Graduate Director Approval of Transfer Credit

Graduate Director's Signature

Date

In addition, an Application for Transfer Credit form (available from the Watson School Advising Office) must be signed by the Graduate Director and sent to the Graduate School for final approval.

Restrictions regarding EECE5x0 courses:

EECE 5x0 courses are cross-listed with undergraduate courses and require an additional project for graduate credit.

- No more than two of these courses may be counted toward graduation.
- EECE5x0 courses cannot be counted in the area of specialization.
- The EECE5x0 courses cannot be counted if the individual has taken a similar course as an undergraduate.
- The EECE5x0 course cannot be counted after taking a course that has the EE5x0 course as a prerequisite

Restrictions regarding EECE597 & EECE697 courses:

Independent Study courses (EECE597 & EECE697) may not be used for specialization courses except in extreme cases with pre-approval by the Graduate Director. Unless the student has a very compelling pedagogical reason this will not be approved.

Details on Electives

- Courses can be either ECE or certain Non-ECE graduate courses
 - ECE Graduate Course not used for other requirements
 - EECE 597 Independent Study can be used for both electives
 - Thesis, Project, and Internship credits can not be used
 - Certain Regular Graduate Courses (see the ECE Graduate Handbook for further details):
 - Courses From Other Engineering Departments
 - Courses from Math & Science Departments
 - Courses from School of Management
