*Areas of Concentration — Finance, Management Information Systems, Marketing, Leadership/Consulting, Supply Chain Management. In addition to a concentration, students who take selected quantitative coursework will also have the opportunity to earn a focus in business analytics. A concentration is optional. Students also have the opportunity to customize their curriculum to meet their career goals by selecting from a wide variety of elective coursework.*

*Full-time students are required to participate in an internship experience. The internship may be used to fulfill an elective requirement or may be undertaken on a not-for-credit basis.*
