
2012	KU Leuven (Belgium)
2012	Psychosocial Development, Risk, and Prevention (PDRP) Study Section, National Institutes of Health
2012	Netherlands Organisation for Scientific Research, Division of Social Sciences
2014	Ad hoc member, Fellowships: Risk, Prevention and Health Behavior (F16-L) Study Section, National Institutes of Health
2014	Ad hoc member, Biobehavioral and Behavioral Sciences Subcommittee (CHHD-H) Study Section, National Institutes of Health
2014-Present	Member, Child Psychopathology and Developmental Disabilities (CPDD) Study Section, National Institute of Health

EDITORIAL POSITIONS

- Editorial Board *Clinical Psychological Science*, 2016-Present
Development and Psychopathology, 2016-Present
Journal of Abnormal Psychology, 2011-Present
Journal of Clinical Child and Adolescent Psychology, 2008-Present
International Journal of Cognitive Therapy, 2008-2015
Journal of Social and Clinical Psychology, 2007-2015
Cognitive Therapy and Research, 2005-2015
Journal of Cognitive Psychotherapy, 2004-2008
- Action Editor *Journal of Abnormal Psychology*, 2015-2016 (one manuscript)
- Guest Editor *International Journal of Cognitive Therapy*, 2008
Co-Edited Special Issue on “Cognitive vulnerability to depression in children and adolescents” with John R.Z. Abela, Ph.D.
- Ad hoc reviewer *Note: journals listed are those for which I regularly review and am not on the editorial board
Biological Psychiatry, Cognition and Emotion, Emotion, Genes Brain and Behavior, Journal of Abnormal Child Psychology, Journal of Consulting and Clinical Psychology

UNIVERSITY AND DEPARTMENTAL SERVICE

- 2004-2008 Co-organizer of University National Depression Screening Day, University
2004-5, 2006-7 Undergraduate Committee, Psychology Department
2005-6, 2007-12 Resource Committee, Psychology Department
2005, 2007 Hiring Plan Subcommittee, Psychology Department
2005, 2012 Reviewer for University Graduate Student Excellence Awards, University
2006-2008 Colloquium Committee, Psychology Department
2006-2007 Cognitive Area Faculty Search Committee, Psychology Department
2007-2011 Coordinator, Graduate Admissions, Clinical Area
2007-2015 Coordinator, Second Year Project Presentations, Clinical Area
2008-2011 Coordinator, Human Subject Pool, Psychology Department
2009-2012 Graduate Council, University
2012 Binghamton University Representative for a Congressional staff briefing in Washington, DC hosted by the Science Coalition
2012-Present Director of Clinical Training, Clinical Area
2012-2013 Co-Chair, Human Neuroscience Faculty Search Committee, Psychology Dept.
2013 Binghamton University Representative for a meeting for the SUNY Brain Network of Excellence
2013-2014 Member, Behavioral Neuroscience Faculty Search Committee, Psychology Department
2014-2016 Member, Faculty Senate, Binghamton University
2015-2016 Chair, Clinic Coordinator/Visiting Assistant Professor Search Committee, Psychology Department

8. Wheeler, R., **Gibb, B.E.**, Alloy, L.B., & Abramson, L.Y. (1999, November). *The relation between levels of emotional, physical, and sexual abuse and subclinical personality disorders*. Poster presented at the annual meeting of the Association for Advancement of Behavior Therapy, Toronto, Canada.
9. **Gibb, B.E.**, Alloy, L.B., Abramson, L.Y., Rose, D.T., Whitehouse, W.G., Donovan, P., Hogan, M.E., Cronholm, J., & Tierney, S. (2000, November). *History of childhood maltreatment, depressogenic cognitive style, and episodes of depression in adulthood*. In L.B. Alloy (Chair) *Developmental Antecedents of Vulnerability to Depression*. Symposium conducted at the annual meeting of the Society for Research in Psychopathology, Boulder, CO.

PRESENTATIONS (cont.)

10. Floyd, T., **Gibb, B.E.**, Zhu, L., Alloy, L.B., Akhavan, S., & Schmehl, M. (2000, November). *An experimental test of the hopelessness theory of depression*. Poster presented at the annual meeting of the Association for Advancement of Behavior Therapy, New Orleans, LA.
11. **Gibb, B.E.**, Alloy, L.B., Abramson, L.Y., Rose, D.T., Whitehouse, W.G., & Hogan, M.E. (2000, November). *A test of the hopelessness model of suicide risk*. In J. G. Johnson (Chair) Recent Investigations of Predictions of the Hopelessness Theory of Depression. Symposium conducted at the annual meeting of the Association for Advancement of Behavior Therapy, New Orleans, LA.
12. **Gibb, B.E.**, Alloy, L.B., Marx, B.P., & Abramson, L.Y. (2000, November). *Childhood maltreatment, event-specific cognitions, and negative cognitive styles*. Poster presented at the annual meeting of the Association for Advancement of Behavior Therapy, New Orleans, LA.
13. **Gibb, B.E.**, Coles, M.E., & Heimberg, R.G. (2000, November). *Differentiating symptoms of social anxiety and depression in clients with primary social phobia*. Poster presented at the annual meeting of the Association for Advancement of Behavior Therapy, New Orleans, LA.
14. **Gibb, B.E.** (2001, July). *Childhood maltreatment and depressotypic cognitive styles: A meta-analytic review*. Poster presented at the meeting of the World Congress of Behavioral and Cognitive Therapies, Vancouver, British Columbia, Canada.
15. **Gibb, B.E.**, Alloy, L.B., & Abramson, L.Y. (2001, July). *Childhood maltreatment, depressotypic cognitions, and depressive symptoms*. Poster presented at the meeting of the World Congress of Behavioral and Cognitive Therapies, Vancouver, British Columbia, Canada.
16. **Gibb, B.E.** (2001, November). *Development of negative cognitive styles: The role of negative events in childhood*. Chair of symposium conducted at the annual meeting of the Association for Advancement of Behavior Therapy, Philadelphia, PA.
17. **Gibb, B.E.**, Alloy, L.B., Abramson, L.Y., & Marx, B.P. (2001, November). *Childhood maltreatment and maltreatment-specific inferences: A test of Rose and Abramson's (1992) extension of the hopelessness theory*. In B.E. Gibb (Chair) Development of Negative Cognitive Styles: The Role of Negative Events in Childhood. Symposium conducted at the annual meeting of the Association for Advancement of Behavior Therapy, Philadelphia, PA.
18. **Gibb, B.E.**, Abramson, L.Y., & Alloy, L.B. (2001, November). *Emotional, physical, and sexual maltreatment and cognitive vulnerability to depression: The influence of maltreatment by non-relatives*. Poster presented at the annual meeting of the Association for Advancement of Behavior Therapy, Philadelphia, PA.
19. **Gibb, B.E.**, Butler, A.C., & Beck, J.S. (2001, November). *Childhood abuse, depression, and anxiety in adult outpatients*. Poster presented at the annual meeting of the Association for Advancement of Behavior Therapy, Philadelphia, PA.

PRESENTATIONS (cont.)

20. Steinberg, J.A., **Gibb, B.E.**, Alloy, L.B., & Abramson, L.Y. (2001, November). *Cognitive risk as a mediator of the relationship between childhood emotional maltreatment and information processing*. Poster presented at the annual meeting of the Association for Advancement of Behavior Therapy, Philadelphia, PA.
21. **Gibb, B.E.** (2002, November). *Prospective evaluations of the cognitive vulnerability-stress theories of depression*. Chair of symposium conducted at the annual meeting of the Association for Advancement of Behavior Therapy, Reno, NV.
22. **Gibb, B.E.**, Alloy, L.B., & Abramson, L.Y. (2002, November). *Temporal relations between life events and depressive symptoms among individuals at high and low cognitive risk for depression*. In B.E. Gibb (Chair) *Prospective Evaluations of the Cognitive Vulnerability-Stress Theories of Depression*. Symposium conducted at the annual meeting of the Association for Advancement of Behavior Therapy, Reno, NV.
23. **Gibb, B.E.**, Alloy, L.B., Villari, A.G., Comer, J.S., Chang, G.H., & Walshaw, P.D. (2002, November). *Emotional maltreatment and attributional styles in children*. Poster presented at the annual meeting of the Association for Advancement of Behavior Therapy, Reno, NV.
24. Walshaw, P.D., Villari, A.G., **Gibb, B.E.**, & Alloy, L.B. (2002, November). *Children's attributions and depressive symptoms as related to parent's attributions for their children's events*. Poster presented at the annual meeting of the Society for Research in Psychopathology, San Francisco, CA.
25. Andover, M.S., Pepper, C.M., **Gibb, B.E.**, & Lynn, S.J. (2003, November). *Multiple functions of self-mutilation*. Poster presented at the annual meeting of the Association for Advancement of Behavior Therapy, Boston, MA.
26. Andover, M.S., **Gibb, B.E.**, Pepper, C.M., & Orrico, E.G. (2004, November). *Self-mutilation, hostility, and impulsivity in college students*. Poster presented at the annual meeting of the Association for Advancement of Behavior Therapy, New Orleans, LA.
27. Andover, M.S., **Gibb, B.E.**, Pepper, C.M., Ryabchenko, K., & Orrico, E.G. (2004, November). *Self-mutilation, depression, and anxiety in a college sample*. Poster presented at the annual meeting of the Association for Advancement of Behavior Therapy, New Orleans, LA.
28. Andover, M.S., Pepper, C.M., Orrico, E.G., & **Gibb, B.E.** (2004, November). *Self-mutilation and coping styles in a college sample*. Poster presented at the annual meeting of the Association for Advancement of Behavior Therapy, New Orleans, LA.
29. Andover, M.S., Pepper, C.M., Orrico, E.G., & **Gibb, B.E.** (2004, November). *Suicidal intent and self-mutilation in college students*. Poster presented at the annual meeting of the Association for Advancement of Behavior Therapy, New Orleans, LA.

PRESENTATIONS (cont.)

30. **Gibb, B.E.**, & Alloy, L.B. (2004, November). *Negative attributional styles: Mediator or moderator of stress in the development of children's depressive symptoms*. In M.J. Prinstein, J.R.Z. Abela, & B.L. Hankin (Chairs) Towards an Integration of Cognitive and Interpersonal Theories of Depression: A Developmental Psychopathology Perspective. Symposium conducted at the annual meeting of the Association for Advancement of Behavior Therapy, New Orleans, LA.
31. **Gibb, B.E.**, Andover, M., Orrico, E., & Beach, S.R.H. (2004, November). *Suicidal ideation and attitudes toward suicide*. Poster presented at the annual meeting of the Association for Advancement of Behavior Therapy, New Orleans, LA.
32. **Gibb, B.E.**, Beevers, C.G., Andover, M.S., Holleran, K., Keene, S., & Orrico, E. (2004, November). *Cognitive vulnerability-stress models of depression: Inferential styles and attentional biases*. In J.R.Z. Abela & B.L. Hankin (Chairs) Methodological advances in the study of cognitive vulnerability to depression. Symposium conducted at the annual meeting of the Association for Advancement of Behavior Therapy, New Orleans, LA.
33. **Gibb, B.E.**, Chelminski, I., & Zimmerman, M. (2004, November). *Childhood emotional, physical, and sexual abuse and diagnoses of depressive and anxiety disorders in adult psychiatric outpatients*. In B.L. Hankin & J.R.Z. Abela (Chairs) Depression and Anxiety: Issues of Specificity and Comorbidity. Symposium conducted at the annual meeting of the Association for Advancement of Behavior Therapy, New Orleans, LA.
34. **Gibb, B.E.**, Hankin, B.L., Alloy, L.B., Abramson, L.Y., Butler, A.C., Beck, J.S., & Beck, A.T. (2004, November). *A taxometric analysis of hopelessness depression*. Poster presented at the annual meeting of the Association for Advancement of Behavior Therapy, New Orleans, LA.
35. Holleran, K.M., & **Gibb, B.E.** (2005, March). *The interaction of shyness, social support, and loneliness as a vulnerability to depression*. Poster presented at the annual meeting of the Eastern Psychological Association, Boston, MA.
36. Andover, M.S., & **Gibb, B.E.** (2005, November). *Suicide attempts and self-mutilation among adult psychiatric inpatients*. In B. Gibb (Chair) History of suicide attempts: Are multiple attempters a distinct patient population? Symposium conducted at the annual meeting of the Association of Behavioral and Cognitive Therapies, Washington, DC.
37. Andover, M.S., & **Gibb, B.E.** (2005, November). *Suicide attempts and self-mutilation in psychiatric inpatients*. Poster presented at the annual meeting of the Association of Behavioral and Cognitive Therapies, Washington, DC.
38. Benas, J.S., & **Gibb, B.E.** (2005, November). *Weight-related teasing, cognitions, and symptoms of eating disorders and depression*. Poster presented at the annual meeting of the Association of Behavioral and Cognitive Therapies, Washington, DC.

