

VITA

April 2017

Name: LINDA PATIA SPEAR

Address: Department of Psychology and
Center for Development and Behavioral Neuroscience
Binghamton University, Box 6000
State University of New York
Binghamton, New York 13902-6000
(607) 777-2825
FAX: 777-6418
E-Mail: lspear@binghamton.edu

Education:

B.S. degree, 1971, Western Illinois University (Macomb, Illinois)
Major: Psychology; Minors: Zoology and Mathematics
(State of Illinois Congressional Scholarship; Psi Chi
[Psychology Honorary])

M.S. degree, 1973, University of Florida (Gainesville, Florida)
Major: Psychology; Minor: Neuroscience

Ph.D. degree, 1975, University of Florida
Major: Psychology; Minor: Neuroscience
(Phi Beta Kappa, University of Florida Chapter)

Academic Appointments: (*current position in bold*)

1998-present	SUNY Distinguished Professor, Department of Psychology Binghamton University, SUNY
2011 – present	Director, Developmental Exposure Alcohol Research Center (DEARC)
2009-present	Adjunct Professor, Dept. Psychiatry and Behavioral Sciences Medical University of South Carolina
2000-2003	Chairperson, Department of Psychology Binghamton University, SUNY
1995-2000	Director, Center for Developmental Psychobiology Binghamton University, SUNY
1988-1998	Professor, Department of Psychology Binghamton University, SUNY
1983-1988	Associate Professor, Department of Psychology Binghamton University, SUNY

1976-1983	Assistant Professor, Department of Psychology Binghamton University, SUNY
1975-1976	Post-doctoral work in Department of Neuroscience University of Florida, Gainesville, Florida
1971-1975	Graduate Student Fellow, Center for Neurobiological Sciences, University of Florida, Gainesville, Florida

Honors and Awards:

- Elsevier Distinguished Lecturer Award, Neurobehavioral Teratology Society (2012)
- RSA Henri Begleiter Excellence in Research Award (2012)
- Springfield High School Hall of Fame Award, Springfield, IL (2008)
- Bowles Lectureship Award, UNC-Chapel Hill, NC (2008)
- 10th Annual Mark Keller Honorary Lecture Award, 2005, NIAAA
- Chancellor's Research Recognition Award (2002)
- R37 Merit Award, NIAAA (1999-2009)

Professional Activities:

National Services – NIH

- Member, NIAAA Extramural Advisory Board (EAB), (2004-2012)
- Member, National Advisory Council, NIAAA (2008-2012)
- Member, NIAAA Steering Committee for Underage Drinking Prevention (2004-2007)
- Co-Chairperson, Age 10-15 Task Group of the Underage Drinking Steering Committee
- Member, Expert Advisory Panel on Adolescence, NIAAA Underage Drinking Prevention Team (5/04)
- Study section member:
- NIH Center for Research Resources (1996-2000)
- NIAAA, Alcohol Biomedical Research Review Committee, Neuroscience and Behavior Subcommittee (1990-1994)
- Pharmacology Research Advisory Subcommittee, NIDA Biomedical Review Committee (1985-1989)
- Chairperson, MDCN-1 Special Emphasis Panel (4/00)
- Member, NIH Special Emphasis Panel (12/03)
- Member, NIDA Extramural Scientific Advisory Board (1994-1995)
- Member, Special Review Committee, NIMH (7/86), NIAAA (7/87, 10/87, 11/97, 4/00), NIDA (7/87, 7/88, 7/90, 8/04), ADAMHA Special Projects Review Branch (8/90)
- Member or Chairperson, site visit teams for R01 Applications, NIMH (11/81, 4/02), NIDA (12/86), NIAAA (9/88)
- Member, program project (center) review teams for NIAAA (5/87, 9/87, 3/92, 4/92, 4/95, 5/95, 6/95, 8/00, 5/02), NIDA (7/87), NICHD (10/87, 3/94, 12/95), NIMH (4/99)
- Ad Hoc reviewer:
 - NIDA Pathway to Independence (K99) Review panel (10/07)
 - Chair, NIAAA INIA (Integrative Neuroscience Initiative on Alcoholism) reviews, 5/06, 7/06
 - Chair, NIAAA Special Emphasis Panel to review R21 application (5/02)
 - Chair, NIAAA Special Emphasis Panel to review INIA applications (8/01)
 - NIDA Review Subcommittees (3/01, 7/01 [Chair])
 - BDCN-5 Study Section, NICHD (6/98)
 - Clinical Neuroscience & Biological Psychopathology Review Committee, NIMH (6/95)
 - Mental Retardation Subcommittee, NICHD (3/94)
 - National Research Council NSF Fellowship Program (2/89, 2/90)
 - Neuroscience and Behavior Subcommittee, NIAAA (6/86, 10/88, 6/93, 10/93, 2/94, 6/94, 9/94)

-Consulting activities:

