\*Non-management Electives may be chosen from any subject area other than business/management. Liberal arts (Harpur College) coursework typically makes up the majority of these credits.

All students must meet the SUNY core competencies of Critical Thinking (T) and Information literacy (I). These competencies can be accomplished through careful selection of gen ed courses that also carry a I or T identifying tag. Students must take two writing emphasis (C or J) courses to fulfill the writing requirement.

\*\*SOM students may register for MATH 147, MATH 148, ECON 366 or PSYCH 243 in place of the recommended CQS 112 to satisfy the statistics requirement, but may NOT take more than one of these four statistics courses towards the degree.

\*\*\*Admission to the MS Accounting program is not guaranteed.

\*\*\*\*All students are required to have at least 45 credits in 300 or 400 level classes. General Education (GenEd) requirements may be taken in any sequence. The GenEd sequence shown above is just an example.
