

Is my computer ready for the RF Report Center?

Like many applications, the RF Report Center operates more efficiently with certain browsers. Below is a listing of preferred system requirements:

Browser	Version Supported
	<ul style="list-style-type: none">• Google Chrome Versions 42+ Supported
	<ul style="list-style-type: none">• Firefox Versions 31+ Supported
	<ul style="list-style-type: none">• IE 11 Supported
	<ul style="list-style-type: none">• Safari Versions 7 through 8 Supported

Please be sure that your preferred browser allows pop-ups while in the RF Report Center.

In addition, Flash Player version 10 or higher and Adobe Reader Version 7 or higher is also recommended for optimal system response.

If you have any questions regarding browser capabilities or JAVA versions on your computer, please contact the Binghamton University Computer Services Help Desk at:
