Reading the ebook

BOOK
Bilbo's journey : discovering the hidden meaning of the hobbit
Pearce, Joseph, 1961- author.
2012
🔗 Available Online ❯ ⟵ Click to open ebook platform
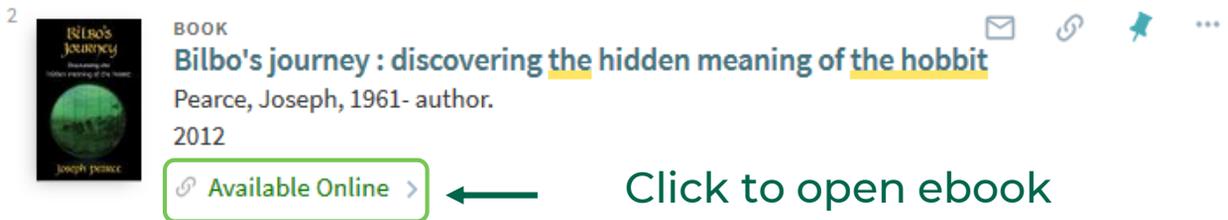

The Libraries have access to ebooks across many different platforms. Most platforms allow you to read ebooks online or to download a copy to your computer. Below are instructions to read or download books on our two most popular ebook platforms, **ProQuest Ebook Central** and **EBSCOhost**. Reading online is the quickest and easiest way to access books, but downloading is best for offline access.

For more information and guidance on other ebook platforms, please see our in-depth ebooks guide.

If you have any technical issues, try opening the books in another web browser or clearing your cache and cookies. If problem persists, report it via our Technical Help form.

Description

Discover the Christian meaning in The Hobbit In Bilbo's Journey go beyond the dragons, dwarves, and elves, and discover the surprisingly deep meaning of J.R.R. Tolkien's classic novel The Hobbit. Bilbo's quest to find and slay the dragon Smaug is a riveting tale of daring and heroism, but as renowned Tolkien scholar Joseph Pearce shows, it is not simply Bilbo's journey; it is our journey too. It is the Christian journey of self-sacrifice out...

The Lord of the Rings and Philosophy : One Book to Rule Them All

Click either of these options to read online

Popular Culture and Philosophy, volume 5

Bassham, Gregory
        Eric

Pub   rt. 2003
Information

Resource Type:

Description: The Lord of t   e applicable to the real world of relationships, religion, pleasure, pain, and politics.
                Tolkien himself said   le of wizards, orcs, hobbits, and elves was aimed at truth and good morals in the
                actual world.Analysis of the   lar appeal of The Lord of the Rings (on websites and elsewhere) shows that Tolkien
                fans are hungry for discussion of the urgent moral and cosmological issues arising out of this fantastic epic story.Can
                political power be wielded for good, or must it always corrupt? Does technology destroy the truly human? Is it morally
                wrong to give up hope? Can we find meaning in chance events?In The Lord of the Rings and Philosophy, seventeen
                young philosophy professors, all of them ardent Tolkien fans and most of them contributors to the four earlier volumes in
                the Popular Culture and Philosophy series, address some of these important issues and show how clues to their
                solutions may be found in the imaginary world of Middle-earth. The book is divided into five sections, concerned with
                Power and the Ring, the Quest for Happiness, Good and Evil in Middle-earth, Time and Mortality, and the Relevance

Subjects: Fantasy fiction, English--History and criticism
                Middle Earth (Imaginary place)
                Philosophy in literature

Categories: PHILOSOPHY / Good & Evil