- Consultant, Developmental Stress Component, Patient-Reported Outcome Measurement Project, NIH Roadmap, 2010
- Part of NIAAA delegation to INSERM to explore possible France/US collaborative research interests and endeavors, Paris, France (1/07)
- Invited participant – NIH Blueprint Neurodevelopment Workshop (11/06)
- Invited participant – NIDA Workgroup Meeting on Frontal Lobe in Development (6/01)
- Invited participant/consultant – NIAAA Protocol Review and Extramural Scientific Advisory Board for Neuroscience and Behavior (5/98)
- Invited consultant for NIDA Planning Group Meeting on "New Animal Models of Drug Abuse" (1/98)
- Participant, Office of Behavioral and Social Sciences Research (OBSSR) Advisory Meeting (1995) and Strategic Planning Retreat (1996)

Offices and Committee Responsibilities-Professional Organizations(*current appointment/activity in bold*)

- Flux: The International Congress for Integrative Developmental Cognitive Neuroscience Advisory Committee (2013-14)
- Research Society on Alcoholism
- RSA Nominations Committee (2010)
- RSA Program Committee, Co-Chair (2008-2009)
- RSA Program Committee, (2012)

- College on Problems of Drug Dependence
- Member, Animals in Research Committee (1999-2002); Chairperson (2000-2001)

- American Psychological Association
- Board of Scientific Affairs (2014-)**
- **Member, Search Committee for Chief Executive Officer (2016-)**
- **Member, Search Committee for Editor of Experimental and Clinical Psychopharmacology (2016 -)**
- Co-Chair, Search committee for Editor of Journal of Experimental Psychology: Animal Behavior Processes (2012)
- Member, Publications & Communications (P&C) Board (2001-07); Chairperson (2005-2007)
- Ad Hoc Representative, APA Finance Committee (2004-2006)
- Member, P&C Book Advisory Sub-Committee (2003-2007)
- Member, P&C Journal Advisory Sub-Committee (2001-2002); Chairperson (2002)
- Editor Search Committee: Psychology of Addictive Behaviors (2007-2008)
- Editor Search Committee: Co-chair, Psychology of Addictive Behaviors (2006-2007)
- Editor Search Committees: Co-Chair, Behavioral Neuroscience (2005-2006);
- Co-Chair, Journal of Experimental Psychology: Learning, Memory, and Cognition (2004-2005)
- Chair, Experimental and Clinical Psychopharmacology (2003-2004);
- Co-Chair, Journal of Experimental Psychology: Animal Behavior Processes (2001-2002)
- P&C Representative to APA Council of Representatives (2004)
- P&C Representative to APA Council of Editors (2001-2002)
- APA Science Directorate Liaison to Society for Neuroscience (1998-2000)
- Committee on Animal Research and Ethics [CARE], Member (1997-1998); Chairperson (1999)

- Neurobehavioral Teratology Society
- President (1991-1992)

- Publications Committee (1991-1994; 1998-2002)
- Nominating Committee (1987-1989); Chairperson (1988-1989)
- Membership Advisory Committee (1987-1988)
- Chairperson, Constitution Committee (1985-1986)
- Finance Committee (1985-87); Chairperson (1986-1987)
- Councilor (1984-1987)

- International Society for Developmental Psychobiology
 - President (1994-1995)
 - Board member (1988-1992)
 - Historian (1983-1984)
 - Secretary/Treasurer (1980-1983)

- Association of Neuroscience Departments and Programs
 - Councilor (1990-1992)
 - Chair, Survey Committee (1989-1991)
 - Membership Committee (1989)
 - Nominating Committee (1987)

- International Behavioral Neuroscience Society
 - Member, Program Committee (2000-2003)
 - Chair, Fellows/Honorific Awards Committee (1998-1999)
 - Co-chair, Fellows/Honorific Awards Committee (1997-1998)
 - Member of Council as Past-President (1997-1998)
 - President (1995-1996)
 - Secretary (1992-1994)
 - Finance Committee (1992-1994)

- American Society for Pharmacology and Experimental Therapeutics
 - Committee member, Developmental Pharmacology section (1991-1997)

- Winter Conference on Current Issues in Developmental Psychobiology
 - Co-founder (with Byron A. Campbell) in 1986
 - Co-organizer (1986-1988)
 - Steering Committee (1986-1991)

- Central New York Chapter of the Society for Neuroscience
 - President (1989-1991)

Advisory activities: (current appointment/activity in **bold**)

- The Scripps Research Institute
 - Advisory Board Member, Alcohol Research Center (2006-)**
- Medical University of South Carolina
 - External Scientific Advisory Board Member, Alcohol Research Center (2011-)**
- University of North Carolina-Chapel Hill
 - External Scientific Advisory Board Member, CAMID (Cocaine affects mother-infant dyads) Program Project (2011-)**
- Wake Forest University
 - **Program Advisory Committee Member, Translational Studies on Early Life Stress and Vulnerability to Alcoholism (2012-2017)**
- Oregon Health & Science University

- External Advisory Group Member (2013-)**
- Yale University School of Medicine**
- External Advisory Board Member, Center for Translational Neuroscience of Alcoholism (2014 -)**
- American Association for the Advancement of Science (AAAS)
- Advisory Board Member, Science Inside Alcohol (2007-2010)