PRESENTATIONS (cont.)

39. *Benas, J.S., Crossett, S.E., Uhrlass, D.J., & Gibb, B.E.* (2005, November). *Emotional maltreatment and verbal victimization in childhood: Relation to adults' depressive cognitions and symptoms*. Poster presented at the annual meeting of the Association of Behavioral and Cognitive Therapies, Washington, DC.
40. *Crossett, S.E., & Gibb, B.E.* (2005, November). *Emotional maltreatment and the development of hopelessness in childhood*. Poster presented at the annual meeting of the Association of Behavioral and Cognitive Therapies, Washington, DC.
41. **Gibb, B.E.** (2005, November). *History of suicide attempts: Are multiple attempters a distinct patient population?* Chair of symposium conducted at the annual meeting of the Association of Behavioral and Cognitive Therapies, Washington, DC.
42. **Gibb, B.E., Andover, M.S., & Miller, I.W.** (2005, November). *Individuals with multiple previous suicide attempts: Taxonic evidence of a distinct patient population*. In B. Gibb (Chair) *History of suicide attempts: Are multiple attempters a distinct patient population?* Symposium conducted at the annual meeting of the Association of Behavioral and Cognitive Therapies, Washington, DC.
43. **Gibb, B.E., McGeary, J., Beevers, C.G., & Miller, I.W.** (2005, November). *Polymorphism in the serotonin transporter gene moderates the link between inpatients' reports of childhood abuse and their histories of suicide attempts*. Poster presented at the annual meeting of the Association of Behavioral and Cognitive Therapies, Washington, DC.
44. **Gibb, B.E., Uhrlass, D.J., & Benas, J.S.** (2005, November). *Attentional biases and inferential styles: Mediator vs. moderator of the relation between childhood emotional abuse and depressive symptoms*. Poster presented at the annual meeting of the Association of Behavioral and Cognitive Therapies, Washington, DC.
45. *Holleran, K., Gibb, B.E., & Coles, M.E.* (2005, November). *Social anxiety and social support: Quality vs. quantity of social contact*. Poster presented at the annual meeting of the Association of Behavioral and Cognitive Therapies, Washington, DC.
46. *Uhrlass, D.J., & Gibb, B.E.* (2005, November). *Childhood emotional abuse and the stress generation model of depression*. Poster presented at the annual meeting of the Association of Behavioral and Cognitive Therapies, Washington, DC.
47. *Uhrlass, D.J., & Gibb, B.E.* (2005, November). *Self-perceived competence and specific vulnerability to depressive symptoms*. Poster presented at the annual meeting of the Association of Behavioral and Cognitive Therapies, Washington, DC.
48. *Andover, M.S., & Gibb, B.E.* (2006, November). *Lethality of suicide attempts in psychiatric inpatients with a history of self-mutilation*. Poster presented at the annual meeting of the Association of Behavioral and Cognitive Therapies, Chicago, IL.

PRESENTATIONS (cont.)

49. *Benas, J.S., & Gibb, B.E.* (2006, November). *Peer victimization and depressive symptoms: The role of body dissatisfaction and self-esteem.* Poster presented at the annual meeting of the Association of Behavioral and Cognitive Therapies, Chicago, IL.
50. *Benas, J.S., & Gibb, B.E.* (2006, November). *Perceived weight, body dissatisfaction, and depressive symptoms.* Poster presented at the annual meeting of the Association of Behavioral and Cognitive Therapies, Chicago, IL.
51. *Crossett, S.E., Benas, J.S., Goldberg, A., & Gibb, B.E.* (2006, November). *Maternal criticism and peer victimization.* Poster presented at the annual meeting of the Association of Behavioral and Cognitive Therapies, Chicago, IL.
52. *Crossett, S.E., & Gibb, B.E.* (2006, November). *Relational victimization and depressive symptoms in young adults.* Poster presented at the annual meeting of the Association of Behavioral and Cognitive Therapies, Chicago, IL.
53. **Gibb, B.E.** (2006, November). *Mechanisms of risk in the intergenerational transmission of depression.* Chair of symposium conducted at the annual meeting of the Association for Behavioral and Cognitive Therapies, Chicago, IL.
54. **Gibb, B.E.,** Schofield, C.A., & Coles, M.E. (2006, November). *History of childhood abuse and interpretation biases for facial displays of emotion.* Poster presented at the annual meeting of the Association of Behavioral and Cognitive Therapies, Chicago, IL.
55. **Gibb, B.E.,** Uhrlass, D.J., & Benas, J.S. (2006, November). *Mechanisms of risk in children of depressed mothers.* In B.E. Gibb (Chair) Mechanisms of risk in the intergenerational transmission of depression. Symposium conducted at the annual meeting of the Association of Behavioral and Cognitive Therapies, Chicago, IL.
56. *Grassia, M., & Gibb, B.E.* (2006, November). *A prospective test of rumination as a moderator of the link between negative events and depressive symptoms.* Poster presented at the annual meeting of the Association of Behavioral and Cognitive Therapies, Chicago, IL.
57. *Grassia, M., Tygert, E., Mizuno, M., & Gibb, B.E.* (2006, November). *Brooding-rumination and suicidality among undergraduates and inpatients.* Poster presented at the annual meeting of the Association of Behavioral and Cognitive Therapies, Chicago, IL.
58. Schofield, C.A., Coles, M.E., & **Gibb, B.E.** (2006, November). *Recognition of facial expressions of emotion in social anxiety.* Poster presented at the annual meeting of the Association of Behavioral and Cognitive Therapies, Chicago, IL.
59. *Uhrlass, D.J., & Gibb, B.E.* (2006, November). *Maternal criticism and children's self-perceived competence.* Poster presented at the annual meeting of the Association of Behavioral and Cognitive Therapies, Chicago, IL.

PRESENTATIONS (cont.)

60. *Uhrlass, D.J., & Gibb, B.E.* (2006, November). *Negative life events, self-perceived competence, and changes in depressive symptoms in young adults*. Poster presented at the annual meeting of the Association of Behavioral and Cognitive Therapies, Chicago, IL.
61. *Uhrlass, D.J., Schofield, C.A., Coles, M.E., & Gibb, B.E.* (2006, November). *Self-perceived competence in relation to symptoms of depression versus social anxiety*. Poster presented at the annual meeting of the Association of Behavioral and Cognitive Therapies, Chicago, IL.
62. *Benas, J.S., Uhrlass, D.J., & Gibb, B.E.* (2007, November). *Peer victimization in childhood and young adulthood: Psychometric properties and general considerations*. Poster presented at the annual meeting of the Association of Behavioral and Cognitive Therapies, Philadelphia, PA.
63. *Benas, J.S., Uhrlass, D.J., & Gibb, B.E.* (2007, November). *Weight-related teasing and body dissatisfaction among young adults: A gender-specific model of cognitive vulnerability to depression*. In D.J. Uhrlass & J.S. Benas (Chairs) *Prospective studies of cognitive-vulnerability to depression: Gender specificity among children, adolescents, and adults*. Symposium conducted at the annual meeting of the Association for Behavioral and Cognitive Therapies, Philadelphia, PA.
64. *Crossett, S.E., & Gibb, B.E.* (2007, November). *Children's externalizing symptoms and prospective changes in peer relations*. Poster presented at the annual meeting of the Association of Behavioral and Cognitive Therapies, Philadelphia, PA.
65. *Crossett, S.E., & Gibb, B.E.* (2007, November). *Children's symptoms and prospective changes in mothers' depressive symptoms*. In D.J. Uhrlass & J.S. Benas (Chairs) *Prospective studies of cognitive-vulnerability to depression: Gender specificity among children, adolescents, and adults*. Symposium conducted at the annual meeting of the Association of Behavioral and Cognitive Therapies, Philadelphia, PA.
66. *Crossett, S.E., & Gibb, B.E.* (2007, November). *Relational victimization in close relationships and young adults' depressive symptoms*. Poster presented at the annual meeting of the Association of Behavioral and Cognitive Therapies, Philadelphia, PA.
67. **Gibb, B.E.**, McGeary, J., & Grassia, M. (2007, November). *Serotonin transporter genotype moderates the link between maternal and child depression*. Poster presented at the annual meeting of the Association for Behavioral and Cognitive Therapies, Philadelphia, PA.
68. **Gibb, B.E.**, Uhrlass, D.J., & Grassia, M. (2007, November). *Hopelessness theory of depression in children: Concurrent and predictive validity of the causes, consequences, and self-characteristics dimensions*. In J.R.Z. Abela & B.L. Hankin (Chairs) *Vulnerability to depression in children and adolescents: Cognitive, interpersonal, emotion regulation, neuropsychological, and life stress perspectives*. Symposium conducted at the annual meeting of the Association for Behavioral and Cognitive Therapies, Philadelphia, PA.

PRESENTATIONS (cont.)

69. Schofield, C.A., Coles, M.E., & **Gibb, B.E.** (2007, November). *Interpretation biases for emotional faces in social anxiety*. In A.R. Ashbaugh (Chair) Understanding social anxiety and its treatment from an information processing perspective. Symposium conducted at the annual meeting of the Association for Behavioral and Cognitive Therapies, Philadelphia, PA.
70. *Uhrlass, D.J., Crossett, S.E., & Gibb, B.E.* (2007, November). *Self-perceived competence and prospective changes in children's depressive symptoms*. In D.J. Uhrlass & J.S. Benas (Chairs) Prospective studies of cognitive-vulnerability to depression: Gender specificity among children, adolescents, and adults. Symposium conducted at the annual meeting of the Association for Behavioral and Cognitive Therapies, Philadelphia, PA.
71. *Uhrlass, D.J., & Gibb, B.E.* (2007, November). *Children's self-perceived competence and prospective changes in depressive symptoms*. Poster presented at the annual meeting of the Association for Behavioral and Cognitive Therapies, Philadelphia, PA.
72. **Gibb, B.E.** (2007, July). Discussant for J.R.Z. Abela (Chair) Vulnerability to depression in adolescents. Symposium conducted at the World Congress of Behavioral and Cognitive Therapies, Barcelona, Spain.
73. **Gibb, B.E., Benas, J.S., Uhrlass, D.J., Crossett, S.E., & Grassia, M.** (2007, July). *Negative inferential styles: Mediator or moderator of stress in the development of children's depressive symptoms*. In J.R.Z. Abela (Chair) Methodological advances in the study of cognitive vulnerability to depression. Symposium conducted at the World Congress of Behavioral and Cognitive Therapies, Barcelona, Spain.
74. Schofield, C.A., Coles, M.E., & **Gibb, B.E.** (2007, July). *The relationship between behavioral inhibition and symptoms of anxiety and depression: Implications for the tripartite model*. Poster presented at the World Congress of Behavioral and Cognitive Therapies, Barcelona, Spain.
75. *Grassia, M., & Gibb, B.E.* (2008, March). *Rumination and suicidal ideation and attempts in children and adolescents*. In R. Miranda (Chair) Social-cognitive risk factors for suicidal ideation and behavior among adolescents and emerging adults. Symposium conducted at the annual meeting of the Society for Research on Adolescence, Chicago, IL.
76. **Gibb, B.E., Benas, J.S., Grassia, M., & McGeary, J.** (2008, May). *Children's attention biases and 5-HTTLPR genotype: Potential mechanisms linking mother and child depression*. In M.A. Reinecke (Chair) New directions for science and practice in cognitive vulnerability to depression among youth. Symposium conducted at the annual meeting of the Association for Psychological Science, Chicago, IL.
77. *Benas, J.S., & Gibb, B.E.* (2008, November). *Childhood teasing and implicit associations*. Poster presented at the annual meeting of the Association of Behavioral and Cognitive Therapies, Orlando, FL.
78. *Benas, J.S., & Gibb, B.E.* (2008, November). *Cognitive biases in depression and eating disorders*. Poster presented at the annual meeting of the Association of Behavioral and Cognitive Therapies, Orlando, FL.

