General Education requirements may be taken in any sequence. The GenEd sequence shown above is just one example.

Non-Management electives may be chosen from any subject area other than business/management. Liberal arts (Harpur College) coursework typically makes up the majority of these credits, but Computer Science (CS) or other non-liberal arts courses are also acceptable.

* Students must take two writing emphasis (C or J) courses to fulfill the writing requirement. One of these will also satisfy the GenEd Language & Communications requirement. "J" courses also fulfill the GenEd "O" requirement.

** SOM students may register for Math 147, Econ 366 or Psych 243 in place of the recommended CQS 112 to satisfy the statistics requirement, but may not take more than one of these 4 statistics courses towards the degree.

*** **Admissions Requirements for MS in Accounting: Minimum GPA of 3.0. Minimum GMAT score of 580. Applications Deadline is March 15 of senior year. A special Early Admissions period is available in the early Fall of the senior year for those with 3.4+ gpa's which does not require the GMAT.**
