---

Manuals for the Genie Lifts along with Scene Shop procedural paperwork is available at: [http://www.binghamton.edu/theatre/productions/scene_shop.html](http://www.binghamton.edu/theatre/productions/scene_shop.html)

It is the students’ responsibility to get proper training prior to using any equipment. Training will be provided initially and subsequently can be arranged through your instructor.

I certify I have read and understand all components of Theatre Department Safety material distributed – hard copy and digital.
