

# KNOW A STUDENT MOVING FROM HIGH SCHOOL TO COLLEGE? HAVE QUESTIONS?

Join Binghamton University Services for Students with Disabilities (SSD) for **Launch: The transition to college access!**

**Oct. 16, 2026 | 8:30 a.m. - 3:30 p.m. |  
Innovative Technologies Complex | \$25**

With the goal to provide tools and information to educators and parents to help them best improve the readiness of students with disabilities as they prepare to enter college; this summit will feature speakers from Binghamton University, as well as other colleges and university disability offices, full group sessions, breakout sessions and plenty of room for any questions you may have.

## Topics of discussion will include:

- How to prepare students for accommodations in higher education
- Access-VR and PII
- How to find the right college fit
- Importance of updated documentation
- Housing accommodations
- Legal implications
