

University Housing License 2020-2021

This license obligates you to remain in on-campus housing for the entire academic year. Mid-year cancellations are not permitted except as noted in section III.5. below.

Students living in University housing agree to abide by the stated regulations.

It is each student's responsibility to monitor and respond to messages sent through Binghamton University email, and to notices and letters placed in their campus mailbox.

I. GENERAL TERMS AND CONDITIONS.

- a. This license is extended by the University to individual students and students with families for an on-campus space in residential facilities. This license is not for a particular room, and should not be construed to be a lease.
- b. This license is in effect from the day a student reserves a room through the closing of the residence halls at the end of the spring 2021 semester including all break periods. This license is also in effect during summer orientation and summer housing.
- c. Failure to occupy a space after signing this license does not relieve the student of the responsibility to fulfill its terms. Likewise, a student who occupies a space without signing the license is nevertheless responsible for all its terms and conditions.
- d. All students in the first-year class of the University, regardless of credit hours earned, are required to live in University housing for their first academic year unless permission to live off campus is received from the Office of Residential Life.
- e. All residents in University housing, except those living in the Apartments Community, are required to participate in one of the resident dining programs.
- f. Residents in University housing are expected to conduct themselves in a manner appropriate to a community living environment. Residents must abide by the policies and regulations of this license and the Code of Student Conduct. Said resident may request a meeting with the Director of Residential Life and University Housing or their designee to discuss and/or appeal this decision.

II. ELIGIBILITY.

- a. All residents must be enrolled at Binghamton University as a full-time matriculated student.
- b. Dropping below full-time status does not terminate this agreement. Students who drop below full-time status and are continuing as a student will be held to the terms and conditions of the housing license. However, students who drop below 8 credits may be required to move out unless they demonstrate they are making satisfactory academic progress.
- c. Binghamton Advantage Program students are eligible to live in Binghamton University Residence Halls and are subject to all of the same terms and conditions of Binghamton University students.
- d. All residents must comply with applicable NYS Public Health Law requirements and Binghamton University policies on tuberculosis screening.

- f. Any student who is administratively removed from University housing will not be eligible for University housing in the future. Also, any resident who voluntarily vacates University housing, takes a leave from the University, or who must be re-admitted should understand that returning to University housing will be contingent upon availability.

The first priority for room changes is given to students housed in a temporary triple or lounge accommodation.
- b. Consideration is given to student-initiated requests for room changes through an established waitlist process. Residents living in an accommodation in which a vacancy exists may be given the opportunity to name a current University resident to move in with them, however priority is given to students housed in a temporary triple or lounge accommodation.
- c. Residents who do not identify someone to move in with them will be assigned a roommate.
