Binghamton University – Residential Life
BConnected Graduate Assistant

Residential Life serves the needs of 7,400+ residents through a system of six residential colleges. We strive to support the academic mission of the University by providing residents with a living-learning experience through our collegiate structure. We are strongly committed to the celebration of diversity and actively seek staff members who can serve as role models and have the ability to work with a widely diverse student population.

Description
The BConnected Graduate Assistant will be involved in the development of the new approach to engaging students with each other and staff through the BConnected model. This position is an important member of the development and implementation team.

Students must be accepted into a Binghamton University Graduate program, with preference given to those enrolled in Student Affairs Administration.

Duties and Responsibilities

● Developing content for the Workbook - a guide for RAs and Residential Life professional staff for the BConnected (curriculum model)
● Write facilitation guides for BConnected educational strategies
● Coordinate and participate in the development of training sessions for B*Connected for student and professional staff
● Complete assigned readings on residential curriculum
● Gather information from other institutions as needed
● Assist in assessment of BConnected including: classify incident reports, solicit and gather feedback from small groups of students, student staff, and professional staff
● Participate in August and January training programs.
● Other duties as assigned

Qualifications

● Candidates must have completed a bachelor’s degree
● Strong organizational, administrative, communication, leadership and decision-making skills
● Ability to work autonomously in a team atmosphere

Preferred Qualifications

● Previous experience in residential life

Stipend
This assistantship includes a salary stipend for the academic year of $10,200, paid biweekly. This position is represented by the Graduate Student Employees Union (GSEU) and the stipend includes all potential union-negotiated raises applicable for the academic year. Twenty hours of work per week is expected.
TO APPLY
Interested candidates who are currently Binghamton University undergraduate or graduate students should submit a resume, cover letter and contact information for three professional references through hireBING.

Candidates not currently enrolled at Binghamton University should submit a resume, cover letter and contact information for three professional references via email to Amy Pollock Drake at apollock@binghamton.edu.