PRESENTATIONS (cont.)

79. **Gibb, B.E.** (2008, November). *Development of cognitive vulnerability to depression in children and adolescents*. Chair of symposium conducted at the annual meeting of the Association for Behavioral and Cognitive Therapies, Orlando, FL.
80. **Gibb, B.E.** (2008, November). *Recent advances in research examining depressive information-processing biases*. Chair of symposium conducted at the annual meeting of the Association for Behavioral and Cognitive Therapies, Orlando, FL.
81. **Gibb, B.E., Benas, J.S., Grassia, M., & McGeary, J.** (2008, November). *Children's attentional biases and 5-HTTLPR genotype: Potential mechanisms linking mother and child depression*. In B.E. Gibb (Chair) Recent advances in research examining depressive information-processing biases. Symposium conducted at the annual meeting of the Association of Behavioral and Cognitive Therapies, Orlando, FL.
82. **Gibb, B.E., Uhrlass, D.J., Benas, J.S., Crossett, S.E., & Grassia, M.** (2008, November). *Maternal depression, expressed emotion-criticism, and prospective changes in children's negative inferential styles*. In B.E. Gibb (Chair) Development of cognitive vulnerability to depression in children and adolescents. Symposium conducted at the annual meeting of the Association of Behavioral and Cognitive Therapies, Orlando, FL.
83. **Grassia, M., & Gibb, B.E.** (2008, November). *Brooding rumination and depression in mothers and their children*. In J.R.Z. Abela (Chair) Rumination as a vulnerability factor to depression in children and adolescents. Symposium conducted at the annual meeting of the Association of Behavioral and Cognitive Therapies, Orlando, FL.
84. **Grassia, M., & Gibb, B.E.** (2008, November). *Specificity of rumination to depressive versus anxiety disorders in mothers and their children*. Poster presented at the annual meeting of the Association of Behavioral and Cognitive Therapies, Orlando, FL.
85. **Jager-Hyman, S.G., Liu, R.T., Wagner, C., Alloy, L.B., Gibb, B.E., & Abramson, L.Y.** (2008, November). *The relation between number of perpetrators of childhood abuse, negative cognitive styles, and adulthood depressive episodes*. Poster presented at the annual meeting of the Association of Behavioral and Cognitive Therapies, Orlando, FL.
86. **Schofield, C.A., Coles, M.E., & Gibb, B.E.** (2008, November). *Understanding vulnerability to internalizing disorders: The role of behavioral inhibition*. Poster presented at the annual meeting of the Association of Behavioral and Cognitive Therapies, Orlando, FL.
87. **Stone, L.B., Uhrlass, D.J., & Gibb, B.E.** (2008, November). *Co-rumination, negative life events, and internalizing symptoms in children*. Poster presented at the annual meeting of the Association of Behavioral and Cognitive Therapies, Orlando, FL.
88. **Stone, L.B., & Gibb, B.E.** (2008, November). *Conceptualizing cognitive vulnerability in the hopelessness theory of depression*. Poster presented at the annual meeting of the Association of Behavioral and Cognitive Therapies, Orlando, FL.

PRESENTATIONS (cont.)

89. Uhrlass, D.J., Stone, L.B., & **Gibb, B.E.** (2008, November). *A prospective test of the cognitive vulnerability-stress model of depression in children: Self-perceived competence and negative peer events*. Poster presented at the annual meeting of the Association of Behavioral and Cognitive Therapies, Orlando, FL.
90. Uhrlass, D.J., Stone, L.B., & **Gibb, B.E.** (2008, November). *Episodes of depression predict changes in children's self-perceived competence*. In B.E. Gibb (Chair) Development of cognitive vulnerability to depression in children and adolescents. Symposium conducted at the annual meeting of the Association of Behavioral and Cognitive Therapies, Orlando, FL.
91. Liu, R. T., Jager-Hyman, S. G., Wagner, C. A., Alloy, L. B., **Gibb, B. E.**, Abramson, L. Y. (2009, March). *The number of perpetrators of childhood sexual abuse and adulthood depressive episodes*. Poster presented at the annual meeting of the American Psychopathological Association, New York, NY.
92. **Gibb, B.E.** (2009, April). *Peer victimization and changes in children's inferential styles*. In A.H. Mezulis (Chair) Predicting cognitive vulnerability to depression in the transition to adolescence: Parenting, peers, and puberty. Symposium conducted at the biennial meeting of the Society for Research in Child Development, Denver, CO.
93. Hankin, B.L., Oppenheimer, C., & **Gibb, B.E.** (2009, April). *Observed parent-child interactions, attentional biases to emotional faces, and depression among adolescents*. In K.M. Quevedo (Chair) Mediators of early adverse social experience's impact on later depression. Symposium conducted at the biennial meeting of the Society for Research in Child Development, Denver, CO.
94. **Gibb, B.E.** (2009, November). *Integrating cognitive and genetic models of depression*. Chair of symposium conducted at the annual meeting of the Association for Behavioral and Cognitive Therapies, New York, NY.
95. **Gibb, B.E.** (2009, November). Discussant for M. Flynn & L.B. Alloy (Chairs) *Towards an integration of cognitive and interpersonal vulnerability to depression*. Symposium conducted at the annual meeting of the Association for Behavioral and Cognitive Therapies, New York, NY.
96. **Gibb, B.E.** (2009, November). Discussant for S.K Black & L.B. Alloy (Chairs) *Understanding and comparing the role of life events in unipolar depression and bipolar disorder*. Symposium conducted at the annual meeting of the Association for Behavioral and Cognitive Therapies, New York, NY.
97. **Gibb, B.E.** (2009, November). *Depression and interpersonal stress generation*. In J.H. Riskind (Chair) Predictors of stress generation: Understanding the roles of anxiety, depression, and cognitive/interpersonal vulnerability. Symposium conducted at the annual meeting of the Association for Behavioral and Cognitive Therapies, New York, NY.

PRESENTATIONS (cont.)

98. **Gibb, B.E.**, Uhrlass, D.J., Grassia, M., Benas, J.S., & McGeary, J. (2009, November). *Children's inferential styles, 5-HTTLPR genotype, and maternal expressed emotion-criticism: An integrated model for the intergenerational transmission of depression*. In B.E. Gibb (Chair) Integrating cognitive and genetic models of depression. Symposium conducted at the annual meeting of the Association for Behavioral and Cognitive Therapies, New York, NY.
99. Grassia, M., & **Gibb, B.E.** (2009, November). *Rumination and the maintenance of depressive symptoms*. Poster presented at the annual meeting of the Association for Behavioral and Cognitive Therapies, New York, NY.
100. Hanley, A.J., & **Gibb, B.E.** (2009, November). *Verbal victimization and prospective changes in hopelessness in elementary school children*. Poster presented at the annual meeting of the Association for Behavioral and Cognitive Therapies, New York, NY.
101. Jager-Hyman, S.G., Liu, R.T., Wagner, C., Grant, D.A., Iacoviello, B., Alloy, L.B., **Gibb, B.E.**, & Abramson, L.Y. (2009, November). *Maltreatment experiences in relation to the onset and course of depression*. In S.K. Black & L.B. Alloy (Chairs) Understanding and comparing the role of life events in unipolar depression and bipolar disorder. Symposium conducted at the annual meeting of the Association for Behavioral and Cognitive Therapies, New York, NY.
102. Johnson, A.L., Benas, J.S., **Gibb, B.E.** (2009, November). *Depressive implicit associations and adults' reports of child abuse*. Poster presented at the annual meeting of the Association of Behavioral and Cognitive Therapies, New York, NY.
103. Mastin, B.M., Liu, R.T., **Gibb, B.E.**, Alloy, L.B., & Abramson, L.Y. (2009, November). *The relation between social support satisfaction, childhood sexual abuse, depression, and suicidal ideation*. Poster presented at the annual meeting of the Association of Behavioral and Cognitive Therapies, New York, NY.
104. Stone, L.B., **Gibb, B.E.**, Alloy, L.B., & Abramson, L.Y. (2009, November). *What factors predict which individuals become suicidal when they feel hopeless?* Poster presented at the annual meeting of the Association of Behavioral and Cognitive Therapies, New York, NY.
105. Amir, N., McGeary, J.E., **Gibb, B.E.**, & Knopik, V.S. (2010, June). *Do genetic influences moderate the effect of attention training in social anxiety?* In B.E. Gibb (Chair) Genetic influences on attentional biases. Symposium to be conducted at the World Congress of Behavioral and Cognitive Therapies, Boston, MA.
106. **Gibb, B.E.** (2010, June). *Genetic influences on attentional biases*. Chair of symposium conducted at the World Congress of Behavioral and Cognitive Therapies, Boston, MA.
107. **Gibb, B.E.** (2010, June). Discussant for R.P. Auerbach (Chair) *Examining stress generation and depression amongst adolescents*. Symposium conducted at the World Congress of Behavioral and Cognitive Therapies, Boston, MA.

PRESENTATIONS (cont.)

108. **Gibb, B.E.**, Johnson, A.L., Benas, J.S., Uhrlass, D.J., & McGeary, J.E. (2010, June). *Children's 5-HTTLPR genotype moderates the link between maternal criticism and attentional biases specifically for facial displays of anger*. In B.E. Gibb (Chair) Genetic influences on attentional biases. Symposium conducted at the World Congress of Behavioral and Cognitive Therapies, Boston, MA.
109. **Gibb, B.E.**, Stone, L.B., & Crossett, S.E. (2010, June). *Overt and relational peer victimization and prospective changes in children's inferential styles*. In J.R.Z. Abela (Chair) Cognition and depression in childhood and early adolescence. Symposium conducted at the World Congress of Behavioral and Cognitive Therapies, Boston, MA.
110. Grassia, M., & **Gibb, B.E.** (2010, June). *Rumination, information-processing biases, and their relation to depressive symptoms*. Poster presented at the World Congress of Behavioral and Cognitive Therapies, Boston, MA.
111. Hankin, B.L., Oppenheimer, C., **Gibb, B.E.**, & Abela, J.R.Z. (2010, June). *Observed parent-child interactions, attentional biases to emotion faces, and depression among children and early adolescents*. In J.R.Z. Abela (Chair) Cognition and depression in childhood and early adolescence. Symposium conducted at the World Congress of Behavioral and Cognitive Therapies, Boston, MA.
112. Hanley, A.J., & **Gibb, B.E.** (2010, June). *Verbal victimization and suicidal ideation in children: A multi-wave prospective study*. Poster presented at the World Congress of Behavioral and Cognitive Therapies, Boston, MA.
113. Johnson, A.L., **Gibb, B.E.**, & McGeary, J.E. (2010, June). *Reports of childhood physical abuse, 5-HTTLPR genotype, and women's attentional biases for angry faces*. In B.E. Gibb (Chair) Genetic influences on attentional biases. Symposium conducted at the World Congress of Behavioral and Cognitive Therapies, Boston, MA.
114. Schatten, H., Andover, M.S., & **Gibb, B.E.** (2010, June). *Borderline personality disorder criteria in psychiatric inpatients with a suicide attempt history: Does engaging in non-suicidal self-injury affect BPD symptom presentation?* Poster presented at the World Congress of Behavioral and Cognitive Therapies, Boston, MA.
115. Beevers, C.G. & **Gibb, B.E.** (2010, November). *Integrating cognitive and genetic models of depression and anxiety*. Co-chairs of symposium conducted at the annual meeting of the Association for Behavioral and Cognitive Therapies, San Francisco, CA.
116. Crossett, S.E., & **Gibb, B.E.** (2010, November). *Interpersonal and cognitive risk factors for postpartum depression*. Poster presented at the annual meeting of the Association for Behavioral and Cognitive Therapies, San Francisco, CA.