Editorial duties:

- Co-editor (with Marisa Silveri), Special Issue on “The Adolescent Brain” for Neuroscience and Biobehavioral Reviews (2015-16)
- Co-editor (with Edward Levin and Jane Adams), Special Issue on "Exposures during adolescent development: Are neurotoxic risks increased?" for Neurotoxicology and Teratology (2006)
- Co-editor (with Sandra File), Special Issue on "Neurobehavioral Teratology" for Pharmacology, Biochemistry and Behavior (1996)
- Editorial Board, Alcohol (1994-1997)
- Editorial Board, Behavioral Neuroscience (1996-present)**
- Editorial Board, Developmental Psychobiology (1981-1985; 1991-1999)
- Editorial Board, Infant Behavior & Development (1995-2012)
- Editorial Board, Neurotoxicology and Teratology (1991-1994; 1998-2001; 2005-2011)
- Editorial Board, Pharmacology, Biochemistry and Behavior (1994-2015)
- Editorial Board, State University of New York Press (1983-1986)
- Advisory Editor, Blackwell Dictionary of Psychology, Blackwell: Oxford, 1983
- Advisory Editor, The Dictionary of Physiological and Clinical Psychology, Oxford, 1983
- Editorial Board, Neurotoxicology & Teratology (2005-present)**

Other miscellaneous professional activities:

- Invited panelist for ACNP 51st Annual Meeting, Hollywood, FL (12/12)
- Invited Keynote Speaker for Developmental Affective Neuroscience Symposium, University of Pittsburgh, PA (9/12)
- Invited speaker for NBTS Conference, Baltimore MD (6/12)
- Commissioned to write a paper on The Biology of Adolescence for the National Academy of Sciences. 2010-2011
- Member, Neuroscience & Public Health Initiative, Johns Hopkins School of Public Health, 2009 - 2013
- Discussant, Healthy Transitions to Adulthood: Moving to Integrated Mental Health Care at the Canada-US Workshop on Youth Mental Health, Washington, DC (11/08).
- Lecturer – The Second Annual “Robert L. Isaacson Lecture” 2007-2008 Dean’s Workshop Series for Psychobiology, Co-Sponsored by the Center for Development and Behavioral Neuroscience, Binghamton University, Binghamton, NY. (02/08).
- Invited symposium speaker at the 2007 ISSAP Conference - Topic: “The developing brain and adolescent-typical behavior patterns: An evolutionary approach”. Montreal, Canada (07/07)
- Co-organizer (with Regina Sullivan), NICHD Symposium, Alcohol and Development: Beyond Fetal Alcohol Syndrome to the International Society for Developmental Psychobiology, Atlanta, GA (10/06).
- Co-organizer (with Susan Barron), Satellite Symposium to the Research Society on Alcoholism annual meeting entitled “Is Adolescence Special? Possible Age-Related Vulnerabilities to Chronic Alcohol and Nicotine Exposure”, Vancouver, Canada (6/04).
- Program Review Committee, University of South Florida, doctoral program in Psychology (4/04).
- Co-organizer (with Ronald Dahl and Ann Kelley), National Academy of Sciences Conference, “Adolescent Brain Development: Vulnerabilities and Opportunities” (9/03).
- Invited keynote speaker at the Vanderbilt University’s John F. Kennedy Center for Research on Human Development’s Brain Awareness Event, co-sponsored by the Vanderbilt Brain Institute; topic: “Adolescence, Alcohol, and the Brain” (3/03).

- Member, Commission on Children at Risk, administered by Dartmouth Medical School and funded by the YMCA and the Institute for American Values (2002-2003).
- Member, Commission on Adolescent Anxiety Disorders, administered by the Annenberg Sunnylands Trust Foundation in conjunction with the University of Pennsylvania (2002-2004).
- Co-organizer (with Ellen Witt), Satellite Symposium to the Research Society on Alcoholism annual meeting entitled "Neurobiological Mechanisms of Adolescent Alcohol Abuse: New Findings, New Directions", San Francisco (6/02).
- Invited keynote speaker at the 17th Annual University of Scranton Psychology Conference, topic: "Adolescence: Brain, behavior, and vulnerabilities" (2/02).
- Invited organizer and Chair, "Development Influences on Substance Abuse" Symposium, FASEB Summer Research Conference on Substance Abuse, Tucson, Arizona (8/01).
- Invited participant, Satellite Symposium to the American Society of Addiction Medicine annual meeting entitled "Neurobehavioral Aspects of Adolescents: Factors Contributing to Developing Alcoholism", Los Angeles (4/01).
- Member, Biobehavioral Aspects of Adolescent Development (BAAD) Study Group, jointly co-sponsored by the RWJ Reynolds Tobacco Etiology Research Network (TERN) and the (i) Adolescent Planning Group of the MacArthur Foundation Psychopathology and Development Research Network (1999-2004).
- Invited participant, Neurological/Behavioral Workshop Group, Critical Windows of Exposure for Children's Health, sponsored by the Environmental Protection Agency and the March of Dimes (1999).
- Co-organizer (with N.E. Spear), Binghamton Alumni Symposium on Alcohol, Development, Brain and Behavior (1996).
- Co-organizer (with M. Woodruff, N.E. Spear), Satellite Symposium to the International Behavioral Neuroscience Society annual meeting in honor of Robert L. Isaacson entitled "Neurobehavioral Plasticity: Learning, Development & Response to Brain Insults" (1993).
- Reviewer, Research Society on Alcoholism Program Committee (1991).
- Member, peer review evaluation panel, National Center for Toxicological Research (1989).
- Co-chair, Work group on "Comparability of endpoints across species for developmental neurotoxicity", Environmental Protection Agency (1989).
- Session Chair, Sixth International Neurotoxicology Conference (1988).
- Session Chair, International Society for Developmental Psychobiology meetings (1982-1985, 1990, 2000).
- Session Chair, Eastern Psychological Association meetings (1981, 1986).
- Eastern Psychological Association, Subcommittee for Program Selection (1980-1982, 1984, 1985, 1987).
- Selected participant, Soviet-American Conference on the Neurophysiological Mechanisms of Goal-Directed Behavior and Learning (1978).

