

is coming to campus on September 18 & 19!

Resume Workshop + Live Technical Interview Demonstration

What does Google look for in a technical resume? What does a technical interview look like? Get your questions answered by 2 Google alums from Binghamton and see a live mock demonstration of a technical interview by our very own engineers. Bring questions! Food & swag will be provided while it lasts!

Monday, September 18th • 5:30-7 pm • EB 110, Engineering Building

CS Careers at Google

Learn from 2 Googlers on what they do at the company and hear advice on how to take what you've learned at Binghamton and apply it to the real world. Come with questions and bring your resume. Food & swag provided while it lasts!

Tuesday, September 19th • 11:50am-1:20pm • LH 008, Lecture Hall

***NEW* Google Games Campus Edition**

Interested in participating in a fun and friendly puzzle competition? Assemble a team of up to five of your best buds to compete against other student teams in puzzles (which involve some coding) and word association games. The top teams will receive some preeeeetty cool prizes. Start assembling your 5-person team and **register by Thursday, September 14th**. Food provided while it lasts!

Tuesday, September 19th • 6-8pm • C4 Multipurpose Room

Be sure to fill out the interest form to let us know which events you're planning on attending -- see you there!