PRESENTATIONS (cont.)

117. **Gibb, B.E.**, Grassia, M., Johnson, A.L., Stone, L.B., Hanley, A.J., & McGeary, J.E. (2010, November). *Genetic and environmental influences on attentional biases in children*. In C.G. Beevers & B.E. Gibb (Co-Chairs) Integrating cognitive and genetic models of depression and anxiety. Symposium conducted at the annual meeting of the Association for Behavioral and Cognitive Therapies, San Francisco, CA.
118. **Gibb, B.E.**, Uhrlass, D.J., & Stone, L.B. (2010, November). *Expressed emotion criticism and risk of depression onset in children of depressed mothers*. In J.W. Pettit & D.M. Bagner (Co-Chairs) The impact of parental depression on child behavior: Timing effects, mechanisms, and moderators of risk. Symposium conducted at the annual meeting of the Association for Behavioral and Cognitive Therapies, San Francisco, CA.
119. Hanley, A.J., & **Gibb, B.E.** (2010, November). *Maternal expressed emotion criticism and children's diagnoses of major depression*. Poster presented at the annual meeting of the Association for Behavioral and Cognitive Therapies, San Francisco, CA.
120. Burkhouse, K., **Gibb, B.E.**, & Coles, M.E. (2011, April). *Serotonin transporter genotype moderates the link between overprotective parenting and behavioral inhibition*. Poster to be presented at the meeting of the Society for Research in Child Development, Montreal, Canada.
121. **Gibb, B.E.** (2011, April). *Children's inferential styles, 5-HTTLPR genotype, and maternal criticism in the intergenerational transmission of depression*. In B.L. Hankin (Chair) Special symposium in honor of John R. Z. Abela: Etiology and prevention of childhood depression (Memorial Panel Discussion). Symposium conducted at the meeting of the Society for Research in Child Development, Montreal, Canada.
122. **Gibb, B.E.** (2011, April). *Information-processing biases for facial displays of emotion in depressed, anxious, and at-risk youth*. Chair of symposium conducted at the meeting of the Society for Research in Child Development, Montreal, Canada.
123. **Gibb, B.E.**, Grassia, M., Johnson, A.L., Stone, L.B., & Hanley, A.J. (2011, April). *Maternal depression and children's information-processing biases for facial displays of emotion*. In B.E. Gibb (Chair) Information-processing biases for facial displays of emotion in depressed, anxious, and at-risk youth. Symposium conducted at the meeting of the Society for Research in Child Development, Montreal, Canada.
124. Jenness, J., Hankin, B.L., **Gibb, B.E.**, & Abela, J.R.Z. (2011, April). *Sensitivity to recognize facial displays of emotion and clinical depression among youth*. In B.E. Gibb (Chair) Information-processing biases for facial displays of emotion in depressed, anxious, and at-risk youth. Symposium conducted at the meeting of the Society for Research in Child Development, Montreal, Canada.
125. Johnson, A.L., & **Gibb, B.E.** (2011, April). *Attentional biases in children with major depressive disorder: An eye-tracking study*. In B.E. Gibb (Chair) Information-processing biases for facial displays of emotion in depressed, anxious, and at-risk youth. Symposium conducted at the meeting of the Society for Research in Child Development, Montreal, Canada.

PRESENTATIONS (cont.)

126. Amir, N., McGeary, J.E., **Gibb, B.E.**, & Knopik, V.S. (2011, June). *Moderation of the efficacy of an attention bias modification program for social phobia by aggregate genetic risk in serotonergic genes*. In J.E. McGeary (Chair) Aggregate genetic risk strategies in psychiatric samples: Bridging the gap between costly phenotypes and small genetic effects? Symposium presented at the meeting of the Behavior Genetics Association, Newport, RI.
127. *Burkhouse, K.L., Gibb, B.E., Johnson, A.L., Stone, L.B., Hanley, A.J., Meadows, S.P., & McGeary, J.E.* (2011, June). *An eye-tracking study of attentional biases in children of depressed mothers: Applying an aggregate genetic risk score approach to studying G x E interactions*. In J.E. McGeary (Chair) Aggregate genetic risk strategies in psychiatric samples: Bridging the gap between costly phenotypes and small genetic effects? Symposium conducted at the meeting of the Behavior Genetics Association, Newport, RI.
128. Amir, N., McGeary, J.E., **Gibb, B.E.**, & Knopik, V.S. (2011, November). *Moderation of the efficacy of an attention bias modification program for social phobia by aggregate genetic risk in serotonergic genes*. In B.E. Gibb (Chair) Integrating cognitive and genetic models of psychopathology: Addressing the “missing heritability” problem. Symposium conducted at the annual meeting of the Association for Behavioral and Cognitive Therapies, Toronto, Canada.
129. *Burkhouse, K.L., Gibb, B.E., Siegle, G., & McGeary, J.E.* (2011, November). *Maternal criticism and emotional information processing: The moderating role of serotonergic aggregate genetic risk*. Poster presented at the annual meeting of the Association for Behavioral and Cognitive Therapies, Toronto, Canada.
130. Cohen, J.R., Xie, Z., Ma, D., **Gibb, B.E.**, Hankin, B.L., Zhu, X.Z., Yao, S., & Abela, J.R.Z. (2011). *Negative attachment cognitions in Chinese adolescents: Understanding the vulnerability through distinct developmental processes*. Poster presented at the annual meeting of the Association for Behavioral and Cognitive Therapies, Toronto, Canada.
131. George-Denn, D., McLeod, S., **Gibb, B.E.**, & Coles, M.E. (2011). *Recognition of social phobia by adolescents*. Poster presented at the annual meeting of the Association for Behavioral and Cognitive Therapies, Toronto, Canada.
132. **Gibb, B.E.** (2011, November). *Eye-tracking studies of attention biases in social phobia and depression*. Discussant for symposium conducted at the annual meeting of the Association for Behavioral and Cognitive Therapies, Toronto, Canada.
133. **Gibb, B.E.** (2011, November). *Integrating cognitive and genetic models of psychopathology: Addressing the “missing heritability” problem*. Chair of symposium conducted at the annual meeting of the Association for Behavioral and Cognitive Therapies, Toronto, Canada.
134. **Gibb, B.E., Johnson, A.L., Stone, L.B., Hanley, A.J., Burkhouse, K.L., Meadows, S.P., & McGeary, J.E.** (2011, November). *An eye-tracking study of attentional biases in children of depressed mothers: Applying an aggregate genetic risk score approach to studying G x E interactions*. In B.E. Gibb (Chair) Integrating cognitive and genetic models of psychopathology: Addressing the “missing heritability” problem. Symposium conducted at the annual meeting of the Association for Behavioral and Cognitive Therapies, Toronto, Canada.

PRESENTATIONS (cont.)

135. *Hanley, A. J., & Gibb, B. E.* (November, 2011). *History of nonsuicidal self-injurious behavior and implicit self-injury cognitions*. Poster presented at the annual meeting of the Association for Behavioral and Cognitive Therapies, Toronto, Canada.
136. *Johnson, A.L., & Gibb, B.E.* (2011, November). *Attentional biases and depression*. In C.A. Schofield (Chair), Eye-tracking studies of attentional biases in social phobia and depression. Symposium conducted at the annual meeting of the Association of Behavioral and Cognitive Therapies, Toronto, Canada.
137. *Meadows, S.P., Dashow, E.M., McGeary, J.E., Amir, N., & Gibb, B.E.* (2011, November). *Attentional bias for alcohol cues in moderate to heavy drinkers*. Poster presented at the annual meeting of the Association of Behavioral and Cognitive Therapies, Toronto, Canada.
138. *Stone, L.B., & Gibb, B.E.* (2011, November). *Characteristics of adolescents' social networks: Associations with peer victimization, aggression, and depressive symptoms*. Poster presented at the annual meeting of the Association for Behavioral and Cognitive Therapies, Toronto, Canada.
139. *Stone, L.B., Gibb, B.E., & McGeary, J.E.* (2011, November). *Women's risk for depression: Additional evidence that the serotonin transporter (5-HTTLPR) genotype moderates the impact of childhood abuse*. Poster presented at the annual meeting of the Association for Behavioral and Cognitive Therapies, Toronto, Canada.
140. *Gibb, B.E., Burkhouse, K.L., Hermans, D., & McGeary, J.E.* (2012, April). *An associative learning model for the acquisition of attentional bias to threat: Training effects and genetic moderation*. In C.T. Taylor (Chair) Do you see what I see? Illuminating the neural basis of attentional training effects in anxiety and depression. Symposium to be conducted annual meeting of the Anxiety Disorders Association of America, Arlington, VA.
141. *Gibb, B.E.* (2012, June). *Self-injury in children of depressed mothers*. Invited address given at the annual meeting of the International Society for the Study of Self-Injury, Chapel Hill, NC.
142. *Gibb, B.E.* (2012, September). *Mechanisms of risk in the intergenerational transmission of depression*. Invited address given at the annual Child Depression Consortium, University of Pittsburgh, Pittsburgh, PA.
143. *Gibb, B.E., Pollak, S.D., Van Petten, C., Hajcak, G., Stone, L.B., Hanley, A.J., Burkhouse, K.L., Woody, M.L., Choi, J.Y., Meadows, S.P., & Van Wie, M.* (2012, September). *ERP indices of biased attention in children of depressed mothers*. Poster presented at the annual meeting of the Society for Psychophysiological Research, New Orleans, LA.
144. *Burkhouse, K.L., Gibb, B.E., Siegle, G., & McGeary, J.E.* (2012, September). *Pupillary reactivity to emotional stimuli in children: The role of maternal depression and aggregate genetic influence*. Poster presented at the annual meeting of the Society for Psychophysiological Research, New Orleans, LA.

PRESENTATIONS (cont.)