Ad hoc Reviewer for:

Research Grants - National:

Current Funding:

NIAAA-Grant U01 AA019972. Neurobiology of Adolescent Drinking in Adulthood (NADIA). Impact of adolescent intermittent ethanol on adult social reward and anxiety. P.I. \$1,358,235 (direct), 09/05/10-08/31/2020.
NIAAA-Grant 2P50 AA017823. Developmental Exposure Alcohol Research Center, Director; PI, Administrative Core; PI, Project IV, \$1,650,586 (total overall direct), 09/01/2014-08/31/2019. (Total Project Period 9/1/2009-8/31/2019).

Past Funding:

- Grant R01 AA018026. Acute and Chronic Tolerance to Ethanol in Adolescence: Impact on Consumption, P.I., \$1,125,000 (direct), 9/30/08-8/31/2015
- Grant R01 AA017355, Adolescence, Puberty and Sex Differences: Ethanol Intake, Sensitivity and Stress, P.I., \$1,125,000(direct), 9/29/07-05/31/14
- Grant P30 AA019367. Faculty recruitment for alcohol researcher, Binghamton University. P.I., \$597,312 (direct), 9/30/2009-8/31/2013
- Grant R31AA021042. Age differences in ethanol discrimination: role of GABA-A and NMDA receptors. Predoctoral NRSA to Rachel I. Anderson (faculty sponsor: L.Spear), \$61,130 (direct), 09/01/11-02/28/13
- Grant R01 AA016887. Ethanol-Induced Social Facilitation in Adolescence: Social and Ethanol Reward, P.I., \$1,254,935 (direct), 2/15/07-1/31/13.
- Grant R01 AA12453. Ethanol and Social Interactions in Adolescent Rats, Co-I., \$750,000 (direct), 04/1/07-3/31/2013.
- Grant R37 AA12525. (MERIT AWARD). Adolescent Alcohol Adaptation: Tolerance & Stress, P.I., \$1,001,914 (direct), 9/30/99-8/31/10.
- Grant R01 DA019071. Adolescence: Natural Incentives, Motivation and Affect, P.I., \$1,025,000 (direct), 9/30/04-8/31/10.
- Grant F31 AA16048. NRSA for Robert Ristuccia, P.I., 1/1/06-12/31/07.
- Grant R01 AA12150. Alcohol and Stress in Adolescence, P.I., \$733,643 (direct), 9/30/99-8/31/05.
- Grant R01 DA04478. Neurobehavioral Teratogenic Investigations of Cocaine, P.I., \$575,546 (direct), 3/15/95-1/31/01.
- Grant R01 AA10228. Ontogeny of Ethanol Responsivity, P. I., \$583,416 (direct), 12/01/94-11/30/00.
- Grant K02 DA00140. (Research Scientist Development Award). Neurobehavioral Teratogenic Studies of Cocaine, approx. \$495,000 (direct), 3/15/95-2/29/00.
- Grant F31 DA05621. (Predoctoral fellowship for Robin Wood). Prenatal Cocaine and Social Behaviors Over Ontogeny, sponsor, \$19,512 (direct), 8/29/94-1/28/96.
- Grant 1 S15 DK49174. NIH Small Instrumentation Program, co-P.I. with N.E. Spear

