Thomas J. Watson School of Engineering and Applied Science

APPLICATION FOR ACCELERATED* BS/MS ENGINEERING OR COMPUTER SCIENCE PROGRAM

1. **This form must be completed and given to the secretary in your department of major during your junior year. Each department has its own criteria for admission to its BS/MS program.**
2. **Your department will inform you when and how you will learn their decision; either by having you return to pick up the form or by sending it to you through the mail.**
3. **If admitted, you must immediately seek faculty advisement on your future course choices. All students enrolled in this option must still complete the standard graduate application materials. This program is designed to indicate the early interest of top students and allows for undergraduate registration in certain graduate courses.**
4. **The department retains a copy of this approved form for its records, gives the student a copy and forwards the original to the Watson School Advising Office for processing the code change.**