145. *Woody, M.L., Burkhouse, K.L., & Gibb, B.E.* (2012, September). *Rumination and physiological reactivity to a laboratory-based stressor*. Poster presented at the annual meeting of the Society for Psychophysiological Research, New Orleans, LA.
146. *Stone, L.B., & Gibb, B.E.* (2012, November). *Socialization of depressive symptoms within adolescent social networks: The role of co-rumination*. In C.C. Conway (Chair) Recent advances in peer contagion research: Novel theories and techniques for studying adolescent psychopathology. Symposium conducted at the annual meeting of the Association for Behavioral and Cognitive Therapies, National Harbor, MD.
147. *Burkhouse, K.L., Siegle, G.J., & Gibb, B.E.* (2013, April). *Emotional reactivity in children of depressed and anxious mothers*. In B.E. Gibb (Chair) Biases in cognitive and emotional processing in children of depressed mothers. Symposium to be conducted at the meeting of the Society for Research in Child Development, Seattle, WA.
148. *Burkhouse, K.L., McGeary, J.E., Siegle, G.J., & Gibb, B.E.* (2013, April). *Pubertal, genetic, and environmental influences on emotional processing in youth*. Poster to be presented at the meeting of the Society for Research in Child Development, Seattle, WA.
149. *Cohen, J.R., Hwan, H.J., Young, J.F., Gibb, B.E., Hankin, B.L., & Abela, J.R.Z.* (2013, April). *Genetic, cognitive, and personality vulnerabilities to depression in adolescence and an integrative anxiety-diathesis model*. Paper to be presented at the meeting of the Society for Research in Child Development, Seattle, WA.
150. *Gibb, B.E.* (2013, April). *Biases in cognitive and emotional processing in children of depressed mothers*. Chair of symposium conducted at the meeting of the Society for Research in Child Development, Seattle, WA.
151. *Gibb, B.E., Hanley, A.J., Choi, J.Y., Burkhouse, K.L., Woody, M.L., Meadows, S.P., Van Wie, M., McGeary, J.E., & Knopik, V.S.* (2013, April). *Nonsuicidal self-injury in children of depressed mothers: Moderation by CRHR1 TAT haplotype*. In M. Giletta (Chair) Developmental factors related to non-suicidal self-injury from late childhood to young adulthood. Symposium conducted at the meeting of the Society for Research in Child Development, Seattle, WA.
152. *Gibb, B.E., Stone, L.B., Hanley, A.J., Burkhouse, K.L., Woody, M.L., Choi, J.Y., Meadows, S.P., Van Wie, M., Knopik, V.S., & McGeary, J.E.* (2013, April). *A gene x environment model of risk for attentional biases in children of depressed mothers*. In B.E. Gibb (Chair) Biases in cognitive and emotional processing in children of depressed mothers. Symposium conducted at the meeting of the Society for Research in Child Development, Seattle, WA.
153. *Giletta, M., Prinstein, M.J., Barrocas, A., Gibb, B.E., Abela, J.R.Z., & Hankin, B.L.* (2013, April). *Latent trajectories of adolescent non-suicidal self-injury: Examining the role of peer experiences*. In M. Giletta (Chair) Developmental factors related to non-suicidal self-injury from late childhood to young adulthood. Symposium conducted at the meeting of the Society for Research in Child Development, Seattle, WA.

PRESENTATIONS (cont.)

154. Hanley, A.J., & **Gibb, B.E.** (2013, April). *History of non-suicidal self-injurious behavior and interpersonal chronic stress in youth*. Poster presented at the meeting of the Society for Research in Child Development, Seattle, WA.
155. Meyer, A., Hajcak, G., & **Gibb, B.E.** (2013, April). *Maternal history of depression is related to altered error-related brain activity in youth*. In B.E. Gibb (Chair) Biases in cognitive and emotional processing in children of depressed mothers. Symposium conducted at the meeting of the Society for Research in Child Development, Seattle, WA.
156. Stone, L.B., & **Gibb, B.E.** (2013, April). *Contagion of depressive symptoms within adolescent social networks: The role of co-rumination*. In J. Felton (Chair) Investigations into the causes and consequences of co-rumination: The good, the bad, and the sad. Symposium conducted at the annual meeting of the Society for Research of Child Development, Seattle, WA.
157. **Gibb, B.E.**, Burkhouse, K.L., Hastings, P., & Siegle, G. (2013, October). *Synchronization of neural activity during parent-child interactions*. In G. Siegle (Chair) Extreme EEG: Psychophysiology where and when you'd least expect it. Symposium conducted at the annual meeting of the Society for Psychophysiological Research, Florence, Italy.
158. Burkhouse, K. L., **Gibb, B. E.**, McGeary, J. E., & Knopik, V. (2013, October). (2013, October). *The role of maternal depression and oxytocin receptor gene in youth's emotion recognition abilities*. Poster to be presented at the annual meeting of the World Congress of Psychiatric Genetics, Boston, MA.
159. Kudinova, A.Y., McGeary, J.E., Knopik, V.S., & **Gibb, B.E.** (2013, October). *Aggregate genetic influence moderates the link between women's history of childhood abuse and risk for recurrent depression and suicidal behavior*. Poster to be presented at the annual meeting of the World Congress of Psychiatric Genetics, Boston, MA.
160. Woody, M.L., & **Gibb, B.E.**, & McGeary, J.E. (2013, October). *Physiological mechanisms underlying brooding rumination in women at risk for depression*. Poster to be presented at the annual meeting of the World Congress of Psychiatric Genetics, Boston, MA.
161. Burkhouse, K. L., Siegle, G. J., & **Gibb, B. E.** (2013, November). *Pupillary reactivity to emotional stimuli in youth with suicidal ideation*. Poster presented at the Association for Behavioral and Cognitive Therapies, Nashville, TN.
162. Feurer, E.C., Hammen, C., & **Gibb, B.E.** (2013, November). *Types of interpersonal stress generation in children of depressed mothers*. Poster presented at the annual meeting of the Association for Behavioral and Cognitive Therapies, Nashville, TN.
163. **Gibb, B.E.**, Pollak, S.D., Van Petten, C.V., Hajcak, G., Stone, L.B., Hanley, A.J., Burkhouse, K.L., & Woody, M.L. (2013, November). *ERP indices of biased attention in children of depressed mothers*. In R.P. Auerbach (Chair) Behavioral and neural mechanisms underlying major depression in youth. Symposium conducted at the Association for Behavioral and Cognitive Therapies, Nashville, TN.

PRESENTATIONS (cont.)

164. Stone, L.B., & **Gibb, B.E.** (2013, November). *Interpersonal functioning in adolescents' social networks: The impact of depressive symptoms during the transition to high school.* In J. Shih (Chair) Interpersonal processes and depression: New methodologies and findings. Symposium conducted at the annual meeting of the Association for Behavioral and Cognitive Therapies, Nashville, TN.
165. *Woody, M.L., McGeary, J.E., and Gibb, B.E.* (2013, November). *Brooding rumination and heart rate variability in women at high and low risk for depression: Group differences and moderation by COMT genotype.* Poster presented at the annual meeting of the Association for Behavioral and Cognitive Therapies, Nashville, TN.
166. *Woody, M. & Gibb, B.E.* (2014, March). *Do cognitive vulnerabilities mediate versus moderate the link between mother and child depression?* In J. Hamilton (Chair) The role of cognitive vulnerabilities in adolescent depression. Symposium to be conducted at the annual meeting of the Society for Research on Adolescence, Austin, TX.
167. *Birk, S., Woody, M., Burkhouse, K., Stone, L., & Gibb, B.E.* (2014, March). *Co-rumination and physiological response to an interpersonal stressor.* Poster presented at the annual meeting of the Anxiety and Depression Association of America, Chicago, IL.
168. *Burkhouse, K.L., Owens, M., & Gibb, B.E.* (2014, March). *Neural markers of emotional reactivity in children of depressed mothers.* In B.E. Gibb (Chair) Using multiple levels of analysis to develop a more fine-grained understanding of depression risk: Animal models, genetic influences, physiology, and environmental context. Symposium conducted at the annual meeting of the Anxiety and Depression Association of America, Chicago, IL.
169. **Gibb, B.E.** (2014, March). Discussant. In J.A. Micco (Chair) Family risk factors of cognitive vulnerability to child anxiety and depression. Symposium conducted at the annual meeting of the Anxiety and Depression Association of America, Chicago, IL.
170. **Gibb, B.E.** (2014, March). *Using multiple levels of analysis to develop a more fine-grained understanding of depression risk: Animal models, genetic influences, physiology, and environmental context.* Chair of symposium conducted at the annual meeting of the Anxiety and Depression Association of America, Chicago, IL.
171. **Gibb, B.E., Burkhouse, K.L., Owens, M., Hastings, P., & Siegle, G.** (2014, March). *Synchronization of neural activity during parent-child interactions.* In J.M. Kuckertz (Chair) Aberrant information processes implicated in youth emotional disorders: The role of parental factors. Symposium conducted at the annual meeting of the Anxiety and Depression Association of America, Chicago, IL.
172. *Kudinova, A.Y., Hueston, C., Deak, T., McGeary, J., Knopik, V., & Gibb, B.E.* (2014, March). *Early life stress, cytokines, and depression.* In B.E. Gibb (Chair) Using multiple levels of analysis to develop a more fine-grained understanding of depression risk: Animal models, genetic influences, physiology, and environmental context. Symposium conducted at the annual meeting of the Anxiety and Depression Association of America, Chicago, IL.

PRESENTATIONS (cont.)

173. *Owens, M., Johnson, A.L., McGeary, J.E., Knopik, V.S., & Gibb, B.E. (2014, March). Eye tracking indices of attentional bias in children of depressed mothers: Polygenic influences help to clarify previous mixed findings.* In B.E. Gibb (Chair) Using multiple levels of analysis to develop a more fine-grained understanding of depression risk: Animal models, genetic influences, physiology, and environmental context. Symposium conducted at the annual meeting of the Anxiety and Depression Association of America, Chicago, IL.
174. *Woody, M.L., Gibb, B.E., & McGeary, J.E. (2014, March). Physiological and genetic mechanisms underlying brooding rumination in women at risk for depression.* In B.E. Gibb (Chair) Using multiple levels of analysis to develop a more fine-grained understanding of depression risk: Animal models, genetic influences, physiology, and environmental context. Symposium conducted at the annual meeting of the Anxiety and Depression Association of America, Chicago, IL.
175. **Gibb, B.E., Owens, M., Knopik, V., & McGeary, J.E. (2014, May). Children's attentional biases: A key component of negative valence systems.** In L. Williams (Chair) Dimensions of negative emotional states defined by circuits, genetics, and behavior. Symposium conducted at the annual meeting of the Society for Biological Psychiatry, New York, NY.
176. **Gibb, B.E. (2014, September). Biomarkers of risk in children of depressed mothers.** Chair of symposium conducted at the annual meeting of the Society for Psychophysiological Research, Atlanta, GA.
177. *Burkhouse, K.L., Owens, M., Kudinova, A., & Gibb, B.E. (2014, September). Neural markers of emotional reactivity in children of depressed mothers.* In B.E. Gibb (Chair) Biomarkers of risk in children of depressed mothers. Symposium conducted at the annual meeting of the Society for Psychophysiological Research, Atlanta, GA.
178. **Gibb, B.E., Burkhouse, K.L., Owens, M., Hastings, P., & Siegle, G. (2014, September). Parent and child depression impact EEG alpha level and alpha synchrony during parent-child interactions.** In B.E. Gibb (Chair) Biomarkers of risk in children of depressed mothers. Symposium conducted at the annual meeting of the Society for Psychophysiological Research, Atlanta, GA.
179. **Gibb, B.E., Owens, M., & Burkhouse, K.L. (2014, September). Aversive conditioning to angry facial cues affects neural responses to novel facial stimuli.** In L. O'Toole (Chair) Using EEG/ERP methods to disentangle the impact of novel experimental manipulations on anxiety-related processes. Symposium conducted at the annual meeting of the Society for Psychophysiological Research, Atlanta, GA.
180. *Owens, M., Harrison, A.J., Burkhouse, K.L., McGeary, J.E., Knopik, V.S., Palmer, R.H.C., & Gibb, B.E. (2014, September). Eye-tracking indices of attentional bias in children of depressed mothers: Polygenic influences help to clarify previous mixed findings.* In B.E. Gibb (Chair) Biomarkers of risk in children of depressed mothers. Symposium conducted at the annual meeting of the Society for Psychophysiological Research, Atlanta, GA.

PRESENTATIONS (cont.)