- and D.W. McGee, \$14,292 (direct), 8/1/94-7/31/95.
- Grant R01 DA04478. Neurobehavioral Teratogenic Investigations of Cocaine, P.I., \$456,965 (direct), 9/1/89-3/14/95.
 - Grant R01 AA06634. Consequences of Acute Ethanol Exposure During Ontogeny, co-P.I. with N.E.Spear, \$281,212 (direct), 2/1/92-1/31/95.
 - Grant K02 DA00140. (Research Career Development Award, level 2). Neurobehavioral Teratogenic Studies of Cocaine, approx. \$378,644 (direct), 9/1/89-8/31/94.
 - Grant F31 DA05548. (Predoctoral fellowship for Gregory Goodwin). Prenatal Cocaine and Learning Dependent Neural Changes, sponsor, \$11,800 (direct), 7/12/93-7/11/94.
 - Grant F31 DA05511. (Predoctoral fellowship for Charles Heyser). Effects of Prenatal Cocaine on Adult Offspring Behavior, sponsor, \$23,600 (direct), 10/1/91-9/30/93.
 - Grant 1 S15 MH50826. ADAMHA Small Instrumentation Program, co-P.I. with N.E. Spear and R.R. Miller, \$23,309 (direct), 9/30/92-8/31/93.
 - Grant R01 AA06634. Consequences of Acute Ethanol Exposure During Ontogeny. co-P.I. with N.E. Spear, \$186,170 (direct), 4/1/88-3/31/92.
 - Grant R13 HD26304. 23rd Annual meeting of the Society for Developmental Psychobiology (conference grant). Co-P.I. with W.P. Smotherman, \$21,850 (direct), 12/1/89-11/20/90.
 - Grant R01 DA0447801. Neurobehavioral Teratogenic Investigations of Cocaine, P.I., \$129,222 (direct), 9/1/87-8/31/89.
 - Grant R01 MH35701. Psychopharmacological Analysis of Behavioral Ontogeny, P.I., \$86,520 (direct), 9/28/82-5/31/86.
 - Grant R01 MH33215-01. Periadolescent Psychopharmacological Responsiveness, P.I., \$29,360 (direct), 9/1/79-2/28/82.
 - Grant R03 MH29834-01. Developmental Effects of Chronic Haloperidol, P.I., \$7,144 (direct), 11/30/76-11/30/77.

Research Grants - Local:

SUNY Research Foundation:

- Ontogenetic Variation in Psychopharmacological Responsiveness, P.I. \$3,400, 1/1/79-12/31/80.
- Chronic Administration of Haloperidol During Development, P.I., \$1,700, 1/1/77-2/31/77.

Biomedical Research Support Grants:

- Serotonergic Mechanisms in Suckling and Its Decline, P.I., \$5,100, 6/1/86-7/31/87.
- Psychopharmacological and Neurochemical Studies of Suckling Behavior and Other Age-Specific Behaviors of Infancy, P.I., \$2,710, 5/1/82-4/30/83.
- Purchase of a Microcomputer to Aid in Studies of Early Behavioral Responses to Psychoactive Drugs, P.I., \$2,825, 1980-1981.
- Receptor Binding as an Approach to Examine Receptor Sensitivity, P.I., \$1,950, 12/15/77-3/15/80.

SUNY-Binghamton Faculty Summer Research Support Grants:

- Cannulation of Drugs into Specific Brain Regions in Neonatal Rats Using Stereotoxic Placement Techniques, P.I., \$2,775, 5/1/82-9/30/82.

University and Departmental Services - Partial Listing Only (*current activity in bold*)

Central Administration (Albany):

- Member, Empire Innovation Program Advisory Committee (2007)
- Recipient, Chancellor's Research Recognition Award (2002)
- SUNY-wide Chancellor's Committee on Animal Use and Welfare (1989-1992)
- Sponsored Programs Advisory Council of the SUNY Research Foundation (1984-1991)

University:

- **Member, Search Committee for Chair of the Department of Pharmaceutical Sciences (2015-)**
- Member, Search Committee for Psych Mental Health Tenure Track Position (2015-)**
- Member, Distinguished Professor Advisory Committee (2014-)**
- Member, Harpur Distinguished Leadership Council (2013-)**
- Member, Health Sciences Steering Committee (2013-)**
- Member, Institutional Animal Care and Use Committee (IACUC) (7/2009-)**
- Member, Senior Initiating Personnel Committee (2015)
- Member, Radiation Safety Committee (2013-15)
- Member, Search Committee for Associate Director for Alcohol and Other Drug (AOD) Programs and Services (2012-2013)
- President's Honorary Degree Advisory Committee (1999-2007)
- Member, University Emergency Power Review Team (2005)
- Chairperson, Search Committee for attending veterinarian (2005)
- Chairperson, Institutional Animal Care and Use Committee (IACUC) (2004-2005)
- Search and Screening Committee, Vice-President of Research (2003-04)
- Member, University Building Access Team (2003-2004)
- Symposium Panelist, "Destination Discovery: Unleashing Your Research Potential" (2003)
- Council/Foundation Award Committee (1999)
- Recipient, University Award for Excellence in Research (1999)
- Dean's Lecture Series Committee (1997-1998)
- Dean's Committee on Establishing Honors College for Arts and Sciences (1997)
- Chairperson, Committee for Scholarship and Research, Graduate Council (1995-1996)
- Chairperson, Advisory Committee for Scholarship and Research (ACSR) (1995-1996)
- Committee for Scholarship and Research, Graduate Council (1994-1996)
- Chairperson, Search Committee for Provost and Vice-President for Academic Affairs (1992-1993)
- Faculty Co-Chair, President's Task Force on Institutional Strategic Planning (1991-1992)
- Chairperson, Nominating Committee, Graduate Council (1990)
- Vice Chairperson, Graduate Council (Spring, 1990)
- Graduate Council (1988-1990; 1994-1997)
- Procedures Committee, Graduate Council (1988-1990); Chairperson (1990)
- Committee on Committees, Graduate Council (1988-1990)
- University Commencement Committee (1988)
- Moderator, 1988 Presidential Retreat on Diversity
- Curriculum Development Grant Review Committee (1988)
- Faculty Fellow, College-in-the-Woods (1987-1990)
- Chairperson, IACUC (1987-1993)
- Associate Director, Center for Developmental Psychobiology (1986-1994); Director (1995-2000)
- Search Committee, Vice-Provost for Graduate Studies and Research (1986-1987)
- Science & Math panel, Distinguished Dissertation Award Committee (1985)
- Selection Committee, Chancellor's Awards for Excellence in Teaching (1985-1986)
- Chairperson, EPPC (1985-1986)
- Educational Policies and Priorities Committee (EPPC) (1984-1986)
- Coordinator, Freshman Integrated Semester Program in the Sciences (1984-1987)
- Faculty Master, College-in-the-Woods (1984-1987) (this half-time position involved serving as administrative head of a Residential College of approximately 1100 students, 45 staff members and 16 faculty fellows)
- Committee on Organized and Sponsored Research (1982-1983)