181. **Gibb, B.E.** (2014, October). *Stuff we do and think is neat*. Invited talk given at the UNC-Chapel Hill Neuroscience of Depression conference.
182. *Feurer, C., Hammen, C.L., & Gibb, B.E.* (2014, November). *Chronic stress as a mediator of the relation between mother and child depression: Differentiating between domains of interpersonal stress*. In J. Shih (Chair) Reciprocal impact of stress and depression: Taking a closer look at stress type, stress domain, and stress reactivity. Symposium conducted at the Association for Behavioral and Cognitive Therapies, Philadelphia, PA.
183. **Gibb, B.E.** (2014, November). *The role of children's negative inferential styles in the intergenerational transmission of depression*. In E.M. Kleiman & R.T. Liu (Chairs) The hopelessness theory turns 25: Current status and future directions. Symposium conducted at the annual meeting of the Association for Behavioral and Cognitive Therapies, Philadelphia, PA.
184. **Gibb, B.E., Owens, M., Knopik, V.S., & McGeary, J.E.** (2014, November). *Children's genotype moderates the impact of maternal depression on trajectories of children's attentional biases: An eye-tracking study*. In R.P. Auerbach & J.M. Chango (Chairs) Neural and genetic mechanisms underlying adolescent psychopathology. Symposium conducted at the annual meeting of the Association for Behavioral and Cognitive Therapies, Philadelphia, PA.
185. **Gibb, B.E., Owens, M., & Proudfit, G.H.** (2014, November). *Children's attentional biases and symptoms of depression versus anxiety: Evidence from eye tracking and event-related potentials*. In J.G. Suway (Chair) Psychophysiological biomarkers of anxiety. Symposium conducted at the annual meeting of the Association for Behavioral and Cognitive Therapies, Philadelphia, PA.
186. *Woody, M.L., Burkhouse, K.B., & Gibb, B.E.* (2014, November). *Brooding rumination and physiological response to an interpersonal stressor*. In E. Garcia (Chair) Biosignatures of affective psychopathology: Insights from psychophysiological measures of emotional processing. Symposium presented at the annual meeting of Association for Behavioral and Cognitive Therapies, Philadelphia, PA.
187. *Burkhouse, K.L., Owens, M., & Gibb, B.E.* (2015, March). *Cognitive reappraisal buffers the impact of maternal anxiety on children's neural response to threat relevant stimuli*. In W. de Vente (Chair) Anxiety development during childhood: The role of parental anxiety, emotions, context, and emotion regulation. Symposium conducted at the meeting of the Society for Research in Child Development, Philadelphia, PA.
188. *Burkhouse, K.L., Owens, M., & Gibb, B.E.* (2015, March). *Children's depressive symptoms and neural reactivity to emotional stimuli*. In B.E. Gibb (Chair) RDoC negative valence systems: Neural correlates of the loss and sustained threat constructs. Symposium conducted at the meeting of the Society for Research in Child Development, Philadelphia, PA.
189. *Coles, M.E., Ravid, A., Gibb, B.E., George-Denn, D., & McLeod, S.* (2015, March). *Adolescent health literacy in the U.S.: Young people's knowledge of depression and social anxiety disorder*. Poster presented at the meeting of the Society for Research in Child Development, Philadelphia, PA.

PRESENTATIONS (cont.)

190. *Feurer, C., Burkhouse, K.L., & Gibb, B.E.* (2015, March). *Heart rate variability and diagnoses of depression in adolescents*. Poster presented at the meeting of the Society for Research in Child Development, Philadelphia, PA.
191. **Gibb, B.E.** (2015, March). *RDoC negative valence systems: Neural correlates of the loss and sustained threat constructs*. Chair of symposium conducted at the meeting of the Society for Research in Child Development, Philadelphia, PA.
192. **Gibb, B.E., Owens, M., & Proudfit, G.H.** (2015, March). *Attentional biases to affective stimuli in children: Evidence from eye-tracking and event-related potentials*. In B.E. Gibb (Chair) RDoC negative valence systems: Neural correlates of the loss and sustained threat constructs. Symposium conducted at the meeting of the Society for Research in Child Development, Philadelphia, PA.
193. *Sosoo, E., Burkhouse, K.L., & Gibb, B.E.* (2015, March). *Expressed emotion-criticism and depression: A novel study of youth conducting the five minute speech sample*. Poster presented at the meeting of the Society for Research in Child Development, Philadelphia, PA.
194. *Tsypes, A., & Gibb, B.E.* (2015, March). *Attentional biases to emotional stimuli in children at risk for suicidal behavior*. Poster presented at the meeting of the Society for Research in Child Development, Philadelphia, PA.
195. *Vanhalst, J., Gibb, B.E., & Prinstein, M.* (2015, March). *Lonely adolescents exhibit heightened sensitivity for facial cues of emotion*. Poster presented at the meeting of the Society for Research in Child Development, Philadelphia, PA.
196. *Woody, M.L., Kudinova, A.Y., McGeary, J.E., Knopik, V.S., Palmer, R.H.C., & Gibb, B.E.* (2015, March). *Influence of maternal depression on children's brooding rumination: Moderation by CRHR1 TAT haplotype*. Poster presented at the meeting of the Society for Research in Child Development, Philadelphia, PA.
197. *Tsypes, A., & Gibb, B.E.* (2015, May). *Cognitive risk factors for suicidal thinking in children of depressed mothers: A prospective study*. Poster presented at the meeting of the Association for Psychological Science, New York, NY.
198. *Sosoo, E.E., Burkhouse, K.L. & Gibb, B.E.* (2015, June). *Objective and subjective levels of criticism in parents and youth: The role of depressive symptoms*. Poster presented at the Black Conference in Graduate Psychology, Ann Arbor, MI.
199. *Bress, J.N., Infantolino, Z.P., Jackson, F., Gibb, B.E., & Hajcak, G.* (2015, September). *Neural response to monetary loss differentiates boys at high and low risk for depression*. Poster presented at the meeting of the Society for Psychophysiological Research, Seattle, WA.
200. *Tsypes A., Burkhouse, K.L., & Gibb, B. E.* (2015, October). *Classification of facial expressions of emotion in children with and without a history of maternal depression and suicidal thinking*. Poster presented at the 2015 IASR/AFSP International Summit on Suicide Research, New York, NY.

PRESENTATIONS (cont.)

201. *Tsypes, A., & Gibb, B.E.* (2015, October). *Prospective examination of peer victimization as a mediator of the relation between maternal depression and the onset of suicidal thinking in their children: A sex-moderated mediation model.* In K. Posner (Chair), *Differentiating Types of Suicidal Behavior*. Paper presentation conducted at the IASR/AFSP International Summit on Suicide Research, New York, NY.
202. *Tsypes, A., & Gibb, B.E.* (2015, October). *Prospective examination of peer victimization as a mediator of the relation between maternal depression and the onset of suicidal thinking in their children: A sex-moderated mediation model.* Poster presented at International Summit on Suicide Research, New York, NY.
203. *Burkhouse, K.L., Owens, M., & Gibb, B.E.* (2015, October). *Disrupted neural reactivity to emotional stimuli: State or trait-like marker of adolescent depression?* Poster presented at the annual meeting for the Society for Research in Psychopathology, New Orleans, LA.
204. *Feurer, C., Owens, M., & Gibb, B.E.* (2015, October). *Life stress moderates the impact of attentional biases for emotional stimuli on prospective symptom changes in children.* Poster presented at the annual meeting for the Society for Research in Psychopathology, New Orleans, LA.
205. *Gibb, B.E., & Owens, M.* (2015, October). *Attentional bias and children's symptoms of depression and anxiety: An eye tracking study.* Poster presented at the annual meeting for the Society for Research in Psychopathology, New Orleans, LA.
206. *Kudinova, A.Y., Hueston, C., Deak, T., McGeary, J., Knopik, V., Palmer, R., & Gibb, B.E.* (2015, October). *IL-33 and risk for recurrent MDD: Evidence from peripheral cytokine levels and genetic association.* Poster presented at the annual meeting of the Society of Physiological Research (SPR), New Orleans, LA.
207. *Woody, M.L., Feuerer, C., Sosoo, E., Hastings, P., & Gibb, B.E.* (2015, October). *Physiological synchrony during parent-child interaction: Moderation by parental history of major depressive disorder.* Poster presented at the annual meeting for the Society for Research in Psychopathology, New Orleans, LA.
208. *Hanley, A., & Gibb, B.E.* (2015, November). *Rates of nonsuicidal and suicidal self-injurious behavior in youth: A large community-based study.* Poster presented at the annual meeting of the Association for Behavioral and Cognitive Therapies, Chicago, IL.
209. *Kudinova, A.Y., Burkhouse, K.L., Owens, M., Woody, M.L., & Gibb, B.E.* (2016, March). *Pupillary reactivity to negative stimuli prospectively predicts recurrence of major depressive disorder in women.* Poster to be presented at the annual meeting for the Society of Affective Science, Chicago, IL.

PRESENTATIONS (cont.)

210. *Feurer, C., Burkhouse, K., Siegle, G., & Gibb, B.E.* (2016, April). *Pupil reactivity to angry faces predicts interpersonal stress generation in children of depressed mothers.* Poster presented at the annual meeting of the Anxiety and Depression Association of America, Philadelphia, PA.
211. *James, K., Woody, M., Feuerer, C., & Gibb, B.E.* (2016, April). *Expressed emotion as a moderator of the relation between children's history of suicidal ideation and physiological reactivity during positive and negative parent child interactions.* Poster presented at the annual meeting of the Anxiety and Depression Association of America, Philadelphia, PA.
212. *Owens, M., & Gibb, B.E.* (2016, April). *Brooding rumination independently moderates sustained attention biases to emotion: An eye tracking study.* Poster presented at the annual meeting of the Anxiety and Depression Association of America, Philadelphia, PA.
213. *Rhodes, L.J., Ruiz, A., Rios, M., Nguyen, T., Gibb, B.E., & Miskovic, V.* (2016, April). *Does aversive conditioning retune human visual cortex?* Poster presented at the annual meeting of the Cognitive Neuroscience Society, New York, NY.
214. *Crespo, L.P., Frost, K.H., Dickinson, E.K., Coles, M.E., Gibb, B.E., & Strauss, G.P.* (2016, September). *Emotion regulation across the psychosis continuum.* Poster to be presented at the annual meeting of the Society for Psychopathology Research, Minneapolis, MN.
215. *Levinson, A.R., Gibb, B.E., & Hajcak, G.* (2016, September). *The reward positivity is related to biased classification of emotional faces.* Poster to be presented at the annual meeting of the Society for Psychopathology Research, Minneapolis, MN.
216. *Tsypes, A., Owens, M., Hajcak, G., & Gibb, B.E.* (2016, September). *Neural responses to gains and losses in children of suicide attempters.* Poster presented at the 30th Annual Meeting of the Society for Research in Psychopathology in Baltimore, MD.
217. **Gibb, B.E., Burkhouse, K.L., Owens, M., Hajcak, G., Woody, M.L., Kudinova, A.Y., Tsypes, A., Feuerer, C., Sosoo, E., & Funk, E.** (2016, October). *Aversive conditioning to fearful faces induces emotion-specific attentional biases in children.* In V. Gabbay (Chair) Research Domain Criteria (RDoC) Research Strategies in Pediatric Mental Health. Symposium conducted at the meeting of the American Academy of Child and Adolescent Psychiatry, New York, NY.
218. *Feurer, C., & Gibb, B.E.* (2016, October). *Maternal history of depression moderates the impact of life stress on prospective changes in children's depressive symptoms.* Poster presented at the annual meeting of the Association of Behavioral and Cognitive Therapies, New York, NY.
219. **Gibb, B.E.** (2016, October). *Discussant for A. Tsypes (Chair) Understanding complexity: Using multiple levels of analysis to improve the transdiagnostic understanding and treatment of suicidal thoughts and behaviors across the lifespan.* Symposium presented at the annual meeting of the Association for Behavioral and Cognitive Therapies, New York, NY.

PRESENTATIONS (cont.)