- Chairperson, Science & Math panel of Research Semester Competition Review Committee (1982)
- Biomedical Research Support Grant Review Committee (1978-1983)
- Radioactivity Safety Control Committee (1978-1980)
- Institutional Committee on Laboratory Animal Care (IACUC) (1978-2000)

Department:

- Undergraduate Committee (1976-1983; 1990-present)**
- Review Committee for Psychology Department JPC; SPC (2007-present)**
- Co-Chair, Behavioral Neuroscience Faculty Search Committee (2004-2005)
- Graduate Committee (2000-2003)
- Chairperson, Department of Psychology (2000-2003)
- Coordinator, Graduate Program in Behavioral Neuroscience (1998-2000)
- Faculty Advisor, Psi Chi [Psychology National Honor Society] (1996-1997)
- Director, Center for Developmental Psychobiology [CDP] (1995-2000)
- Clinical Faculty Search Committee (1983-1984, 1986-1987)
- Executive Committee (1980-1983, 2000-2003)
- Future Directions Committee (1980-1983)
- Director, Undergraduate Program (1980-1983)
- Psychobiology Faculty Search Committee (1978-1979, 1981-1982, 1982-1983, 1984-85, 1987-88; 1989-1990)
- Chairman, Non-tenured Faculty Caucus (1978-1979, 1982-1983)
- Faculty Advisor, Undergraduate Psychology Club (1978-1980)

Publications: (work completed prior to June, 1977 was published under the name of L. Lanier)

401. Broadwater, M.A., Shnitko, T.A., Eaton, C.J., Crews, F.T., Liu, W., Varlinskaya, E.I. Spear, L.P. & Robinson, D.L. (2014, June). *Evidence for long-lasting disruption of the oxytocin system after adolescent ethanol exposure*. Research Society on Alcoholism, Bellevue, Washington.
402. Celio, M., McGeary, J., Day, A., Usala, S., Lisman, S. & Spear, L.P. (2014, June). *Dopamine-related genetic variation is associated with stimulant and sedative effects of acute alcohol intoxication among underage drinkers*. Research Society on Alcoholism, Bellevue, Washington.
403. Dannenhoffer*, C.A. & Spear, L.P. (2014, June). *Age-differences in rewarding and aversive effects in rats are drug-and conditioning situation-dependent*. Research Society on Alcoholism, Bellevue, Washington.
404. Kim*, E.U. & Spear, L.P. (2014, June). *Effects of pre-pubertal gonadectomy on sensitivity to the social impairing effects of ethanol following acute stress*. Research Society on Alcoholism, Bellevue, Washington.
405. Shnitko, T.A., Kennerly, L.C., Spear, L.P. & Robinson, D.L. (2014, August). *Acute and chronic effects of alcohol on dopamine release and uptake in the medial prefrontal cortex*. International Society for Monitoring Molecules in Neuroscience, Los Angeles, California.
406. Dannenhoffer*, C.A. & Spear, L.P. (2014, October). *Age differences in conditioned place preferences and taste aversions to nicotine*. Society for Neuroscience, Washington, D.C.
407. Truxell, E.M., Varlinskaya, E.I. & Spear, L.P. (2014, October). *Rapid tolerance to ethanol-associated conditioned taste aversion under social circumstances: Impact of age and sex*. Society for Neuroscience, Washington, D.C.
408. Varlinskaya, E.I., Truxell, E.M. & Spear, L.P. (2014, October). *Intermittent ethanol exposure during adolescence: effects on stress-induced social alterations in adulthood*. Society for Neuroscience, Washington, D.C.
409. Spear, L.P. (2015, April). *Animal models of alcohol in adolescence: Acute sensitivities, enhanced intake, and later consequences*. University of Illinois at Chicago, Chicago, Illinois. (invited presentation).
410. Spear, L.P. (2015, April). *Animal models of alcohol in adolescence: Acute sensitivities, enhanced intake, and later consequences*. University of Minnesota, Minneapolis, Minnesota. (invited presentation).
411. Spear, L.P. (2015, April). *Animal models of alcohol in adolescence: Why do adolescents drink so much and what are the consequences*. Center for Addiction Research and Education Symposium, University of Florida, Gainesville, Florida. (invited presentation)