220. **Gibb, B.E.** (2016, October). Discussant for N. Miller (Chair) Attentional biases in children: Developmental trends, relations to psychopathology, and attention bias modification. Symposium presented at the annual meeting of the Association for Behavioral and Cognitive Therapies, New York, NY.
221. *Tsypes, A., Owens, M., Hajcak, G., & Gibb, B.E.* (2016, October). Neural responses to gains and losses in children of suicide attempters. Poster presented at the 50th annual meeting of the Association for Behavioral and Cognitive Therapies in New York, NY.
222. *Tsypes, A., Owens, M., & Gibb, B.E.* (2016, October). *Selective attention towards emotional faces in children with a history of suicidal ideation.* In A. Tsypes (Chair) Understanding complexity: Using multiple levels of analysis to improve the transdiagnostic understanding and treatment of suicidal thoughts and behaviors. Symposium conducted at the 50th annual meeting of the Association for Behavioral and Cognitive Therapies in New York, NY.
223. *James, K., Woody, M.L., Feurer, C., & Gibb, B.E.* (2016, October). *Expressed emotion as a moderator of the relation between children's history of suicidal ideation and physiological reactivity during positive and negative parent-child interactions.* In A. Tsypes (Chair), Understanding complexity: Using multiple levels of analysis to improve the transdiagnostic understanding and treatment of suicidal thoughts and behaviors. Symposium conducted at the 50th annual meeting of the Association for Behavioral and Cognitive Therapies in New York, NY.
224. *Woody, M.L., Miskovic, V., Owens, M., James, K.M., Feurer, C., Sosoo, E.E., & Gibb, B.E.* (2016). *Competition effects in visual cortex between emotional distractors and a primary task in remitted depression.* Poster presented at the annual meeting of the Association for Behavioral and Cognitive Therapies, New York, NY.
225. *Woody, M.L., Burkhouse, K.L., Siegle, G., Kudinova, A.Y., Meadows, S.P., & Gibb, B.E.* (2017, April). *Pupillary response to sad stimuli as a risk factor for depression symptoms following a natural disaster: The 2011 Binghamton flood.* In K. Hsu (Chair) Cognitive vulnerability in anxiety and depression: Examining the relative contributions of cognitive dysfunction prospective symptomatology across different populations. Symposium to be presented at the annual meeting of the Anxiety and Depression Association of America, San Francisco, CA.
226. *Woody, M.L., Miskovic, V., Owens, M., James, K. M., Feurer, C., Sosoo, E.E., & Gibb, B.E.* (2017, April). *Competition effects in visual cortex between emotional distractors and a primary task in remitted depression.* In R. Price (Chair) Novel methods for capturing temporal processes in the brain: Insights from mechanisms to treatment. Symposium to be presented at the annual meeting of the Anxiety and Depression Association of America, San Francisco, CA.
227. *Feurer, C, Burkhouse, K.L., Siegle, G., & Gibb, B.E.* (2017, April). *Heightened pupil reactivity to angry faces predicts interpersonal stress generation in children of depressed mothers.* In C. Turpyn (Chair) Parental emotional functioning and children's affective neurobiology. Symposium presented at the meeting of the Society for Research in Child Development, Austin, TX.

PRESENTATIONS (cont.)

228. *Feurer, C., McGeary, J.E., Knopik, V.S., Brick, L.A., Palmer, R.H., & Gibb, B.E. (2017, April). Polygenic reactivity score moderates the impact of stress on increases in depressive symptoms for offspring of depressed mothers.* Poster presented at the annual meeting of the Society for Research in Child Development, Austin, TX.
229. *Gibb, B.E. (2017, April). Development and amelioration of attentional biases related to depression and anxiety.* Chair of symposium conducted at the meeting of the Society for Research in Child Development, Austin, TX.
230. *Gibb, B.E., Owens, M., Knopik, V., & McGeary, J. (2017, April). HPA axis polygenic reactivity score moderates the impact of maternal depression on prospective changes in children's attentional biases.* In B.E. Gibb (Chair) *Development and amelioration of attentional biases related to depression and anxiety.* Symposium conducted at the meeting of the Society for Research in Child Development, Austin, TX.
231. *James, K., Owens, M., & Gibb, B.E. (2017, April). Evidence of parental criticism's impact on children's neural processing of emotional faces.* Poster presented at the meeting of the Society for Research in Psychopathology, Austin, TX.
232. *Owens, M., & Gibb, B.E. (2017, May). Brooding rumination moderates sustained attention biases to emotion for non-depressed individuals.* Poster presented at the meeting of the Vision Sciences Society, St. Pete Beach, FL.
233. *Tsypes, A., Owens, M., Hajcak, G., & Gibb, B.E. (2017, May). Neural reward responsiveness in children with nonsuicidal self-injury.* Poster presented at the 29th annual convention of the Association for Psychological Science, Boston, MA.

INVITED TALKS

McGill University. (2005, March). *Childhood emotional maltreatment and vulnerability to depression.* Colloquium for the Department of Psychology.

Marywood University. (2005, March). *Childhood emotional maltreatment and vulnerability to depression.* Colloquium for the Department of Psychology.

Finger Lakes Parent Network. (2008, April). *Depression.* Two invited talks given at the Finger Lakes Parent Network meetings in Elmira and Waverly Heights, New York.

Maine-Endwell High School. (2008, October). *Depression.* Invited talk given at the School/Agency Collaborative Day Conference hosted by the Family Violence Prevention Council's Agency/CPS/School Liaisons Committee and the NYS School Social Workers Association-Southern Tier, Maine-Endwell High School, New York.

University of California Los Angeles. (2009, October). *Development and expression of cognitive vulnerability to depression in children.* Invited talk given to Dr. Constance Hammen's research group.

Union-Endicott High School. (2009, November). *Summary of results from the Union-Endicott bully project.* Invited talk given at the Superintendent's Conference Day, Union-Endicott High School, New York

Union-Endicott School Board. (2009, November). *Summary of results from the Union-Endicott bully project.* Invited talk given at the meeting of the School Board for Union-Endicott, New York

Macquarie University. (2010, October). *Integrating cognitive and genetic models of risk for depression in children.* Colloquium for the Department of Psychology.

Binghamton University. (2010, November). *Vulnerability to depression in children.* Invited talk for the Department of Nursing, Binghamton University

Binghamton University. (2011, April). *Integrating cognitive and genetic models of risk for depression in children.* Invited talk for Cognitive Neuroscience area in the Department of Psychology.

University at Buffalo. (2011, April). *Integrating cognitive and genetic models of risk for depression in children.* Colloquium for the Department of Psychology.

Binghamton University. (2011, October). *Integrating cognitive and genetic models of risk for depression in children.* Invited talk for the Center for Applied and Community Oriented Research.

Binghamton University. (2011, November). *Integrating cognitive and genetic models of risk for depression in children.* Invited talk for the Clinical Science area in the Department of Psychology.

INVITED TALKS (cont.)

University of Rochester. (2014, October). *Biased processing of emotional information: A key mechanism of risk in the intergenerational transmission of depression.* Colloquium for the Department of Psychology.

Queen's University (2015, September). *Biased processing of emotional information: A key mechanism of risk in the intergenerational transmission of depression.* Colloquium for the Department of Psychology.

Binghamton University TIER Talk (2015, October). *Retrain your brain: The eyes have it.* TED-style talk presented as part of Homecoming weekend.

Indiana University (2016, April). *The importance of taking a developmental perspective when studying cognitive risk for depression.* Colloquium for the Department of Psychology.

Indiana University (2016, April). *Conducting research within an RDoC perspective.* Invited talk for the Department of Psychology.

MEDIA COVERAGE

2007 Interviewed for a story titled, "Depression in the Workplace", which aired on Binghamton News 10 and Capital News 9 (10/16/07)

2009 Reports of our research examining how specific cognitive (attentional bias) and genetic (5-HTTLPR genotype) may combined to increase risk for depression in children of depressed mothers (Gibb et al., 2009, *Journal of Clinical Child and Adolescent Psychology*) were covered in a number of print media outlets (5/25/09)

Inside Binghamton University had an article titled "Professor to examine childhood depression", which described our new grant (R01 HD057066) focused on understanding mechanisms of risk in the intergenerational transmission of depression (11/19/09)

The Press and Sun Bulletin had an article titled "Childhood depression study funded", which also described our new grant (R01 HD057066) (11/29/09); this story was also picked up by the *Ithaca Journal*

Binghamton University Pipe Dream covered our research in an article titled, "Professor studies families to find root of depression" (12/03/09)

Binghamton University Discover-e covered our research in an article titled, "Study seeks to understand sources of depression" (12/11/09)

2010 Reports of our research describing the link between rumination and suicide attempts (Grassia & Gibb, 2009, *International Journal of Cognitive Therapy*) were covered in a number of print media outlets (1/18/10)

MEDIA COVERAGE (cont.)

- 2010 (cont.) Our research (R01 HD057066) was highlighted in a story from Science Works for Us titled, “American Recovery and Reinvestment Act One Year Later: Examples of Recovery Act-Funded Research Advancing Science, Aiding in the Economy, and Contributing to America’s Prosperous Future” (02/17/10)
- Guest panelist on a public radio show, “A Community Conversation: Bullying in Schools”, which aired on WSKG on 5/18/10
- Interviewed for a story in the *Press and Sun Bulletin* titled, “Bullying: Society’s silent killer” (5/23/10)
- Interviewed for a story in the *Press and Sun Bulletin* titled, “High-tech bullies ramp up the taunting, and do it anonymously” (5/23/10); This story was later picked up by the *Ithaca Journal*
- 2011 Our program of research was featured in the Fall 2011 edition of *Binghamton Research*
- 2012 Guest panelist on a public radio show, “A Community Conversation: Depression”, which aired on WSKG on 12/4/12
- 2013 Our research (R01 MH098060) was featured in a story for Binghamton University Discover-e titled, “Study targets risk factors for depression” (1/14/13)
- Our grant, “Children’s Attentional Biases: A Key Component of Negative Valence Systems” (R01 MH098060) was featured in a story on the local news channel Fox 40 WICZ (1/17/13)
- 2014 *The Press and Sun Bulletin* had an article titled “Binghamton University researcher Brandon Gibb embarks on major study”, which described our grant (R01 MH098060) (4/20/14)
- Katie Burkhouse’s dissertation, “Neural and physiological indices of emotional reactivity in adolescent depression”, was featured in a story on the local news channel Fox 40 WICZ (10/8/14)
- 2015 Binghamton University issued a video press release for one of our studies (Woody et al., 2016, *Clinical Psychological Science*) (6/15/15). The story was covered by a variety of media outlets including the Huffington Post, Mary Claire, the Daily Mail, the Metro, Science Daily, and several others.

MEDIA COVERAGE (cont.)

- 2015 (cont.) Binghamton University issued a video press release for one of our studies (Burkhouse et al., 2015, *Journal of Abnormal Psychology*) (7/7/15). The story was covered by a variety of media outlets including Fox 40 WICZ TV, MSN.com, Yahoo Parenting, Psych Central, Business Insider, Science Daily, Medical Daily, and several others.
- 2016 Our research was the focus of the cover story (“Rethinking Depression”) for the Spring 2016 issue of Binghamton University Magazine.
- 2016 Binghamton University issues a press release for one of our studies (Woody et al., 2016, *Journal of Child Psychology and Psychiatry*) (5/5/6). The story was covered by a variety of media outlets including NDTV.com, Medical Xpress, The Medical News, ScienceNewline, and Newsroom America.