412. Spear, L.P. & Varlinskaya, E.I. (2015, June). *Adolescents, sex differences and ethanol: Studies using a simple animal model*. Research Society on Alcoholism, San Antonio, Texas.
413. Saalfield*, J.S., Varlinskaya, E.I. & Spear, L.P. (2015, June). *Conditioned tolerance to ethanol-induced social inhibition in rats: Impact of age and sex*. Research Society on Alcoholism, San Antonio, Texas.
414. Spear, L.P. (2015, August). *What do basic science studies tell us about causes and consequences of adolescent alcohol use?* Gregory J. Bagnsby 2nd Annual T32 Retreat and ADACE Community Outreach Event, Louisiana State University, New Orleans, Louisiana. (invited presentation)
415. Pautassi, R.M., Fernandez, M., Nizhnikov, M., & Spear, L.P. (2015, September). *Age-related effects of restraint stress on ethanol intake and ethanol-induced narcosis*. 15th Conference for the European Society for Biomedical Research on Alcoholism, Valencia, Spain.
416. Spear, L.P. (2015, October). *What do basic science studies tell us about causes and consequences of adolescent alcohol use?*, MacMillan Symposium, University of Vermont, Burlington, Vermont. (invited presentation)
417. Spear, L.P. (2015, October). *Contributions to and consequences of adolescent alcohol exposure: Studies in a rodent model*, NIDA-NIAAA Mini-Convention, Society for Neuroscience, Chicago, Illinois.
418. Spear, L.P. (2015, October). *Long-lasting behavioral consequences of adolescent intermittent alcohol: exposure timing and sex matter*, Society for Neuroscience, Chicago, Illinois.
419. Hosova*, D., Varlinskaya, E.I., & Spear, L.P. (2015, October). *Voluntary binge-level consumption of ethanol in adolescent rats and the consequences on adult social behavior*, Society for Neuroscience, Chicago, Illinois.
420. Kim*, E. & Spear, L.P. (2015, October). *Adolescent ethanol exposure, pubertal timing, and novelty seeking in adulthood*, Society for Neuroscience, Chicago, Illinois.
421. Saalfield*, J. & Spear, L.P. (2015, October). *The ontogeny of ethanol aversion*, Society for Neuroscience, Chicago, Illinois.
422. Spear, L.P. (2015, December). *Contributors to and consequences of adolescent alcohol exposure: Studies in a rodent*, Schmitt Lecturer, University of Rochester, Rochester, New York. (invited presentation)
423. Spear, L.P. (2016, May). *Adolescents and alcohol: Acute sensitivities, enhanced intake and later consequences*, Joint Seminars in Neuroscience, University of California, Los Angeles, Los Angeles, California. (invited presentation).
424. Hosova*, D., Dannenhoffer, C.A., Varlinskaya, E.I. & Spear, L.P. (2016, June). Estimating blood ethanol concentrations (eBECs) from G/KG exposure data in rats: Importance of route and age/sex in “Magic Number” determination. Research Society on Alcoholism, New Orleans, Louisiana.
425. Saalfield*, J.S., Spear, L.P. & Varlinskaya, E.I. (2016, June). *Ethanol conditioned taste aversion: Does one bottle vs two bottle choice affect age and sex differences in adolescent and adult male and female rats?* Research Society on Alcoholism, New Orleans, Louisiana.

426. Kim*, E.U. & Spear, L.P. (2016, June). *The role of pubertal timing in the social consequences of early adolescent intermittent ethanol exposure*. Research Society on Alcoholism, New Orleans, Louisiana.
427. Spear, L.P. (2016, October). *Adolescent and college drinking: Insights into contributors and consequences from basic research*. Healthy Campus Summit, Binghamton University, Binghamton, New York. (invited presentation)
428. Hosova*, D. & Spear, L.P. (2016, November). *Procedures for inducing voluntary binge-level consumption of ethanol in adolescent rats*. International Society for Developmental Psychobiology, San Diego, California.
429. Gore-Langton*, J.K. & Spear, L.P. (2016, November). *Increased intake of sucrose-saccharin solution in adolescence after prenatal ethanol exposure in late gestation*. International Society for Developmental Psychobiology, San Diego, California.
430. Kim*, E. & Spear, L.P. (2016, November). *The role of pubertal timing in the social and neural consequences of early adolescent intermittent ethanol exposure*. Society for Neuroscience, San Diego, California.
431. Dannenhoffer*, C.A., Varlinskaya, E.I. & Spear, L.P. (2016, November). *Developmental effects of the AMPA receptor antagonist NBQX differ from adolescent-specific effects of ethanol on social interactions*. Society for Neuroscience, San Diego, California.
432. Saalfield*, J., Dannenhoffer*, C., Werner, D., Varlinskaya, E. & Spear, L.P. (2016, November). *The effects of the oxytocin agonist way 267464 on social behavior in adult male and female rats following adolescent intermittent ethanol exposure*. Society for Neuroscience, San Diego, California.
433. Spear, L.P. (2017, February). *The experience-seeking and malleable adolescent. What do basic science studies tell us about causes and consequences of adolescent alcohol use?* The UC Consortium on the Developmental Science of Adolescence: Adolescence as a Second Period of Transformation, Center for Mind and Brain, University of California at Davis, Davis, California. (invited presentation)