TEACHING EXPERIENCE

- Undergraduate Depression: Etiology and Treatment (Spring 2004)
Statistical Analysis and Design (Spring 2005, Fall 2005, Spring 2007, Spring 2008)
- Graduate Behavior Therapy Approaches (Fall 2003-2009, 2013, 2014, Spring 2015)
Clinical Supervision (Fall 2004-Spring 2005, Fall 2007-Spring 2008, Fall 2008-Spring 2009)
Statistics and Design II (Spring 2009-2013)
Human Development (Fall 2015)

DOCTORAL DISSERTATIONS SUPERVISED

1. Margaret Andover, Ph.D., 2006
“Self-mutilation and suicide attempts in psychiatric inpatients”
2. Dorothy Uhrlass, Ph.D., 2009
“Children’s self-perceived competence and changes in depression and social anxiety”
3. Jessica Benas, Ph.D., 2009
“Cognitive biases in depression and eating disorders”
4. Sarah Crossett, Ph.D., 2009
“Interpersonal and cognitive risk factors for postpartum depression”
6. Ashley Johnson, Ph.D., 2012
“Attentional biases in children with depression”
7. Lindsey Stone, Ph.D., 2013
“Risk for adolescent depression: Gender differences and contagion in peer networks”
8. Donna Crossman, Ph.D., 2015
“Visual attention to emotional stimuli in individuals high on psychopathic traits: Evidence from eye tracking”
9. Andrea Hanley, Ph.D., 2016
“Self-injurious thoughts and behaviors in youth: Rates and correlates”
10. Katie Burkhouse, Ph.D., 2016
“Neural and physiological indices of emotional reactivity in adolescent depression”
11. Mary Woody (defended 5/12/16)
“Using steady-state visual evoked potentials to evaluate selective attention toward emotional stimuli in remitted depressed women: Impact of a negative mood induction, brooding rumination, and heart rate variability”
12. Anastacia Kudinova (in progress)
“Association between the magnitude of the immune response and major depressive disorder in humans and depression-like behaviors in animals”

MASTERS THESES SUPERVISED

1. Jessica Benas, M.A., 2006
“Weight-related teasing, cognitions, and symptoms of depression and eating disturbances”
2. Dorothy Uhrlass, M.A., 2006
“Negative life events, self-perceived competence, and depressive symptoms in young adults”
3. Sarah Crossett, M.A. 2006
“Relational victimization and depressive symptoms in young adults”
4. Marie Grassia, M.S. 2007
“A prospective test of rumination as a moderator of the link between negative events and depressive symptoms”
5. Lindsey Stone, M.S. 2009
“Co-rumination and depression in children”
6. Andrea Hanley, M.S. 2011
“Maternal expressed emotion criticism and children’s diagnoses of major depression”
7. Katie Burkhouse, M.S. 2012
“Pupillary reactivity to emotional stimuli in children: The role of maternal depression and aggregate genetic influence”
8. Mary Woody, M.S. 2013
“Genetic and physiological mechanism underlying the link between brooding rumination and history of major depression in women”
9. Aliona Tsypes, M.S. 2016
“Neural responses to gains and losses in children of suicide attempters”

HONORS THESES SUPERVISED

1. Kyle Holleran, B.A. 2005
“An interpersonal model of depression: Specificity to symptoms of depression versus anxiety”
2. James Mack, B.A. 2009
“Depressive symptoms as a function of gender identity”
3. Lauren Manganiello, B.A. 2009
“Changes in implicit attitudes of eating and body image following media exposure”
4. Caitlin Melvin, B.A. 2011
“Autobiographical memory and nonsuicidal self-injury”
5. Samantha Birk, B.S. 2015
“Co-rumination, co-worry, and physiological response to an interpersonal stressor”

HONORS THESES SUPERVISED (cont.)

6. Emma Lecarie, B.S. 2016
“Child and parent perceptions of parenting: Sibling differences and links to child and parent psychopathology”
7. Christian Lawlor, B.S. 2016
“BIS/BAS sensitivity and psychophysiological responses to social stress”

AWARDS TO STUDENT ADVISEES

- | | | |
|-------------------|------|---|
| Graduate Students | 2007 | Jessica Benas received the Binghamton University Graduate Student Award for Excellence in Research |
| | 2007 | Dorothy Uhrlass was awarded a Fahs-Beck Doctoral Dissertation Grant (\$4,250) |
| | 2008 | Sarah Crossett received the Binghamton University Graduate Student Award for Excellence in Teaching |
| | 2009 | Ashley Johnson received an American Psychological Association (APA) Dissertation Research Award |
| | 2009 | Ashley Johnson received a Society for a Science of Clinical Psychology (SSCP) Dissertation Award (\$500) |
| | 2010 | Lindsey Stone received a Society for a Science of Clinical Psychology (SSCP) Dissertation Award (\$500) |
| | 2011 | Lindsey Stone received Departmental Honors in Research, Department of Psychology, Binghamton University |
| | 2011 | Lindsey Stone received the Binghamton University Graduate Student Award for Excellence in Research |
| | 2012 | Katie Burkhouse received an Honorable Mention in the 2012 National Science Foundation (NSF) Graduate Research Fellowship Program |
| | 2012 | Katie Burkhouse received a student poster award at the annual meeting of the Society for Psychophysiological Research for her poster entitled, “Pupillary reactivity to emotional stimuli in children: The role of maternal depression and aggregate genetic influence” |
| | 2013 | Katie Burkhouse received a Society for Research in Child Development (SRCD) Travel Award (\$300) |
| | 2013 | Lindsey Stone received a Society for Research in Child Development (SRCD) Travel Award (\$300) |

AWARDS TO STUDENT ADVISEES (cont.)

- 2013 Katie Burkhouse was selected to participate in the 2014 UC-Davis ERP Boot Camp, a 10-day all-expense paid intensive training in electroencephalogram (EEG) and event-related potential (ERP) research design and implementation
- 2013 Anastacia Kudinova was awarded the Nancy B. Forest and L. Michael Honaker Master's Scholarship for Research in Psychology from APA (\$1,500)
- 2013 Katie Burkhouse received Departmental Honors in Research, Department of Psychology, Binghamton University
- 2013 Katie Burkhouse received an American Psychological Association Dissertation Research Award (\$1,000)
- 2013 Katie Burkhouse received the Binghamton University Graduate Student Award for Excellence in Research
- 2013 Katie Burkhouse received a Society for a Science of Clinical Psychology (SSCP) Dissertation Award (\$500)
- 2014 Mary Woody received an unrestricted Travel Grant from Psi Chi (\$1,110)
- 2014 Katie Burkhouse received an Elizabeth Munsterberg Koppitz Child Psychology Graduate Student Fellowship from the American Psychological Foundation (\$25,000)
- 2014 Mary Woody was selected to participate in the 2014 UC-Davis ERP Boot Camp, a 10-day all-expense paid intensive training in electroencephalogram (EEG) and event-related potential (ERP) research design and implementation
- 2014 Aliona Tsypes received a three-year National Science Foundation (NSF) Graduate Research Fellowship Program (GRFP) Fellowship
- 2014 Mary Woody received the Ruth G. and Joseph D. Matarazzo Scholarship from the American Psychological Foundation/Council of Graduate Departments in Psychology (\$3,000)
- 2014 Mary Woody received Departmental Honors in Research, Department of Psychology, Binghamton University
- 2014 Mary Woody received a Society for a Science of Clinical Psychology (SSCP) Dissertation Award (\$500)

AWARDS TO STUDENT ADVISEES (cont.)

- 2015 Mary Woody received a Sigma Xi Grant-in-Aid of Research award (\$400)
- 2015 Katie Burkhouse received a Student Travel Award from the Society for Research in Child Development (\$300)
- 2015 Anastacia Kudinova received the Smadar Levine Award from the Society for Research in Psychopathology
- 2015 Mary Woody received the Binghamton University Graduate Student Award for Excellence in Research
- 2016 Cope Feurer received a three-year National Science Foundation (NSF) Graduate Research Fellowship Program (GRFP) Fellowship
- 2016 Anastacia Kudinova was selected to participate in the 2016 UC-Davis ERP Boot Camp, a 10-day all-expense paid intensive training in electroencephalogram (EEG) and event-related potential (ERP) research design and implementation
- 2016 Mary Woody won a 1st Place Student Poster Award for the Neurocognitive and Translational Research SIG at the Association for Behavioral and Cognitive Therapies (ABCT) Annual Meeting
- 2016 Anastacia Kudinova received the Binghamton University Graduate Student Award for Excellence in Research
- 2016 Anastacia Kudinova received a Society for a Science of Clinical Psychology (SSCP) Dissertation Award (\$500)
- 2017 Cope Feurer received a Student Travel Award from the Society for Research in Child Development (\$300)
- Undergraduates
- 2005 Kyle Holleran's Honor's thesis was awarded a Binghamton University Research Award and Second Place in the 2004-2005 Psi Chi/Allyn & Bacon Psychology Awards Competition
- 2007 Elizabeth Tygert was awarded the Binghamton University Department of Psychology Burright Award for excellence in scholarship and evidence of broad interests/activities
- 2011 Erica Dashow was awarded the Binghamton University Department of Psychology Steven Kovacs Award for outstanding achievement in Psychology

AWARDS TO STUDENT ADVISEES (cont.)

- 2013 Jordyn Suhr was awarded the SUNY Chancellor's Award for Student Excellence
- 2015 Samantha Birk received the Edward H. Prentice Award from Binghamton University, which is awarded to a graduating senior who has distinguished themselves by character, scholarship, and contribution to the academic and extracurricular life of the University.
- 2015 Christian Lawlor was awarded an Undergraduate Research Award from Binghamton University to help fund his Honor's thesis (\$120)
- 2016 Samantha Fradkin was awarded the Helen B. Daly Memorial Award for Excellence in Undergraduate Research in Psychological Science from the Binghamton University Psychology Department
- 2016 Emma Lecarie was awarded the Richard G. Burright Award from the Binghamton University Psychology Department, which is given to a graduating senior in psychological science (Psychology major) who demonstrates both academic merit as well as a compelling record of broad interests and activities in both the academy and the outside community.
- High School Student 2011 Sarah Hardke (Ossining High School, Ossining, NY) received several awards for her research project, "A socio-cognitive model of adolescent depression: Underlying mechanisms of competency"
- (i) Semifinalist in the Intel Science Talent Search
 - (ii) First place in the behavioral category of the state level Junior Science and Humanities Symposia (JSHS) program (3rd overall in competition)
 - (iii) Second place at the Young Epidemiology Scholars Competition (awarded a \$35,000 scholarship)

MEMBERSHIP ON STUDENT COMMITTEES

Dissertation	Christine Samulski – Ph.D. 2004 Heather Bergida – Ph.D. 2006 Jennifer Gillis – Ph.D. 2006 Allison Miller – Ph.D. 2006 Ashley Pietrefesa – Ph.D. 2010 Sean Barnes – Ph.D. 2011 Anne Maloney – Ph.D. 2012 Marc Celio – Ph.D. 2013 Emily Johnson – Ph.D. 2014 Elise Ocelnik – Ph.D. 2014 (substitute chair) Ariel Ravid – Ph.D. 2015 Julie Usala – Ph.D. 2016 Jacob Nota – defended 2016 Jessica Schubert – Ph.D. 2016
Comprehensive Exam	Laura Bragdon – in progress Lindsey Collins – in progress
Masters	Tabitha Ball – M.A. 2004 Betty Horng – M.A. 2004 Casey Schofield – M.A. 2006 Amanda Deming – M.A. 2008 Ashley Johnson – M.A. 2008 Anne Maloney – M.A. 2008 Mark Celio – M.A. 2009 Jessica Schubert – M.S. 2011 Paul Knowlton – M.S. 2012 Julie Usala – M.S. 2012 Jessica Sweatt – M.S. 2013 Miaolin Fan – M.S. 2015 (Systems Science and Industrial Engineering) Laura Bragdon – M.S. 2016 Lindsey Collins – M.S. 2016 Jennifer Vetter – M.S. 2016
Honors	Aubrie Swan – B.A. 2004 Danielle Gunraj – B.A. 2007

EXTERNAL EXAMINER FOR DISSERTATION

1. Alison Staples, Ph.D. 2013 (Rutgers)
“Time-course of attentional biases toward threatening faces in youth with anxiety disorders and nonclinical controls”
2. Joseph Cohen, Ph.D. 2013 (Rutgers)
“Why are anxiety and depressive symptoms comorbid in youth? A multi-wave, longitudinal examination of competing etiological models”
3. Irene Zilber, Ph.D. 2015 (Rutgers)
“The role of temperament in symptoms of depression and anxiety among children and adolescents”