Courses Taught:

The Changing Brain (undergraduate)
 Neural Adaptations: Homeostasis, Plasticity, and Pathology (graduate)
 Evolution and Behavior (undergraduate)
 Behavioral Neuroscience II (graduate)
 Developmental Antecedents of Behavior Problems and Psychopathology (graduate)
 Models of Behavioral Sensitization and Tolerance to Drugs (graduate)
 Drugs and Behavior (undergraduate)
 Physiological Psychology (undergraduate and graduate)
 Developmental Psychobiology (undergraduate and graduate)
 Psychopharmacology (graduate)
 Neurochemistry (graduate)
 Seminars, Center for Neurobehavioral Sciences (graduate)
 Developmental Psychology (undergraduate)

Sex Differences (undergraduate)
Teaching in Psychology (graduate)
Ontogeny and Phylogeny of Behavior (graduate)

(nominated twice by Department for Chancellor's Award for Excellence in Teaching)

Ph.D. and Masters Degree Students

Masters

Ismail Shalaby, 1980
John Guastella, 1981
Barbara Barrett, 1982
Frank Scalzo, 1982
Linda Ristine, 1982
Don Linville, 1985
Karl Enters, 1986
Steve Specht, 1987
Cheryl Kirstein, 1988
Nancy Frambes, 1989
Carole Moody, 1990
Charles Heyser, 1991
Tricia Bliven, 1996
James Campbell, 1998
Marisa Silveri, 1998
Nina Katovic, 2000
Monica Casale, 2001
L. Andrew Douglas, 2001
Steven Brunell, 2003
Rajendran Pottayil, 2003
Robert Ristuccia, 2004
Tamara Doremus, 2004
Carrie Wilmouth, 2004
Courtney Vetter, 2006
Amanda Willey, 2008
Ruby Liane Ramirez, 2010
Rachel Anderson, 2010
Melissa Morales, 2010
Margaret Broadwater, 2010
Jessica Saalfield, 2013
Alexander McClory, 2015
Carol Dannenhoffer, 2015

Ph.D.

Frank Scalzo, 1985 (FIRST award recipient)
Linda Ristine (Noonan), 1985 (FIRST award recipient)
Karl Enters, 1988
Steve Specht, 1988
Cheryl Kirstein, 1990
Lavanya Rajachandran, 1992
Carole Moody, 1993
Charles Heyser, 1993
Gregory Goodwin, 1994
Robin Wood, 1996
Gerald Hecht, 1997 (Distinguished Dissertation Award)
Marisa Silveri, 2000
James Campbell, 2000
Steven Brunell, 2006
Robert Ristuccia, 2007
Tamara Doremus-Fitzwater, 2008
Carrie Wilmouth, 2010
Courtney Vetter-O'Hagen, 2011
Amanda Willey, 2012
Rachel Anderson, 2013
Melissa Morales, 2013
Margaret Broadwater, 2013

(b) Post-Doctoral Fellows

Victor Molina (1991-93)
Ezio Tirelli (1993)
Giovanni Laviola (1993-94)

(c) Current Trainees being supervised by L. Spear

Graduate Students

Carol Dannenhoffer
Esther Kim
Jessica Saalfield
Dominika Hosova
Jonathan Gore-Langton

-In addition to the above students, L. Spear also serves on an average of 8-10 additional Masters and Ph.D. committees per year, both within the University and as an outside examiner at other Institutions.

Research Associates:

Judith Fager, Ph.D. (2002-04)
Elena Varlinskaya, Ph.D. (2000-on)

Colloquia: (partial list)

Brown University Colloquium, Providence, R.I.
University of Utrecht, The Netherlands
Rutgers University
Massachusetts Institute of Technology
Case Western Reserve
SUNY-Albany
University of Florida
Duke University Medical School
SUNY-Stony Brook
University of Massachusetts - Amherst
William Patterson College - New Jersey
University of Louisiana at Shreveport
East Tennessee State University (Appalachian Chapter of the Society for Neuroscience,
Grass Foundation Traveling Scientist Program)
Brown University
Duke University Medical School
Oregon Health & Sciences University
Texas A&M
Wake Forest University
Yale University
University of Kentucky
Washington University
University of Missouri
Western Illinois University
University of Minnesota
